Bank Asks Offices in Forest Hills

BY DAVE SMITH

Coopersville State Bank has applied for authority to open branches in the Forest Hills area, the Ledger-Suburban Life has learned.

So far, however, the applications have been stymied by the acting state banking commissioner, Armand Bove.

Bove said he couldn't rule on the applications until surveys are made of the area showing whether additional banking offices are needed.

This prompted the bank to file suit against the state banking department in Kent County Circuit Court demanding that the state act on its applications.

The state, however, contends that the suits come un der the jurisdiction of the state court of appeals, as mandamus actions and not circuit court. Bove has moved to transfer the suits to the state court.

Thus the question of whether the Coopersville institution will be allowed to open the proposed new offices remains for the moment up in the air.

Coopersville State Bank is located some 10 miles west of Grand Rapids on I-96. It presently has branches in Comstock Park, Marne and Conklin. Its total assets at the end of 1967 were \$10.5 mil-

Another New Look

Another new look for this week's edition of the Ledger-Suburban Life is instantly recognized.

We are proud to be among a limited number of newspapers in the nation offering full four-color reproduction on a regular run basis.

For this week only, in order to produce the accompanying four-color picture, we have combined the front pages of the Lowell Ledger and The Suburban Life.
