Lowell City Council incumbents Dean E. Collins, James D. Maatman and William F. Thompson successfully regained a seat in the city's odd-year general election.

Richard A. Bryan and the three incumbents were all vying for the three seats available. Maatman and Thompson with the two highest vote totals, will take the two four-year terms available. Maatman, with 146 votes, was the highest vote getter. Thompson finished second with 136 tallies. Collins, with the third highest vote total (134), won the two-year term. Bryan fell 27 votes short of the twoyear term with 108 votes.

As was consistent throughout the County, the odd-year general election turnout was poor. A Lowell City Hall spokesperson said that approximately 200 people came to vote.

The other two spots on the city council are currently being held by Charlie Doyle and Jack Fonger.

Maatman, 38, has been a Lowell City Council member for eight years and was previously the Lowell Mayor for four years. He has been a resident of Lowell for the last 10 years. He and his wife, Kathy, have two sons, Mark and Matthew.

Thompson, 33, is a lifelong resident of Lowell. He has been a councilman for four years. He received his Masters Degree

William F. Thompson

from Central Michigan University. He and his wife, Helen, are the parents of a 2-year old daughter named Megan.

Collins, 45, is also a lifelong resident of Lowell and has been a city council member for 12 years. Six of those years he served as Mayor.

### OFF THE BLOTTER

Sheila Merritt, 19, of Lowell was involved in a property damage accident on Amity at Spring St. when a vehicle driven by Walter Brovont, 75, of Belding failed to yield right of way. No one was injured in the accident, Nov. 3rd.

Involved in a property damage accident on Main and Lafayette St., Monday, Nov. 2 was Robin Kennedy, 34, of Lowell when her car was struck from behind by a car driven by Walter Beech, 65, also of Lowell.

No injuries were reported at an accident Oct. 31, on Main near the Admiral Gas Station when a car driven by Michael Ogle, 22, failed to yield right of way while exiting a drive and struck a car driven by Craig Mersman, 17. Both drivers are Lowell residents.

Cited to appear at a later date at 63rd Dist. Court, was Todd Reed, 22, of Lowell on charges of recreational trespassing, which occurred Nov. 3.

Injured in an accident Sunday evening, Nov. 8 on West Main near Alden Nash, was a 16 year old driver and 15 year old passenger both from Lowell, whose car struck the rear of a car driven by Oma Blue, 38, of Ada. A passenger in Blue's car, a 10 year old, was also injured in the mishap.

Rodney Hemmingson, 20, of Ionia was cited by Lowell officers Friday, Nov. 6, to appear in 63rd Dist. Court, for minor in possession of alcohol.

Cited to appear at a later date in court to answer charges of open container of alcohol in a motor vehicle were Peter Neels III,

Where's there? Byrne Electrical Specialists Inc. in Rockford.

Why were they at Byrne Electrical Specialists Inc. on Tuesday, Nov. 4?

Norman Byrne, the owner of the aforementioned electrical business is the same Norman Byrne whose name was drawn at Lowell's last home football game, making him the winner of the "Win the Band Contest."

What did he win? A free half hour concert by the Lowell High School Marching Band in his yard or a yard of his choice within a 50-mile radius.

So Byrne had the LHS Marching Band take a trip to Rockford and march through his plant and then stop and play for his Byrne Electrical Specialists employ-

"They're terrific! I hope the boss does this every week," mused a Byrne employee. Another employee added that the "experience has been enlightening.

What was even more terrific and enlightening was the way Byrne's name was drawn.

The president of the Lowell High School Marching Band Danny Byrne, also son of Norman Byrne, drew the winning name.

The Music Boosters sponsored it, tickets cost \$1 and were available at all home football games, from any Music Booster member and at Lowell Family Hairstyling.

The Music Boosters, previously referred to as the "band" boosters, went into limbo for a while according to Music Booster President Tony Stencel.

Ringing in the ears, also known as tinnitus, is a humming buzzing or pulsating noise in the ears. It is variable from person to person, it may be loud or soft. It may be continuous or it may come and go. In some people it may be barely noticeable, while others may find it intolerable. Tinnitus is thought to be a result of damage to the microscopic hairline cells deep within the inner ears. Sound waves coming into our ears stimulate the eardrum and make these hair cells move.

This vibrates nerve impulses that the brain interprets as sound Unfortunately, by the time most people realize that they have tinnitus, the damage to their ear hair cells is permanent. It is, however, still something which should be investigated. Your doctor knows which prescription drugs you should avoid. It is also helpful to check with him or her before using certain over the counter preparations. The ones that most frequently cause tinnitus are aspirin and aspirin-containing medications, anti-inflammatory agents, and antihistamine/decongestant products.

ringing in the ears.

There are some things which you can do yourself to lessen tinnitus. Avoid loud noises. Using firearms, riding a motorcycle. using power tools, listening to loud music, running a lawnmower, can all harm the hearing and worsen tinnitus. If you suspect that job-related noise is causing tinnitus, notify your employer. Our single most important piece of advice is to protect your ears. While tinnitus often can't be cured completely, the ringing in

your ears may have alerted you and your doctor to a potentially correctable problem. Most causes of tinnitus are not life-threatening and many can be treated medically.

Many foodstuffs can contribute to tinnitus. Coffee, tea, chocolate, cola drinks and quinine can do so. Nicotine can also worsen

### You're Never Too Old To Hear Better.

Chicago, Ill .- A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest hearing aid Beltone has ever developed will be given absolutely free to anyone requesting it.

It's yours for the asking, so send for it now. It is not a real hearing aid, but it will show you how tiny hearing help can be. The actual aid weighs less than an eighth of an ounce, and it fits completely into the ear canal.

These models are free, so we suggest you write for yours now. Again, there is no cost, and certainly no obligation. Although a hearing aid may not help everyone, more and more people with hearing losses are being helped. For your free sample write today to: Department 00000, Beltone Electronics Corp., 4201 W. Victoria St., Chicago, IL 60646.

Within the last year the two partners purchased the Northview Cleaners out on Five Mile Road and Plainfield.

Smith, who is a 1971 graduate from Mount Clemens High School, worked as a photographer and a printer for his father Francis Smith from 1968-71 and for the Lowell Ledger before teaming up with Curtis.

If that isn't enough, they also operate a sales and service company for coin laundry and professional dry cleaning equipment.

Change, that's something that has become the norm for Curtis Cleaners since the early '70's.

"The '70's was the polyester era and being a wash and wear fabric, made running a dry cleaning business pretty tough," Curtis said.

While polyester may have hurt the dry cleaning business, the age of the working women has helped.

Curtis says that working women buy nice clothes which in turn helps business.

"Today we also have more computerized cleaning and state of the art equipment than in the past," Smith adds.

Resolution No. 11-87-186 urging reinstatement of the annual supplemental special census payment for communities qualifying under Act 140 was presented: (All have received copies.)

### RESOLUTION BY COMMISSIONER LORCH

WHEREAS, the State of Michigan Revenue Sharing Act No. 140, as amended, provides for the distributions of state sales tax on the basis of community population,

WHEREAS, the Act provides for supplemental payments to be made to those communities who can demonstrate, through a special census conducted within the guidelines of the State Elections Division, at least a 15 percent increase in population, and

WHEREAS, a number of communities, including six communities within Kent County, undertook in good faith such a census at their own expense in order that their residents would benefit from a fair and justified state shared revenue distribution based on current population numbers, noting that such a substantial population increase requires added services which depend on this revenue sharing distribution, and

WHEREAS, the Governor of the State of Michigan did veto Section 30 of House Bill 4114 which provided that such added shared revenue be paid to those communities which have demonstrated at least a 15 percent population increase, and

WHEREAS, the Kent County Board of Commissioners is committed to the economic and financial welfare of the communities within its boundaries and urges the State of Michigan to recognize that Kent County is the second fastest growing county in the State and is entitled to legislated state funds to accommodate that growth.

NOW, THEREFORE, BE IT RESOLVED that the Kent County Board of Commissioners hereby urges the State Legislature and Governor James J. Blanchard to reinstate the annual supplemental special consus payment for all those communities who qualified under the State of Michigan Revenue Sharing Act No. 140, as amended, and expresses their deep concern over the inability of the State of Nichigan to live up to funding those programs which it legislates.
