School Board votes not to delete hockey program

"You know what that means? The 3-3 vote defeats the motion to delete hockey," explained Lowell board president John Haggai. With that said, the Lowell Hockey supporters broke out in a loud but relieved applause at the May board meeting.

Despite the recommendation of Lowell Superintendent Fritz Esch, the Lowell School Board by a vote of 3-to-3, did not delete the Lowell Hockey program.

Esch made his recommendation based on a report given by Lowell High School Principal Dick Korb. Korb based his decision on the criteria he'd been

given (school policy 6200) and evaluated.

The vote to discontinue the ice hockey program as a varsity sport in 1988-89 broke down this way. Those board members in favor of its deletion were Jack Lane, Roger Kropf and Linda Beers.

Board members voting against the hockey program's deletion were John Haggai, board president, Wayne Dowling, and Norm Byrne.

Roger VanAntwerp, board vice president, was absent from the meeting.

So what does this do to a policy which was defeated on its first test? What happens when another athletic sport challenges the policy?

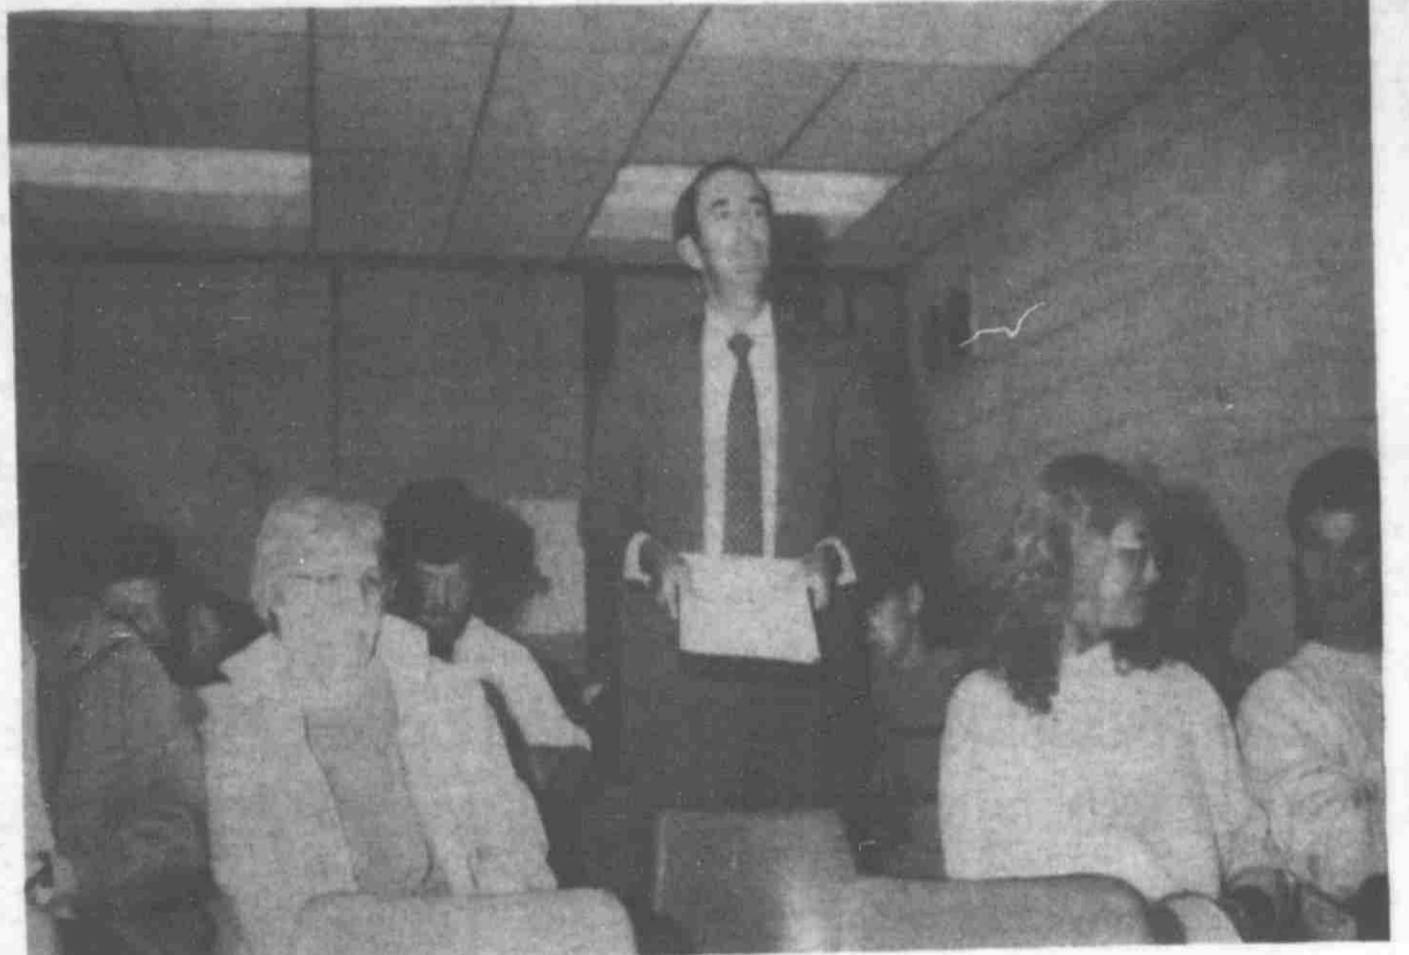

"Good questions, I don't have an answer," Korb said.

Esch added that the board will review the policy to see if any adjustments need to be made.

The vote will give the hockey committee and its program a year probation to rectify its problems with school board policy number 6200.

"The board will send out letters to all involved, stating the hockey program is on probation. During this time the board will look at its policy and check for any changes that may be needed," Haggai said. "At the end of the year we will re-evaluate the progress of the hockey program."

The policy states that an athletic program must meet at least five of the eight criteria stated in the policy. According to the report done by Korb the hockey program met just three.

Rick Simkins, standing in for hockey spokesperson Clark Vredenburg, addresses the board on the hockey program's side of the issues pertaining to board policy 6200.

"There isn't another sport that meets less than six of those criteria," Beers said. "I feel the policy provides the board with a structure that allows us to deal fairly with all athletic programs in the future."

Beers added that though she was in favor of the hockey program's deletion, she also thought it was important to re-evaluate the program's deletion on a yearly basis.

However, it seemed that the overriding factor that kept hockey on for at least another year, was the feeling from at least three of the board members, that the program did not receive adequate

time to adjust to the policy.

"In June of 1987, the hockey program was notified of its probation. After that, nothing happened until January, and I don't feel that was adequate enough time for the hockey program to adjust to the policy," Dowling said.

Rick Simkins, standing in for hockey spokesperson Dr. Clark Vredenburg, addressed the board on the hockey program's side of the issues.

Some of the hockey program's responses to the five areas in which it was felt the hockey program did not meet the criteria included: Although it did not generate a lot of revenue, it did generate some from non-league

ticket stubs.

Simkins stated that hockey generated \$262 this past season. He compared that to these totals: The \$265 boys golf generated; \$292 by cross country; and \$303 by gymnastics.

To five-eighths participation Simkins added that even if Kenowa Hills left the O-K White that five-eighths participation would still exist in the O-K Rainbow Conference.

"We are happy with the decision and the hockey committee will work with the board in rectifying any conflicting problems with board policy 6200," Simkins said.

Contracts awarded for LHS projects

The Lowell Board of Education approved motions to award 1988 summer projects, retro-fitting and re-roofing, to area businesses at the May meeting.

The retro-fitting project was awarded to James Droge Construction Company of Grand Rapids at a base bid of \$78,076 with alternate bids 2-7 in the amount of \$126,202.

Alternate bids 2-7 are as follows: 2. Thermo-pane windows and cafeteria frames at the high school; 3. Enclosure of existing passageway at west hallway of

high school; 4. Addition of tack boards in classrooms; 5. Inclusion of new exterior doors and hollow frames at Riverside Elementary; 6. Tuck point and waterproof brick walls; 7. Provide mini blinds for high school windows.

The other 1988 summer project motion that was awarded, was for the re-roofing project at Riverside Elementary. The project will be contracted out to J&L Roofing in an amount not to exceed \$58,870.

The vote on the motion to discontinue the Lowell Ice Hockey

program as a varsity sport beginning with the 1988-89 school year was denied. Minus Chris VanAntwerp, the board's vote was three to discontinue the hockey program and three votes not to discontinue it. For more information on the hockey program, see related story in the Ledger.

The board adopted a resolution appointing election inspectors for the annual election to be held on Monday, June 13.

Those members appointed election inspectors include: Precinct No. 1. Barb Williams, chairperson, Janet Bovee, Frieda Bailey and Doris Boyd; Precinct No. 2. Gladys Benedict, chairperson, Helen Hobbs, and Eleanor Dintatman; Precinct No. 3. Jenean Hoffman, Carol Nauta, Ellen Moore.

A motion was passed to adopt the English literature textbook entitled "The American Experience" and that 200 copies be purchased from the 1987-88 curriculum account in an amount not to exceed \$5,000.

Reasons for the purchase included the book's emphasis on historical background; follows curriculum; it's information

about American authors; had been using books with a 1972 copyright; and the book entails a fine arts emphasis.

The board also adopted a resolution for a truth in taxation hearing and a notice of the annual budget review.

The board will hold a public hearing on the levying in 1988 of an additional proposed millage rate of 1.4059 mills for operating purposes.

In other news:

--The board approved the resignation from Gary Rivers, high school teacher, for retirement purposes effective June 10. Rivers has been teaching at the school for 28 years.

--The board also approved the resignation of elementary teacher Marge Kropf for retirement purposes effective June 10. Kropf has been in the school system for 25 years.

CHURCH PAGE

...grow up into him in all things... (Ephesians 4:15).

We find amusement in turning back the pages of our lives and recalling the activities of our youth. We talk about the foolish things we did, the chances we took, the daring fetes we attempted, and the immature ideas and attitudes we possessed. Then we thought we were wise. Today we realize how immature and childish we actually were. Maturity comes with time and experience.

We've been told that experience is the best teacher. Often, it is the most difficult. With experience come hard knocks, both in the natural and spiritual realms. Hard knocks make us appreciative. They often change our outlook and attitudes and help us grow up.

After the Lord has allowed us to pass through spiritual experiences which try the mettle of our souls, we are able to look back and see the immaturity we possessed before the experiences. We could not evaluate our progress without the hard places. They are "measuring tapes" by which we ascertain the growth of the soul.

Prayer: O Lord, trials are unpleasant but needful; they help me to grow up in Thee. May I learn a lesson from each of them which will enable me to go deeper in Thy love. Amen. Deeper, deeper! tho' it cost hard trials, Deeper let me go! Rooted in the holy love of Jesus, Let me fruitful grow.

Grand Rapids School of the Bible keeps local pilots airborne

Are you one of those people who feels the Lowell Airport, which is run and operated by the Grand Rapids School of the Bible, is little more than a playground for aspiring area pilots? If you aren't, good. If you are, you're about to be surprised.

The Grand Rapids School of the Bible has been leasing the property, and most of the facilities for 10 years.

Recently the Grand Rapids School of the Bible settled on a new 10 year contract with the city which will have it managing, maintaining and upgrading the facilities.

Right now along with managing it, the school is responsible for snow removal, cutting grass, tie-downs and limited service to local pilots.

"We didn't want to put money into the airport if the city had thoughts of closing it," said Director of Aviation at Grand Rapids School of the Bible, Clare McCombs.

At the present time, the school has around 50 students enrolled in the in-flight and air frame/

power plant course.

These students receive 200 hours flying time and spend 12 months in training for their mechanics license.

In addition to these college students, there are approximately 10 local students in training for various licenses.

"The school originated 40 years ago, and this is just one course," McCombs said. "The school uses the airport to train bush pilots (pilots that operate in the bush and/or jungle). To train the pilots in a metropolitan airport would not be practical."

In a student's freshman year he/she enrolls in ground school on campus. Then in May, students spend eight weeks flying in an effort to obtain their private license.

The second year is used for cross-country times (60 hours). The junior year involves maintenance training and the fourth year a student finishes its commercial instrument flight ratings.

McCombs, a federal examiner for 19 years, has been involved with the school for 19 years. He was in the military for 20 years as a pilot before retiring in 1969.

"After I got out, I went to school on the GI Bill, and then through the president I learned the school was in need for someone to run the aviation program at Grand Rapids School of the Bible," McCombs said.

McCombs feels the only way to meet pilot needs in the future is for schools in general to start training more and more. "It's an

excellent field, and very lucrative." He adds that there is a slow interest in flying being generated due to the traveling being done by air carrier.

McCombs has done more than his share of training. His entire family flies. From his wife, Joan to their six children Dale, Deb, Diane, Doug, Dan and Dardi.

Doug, an ex-military helicopter pilot, is now flying in New Guinea as a bush and helicopter pilot.

bush flying involves short, many times not level, grass strips.

"When you hear someone refer to a STOL, they are referring to a short takeoff and landing airplane used to service small communities in remote areas," McCombs explains.

Currently there are 50 bush pilots enrolled at the school. The Grand Rapids School of the Bible puts out approximately 12-16 bush pilots a year from the community.

"In the church circles, the pilots are referred to as missionary pilots. Outside that circle they're called bush pilots," McCombs said.

The director of aviation at the school adds residents of Lowell are welcomed to come and visit. Time permitting, residents may take a training flight and view the local area from high above.

Clare McCombs, above, has been the Director of Aviation at the Grand Rapids School of the Bible for the past 19 years.

Franciscan Sisters bakery an Ada hot spot

For 50 years the building at 590 Ada Dr., Ada, sat empty with only memories of yesterday permeating from its structure.

Its faint pulse and restoration came from the sweet, joyful sounds of piano, guitar, harp and woodwind instruments vibrating through the walls of the Franciscan Rhythms and Pottery Shop next door.

This shop was opened in January of 1979, and then in the summer the making of a bakery was put in motion in a continuous effort to use the gifts and talents of the Sisters living at the Franciscan Sisters of the Eucharist Farm.

Sister Teresa handles this take-out order like all of the rest, with a smile.

A father and his two children share some juice and rolls at Franciscan Heritage Foods.

Dombak, 'Selah 1988' editor, to receive honor

Daniel Dombak, the editor of Selah 1988, the yearbook of Liberty University, VA., will be honored in the fall, for the recently released 1988 Selah.

The 1988 Selah made a high impact entrance using a white cover to compliment its contemporary theme, Liberty You, derived from LU. The book was received well at all levels of the University and the student body hailed it as the best yearbook to date for Liberty.

"I am proud of the book. We set out to create a flashy, contemporary book that would allow us to compete on the highest national level. The reviews won't be back for six weeks, but we believe we made it," Dombak said.

Dombak will also serve as the editor for the 1989 Selah yearbook. This is a first in the school's history. Prof. Richard Bohrer, faculty advisor to the yearbook, contributes this to Dombak's proven track record and "excellent administrative relationships." Bohrer, former editor of Moody Monthly, stated that Dombak's 1988 book surpassed the 14 volumes that preceded it and he should have no problem, with his experience, topping the 1988 book.

"It was a way to best use the talents of Mother Ann Boehm, a baker all of her life," said Sister Mary Margaret Delaski, F.S.E., music instructor. "It was a service she could offer the people."

"The antiques fit the heritage of the building for display as well as sales."

In January of 1980, the bakery, Franciscan Heritage Foods, officially opened. We make everything from scratch, just like your mother would. I think people appreciate us being here, and our quality," said bakery manager, Sister Darlene Westling, F.S.E. "It's commonly referred to as the 'turn of the century' coffee shop."

The bakery serves and sells fresh baked whole wheat, white, raisin, dinner and assorted sweet breads daily along with rolls, coffee cake and cookies. Sister Westling's help includes part time lay people and Sister Teresa Buchheit, F.S.E.

The daily breads and rolls are all prepared by 8 a.m. each day. Franciscan Heritage Foods patrons come from Ada, Grand Rapids and other outlying areas. "Without a doubt it's the best bakery in the area," says a weekly Grand Rapids patron.

"I think older people come here because it's a place where they feel comfortable," said Sister Westling. Sister Delaski adds, "I think young children who come here with their mothers feel comfortable too," said Sister Delaski. "Patrons come to the bakery for meetings, and we've had small groups of ladies come in and celebrate a birthday with rolls and coffee."

She continues, "There was a young boy that came for his music lesson, who had an anxious stomach. His mother brought him over for a glass of juice to help calm his nerves." Preschool children from the Congregational School also indulge in the baked goods from Franciscan Heritage Foods.

Sister Delaski explained that many children relate their lesson with having a treat from the bakery.

"The children know what they want when they arrive," adds Sister Delaski.

The most popular roll baked and sold by Franciscan Heritage Foods is the pecan caramel roll. "I think it's the big hit with customers, but the cinnamon roll is what we sell the most," said Sister Westling.

The bakery also bakes and sells heritage breads such as Irish Soda and Polish Babka Breads.

"There was fellow who couldn't find a bakery that made Salt Rising Bread, which years ago was unique to the West Michigan area. People then could not find the bread anywhere, that is, until the bakery got the recipe. "It took 2-3 months for us to get the bread to

From outside its bay window, the bakery may look like a greenhouse, although before the bakery, Sister Delaski used it as a stage for her music recital.

"I'm not sure if it's a bay window or not. I've always used it as a stage," she muses.

Every Tuesday through Saturday from 8 a.m. or until 4:30 p.m. Franciscan Heritage Foods fills this case with breads, rolls and cookies.

Nugent receives National Honor Society award

Competing against 14,000 students from throughout the United States, Tom Nugent, a Lowell High School senior, has received a \$1,000 National Honor Society scholarship, sponsored by the National Association of Secondary School Principals (NASSP) and the L.G. Balfour Foundation.

Nugent, son of Mr. and Mrs. Terry Nugent, 4825 Lincoln Lake, Lowell, is one of 450 winners announced by the NASSP. Each high school NHS chapter could nominate two senior students based on their leadership, scholastic achievement, character, and service. Nominees submitted a form outlining their participation in school organizations and clubs, academic accomplishments, employment experience, and community service.

"Nugent has demonstrated outstanding ability in his academic work and service to his school and community," said Scott Thomsson, executive director, NASSP. "He's a fine example of the outstanding calibre of young people in America's high schools."

While at Lowell High School, Nugent has been president of the FFA, captain of the football and the wrestling teams, and president of the National Honor Society. He is valedictorian of the LHS graduating class. This fall he plans to attend Michigan State University to study agricultural engineering.

Red Arrow girl thinclads tied for second in conference

Lowell's Tonya Stepek gives her best kick in the 400 Relay against Forest Hills Central.

Lowell's girls' track team claimed two O-K White Conference meets this past week. With the wins over Rogers and Forest Hills Central, the Red Arrows are seated in a two-way tie for second with East Grand Rapids behind league power Wyoming Park. On Saturday Lowell competed in the Greenville Relays and finished fourth out of 14 schools.

Lowell 115, Rogers 13

Lowell literally raced over the Golden Hawks in every event except the 400 run, the only event in which Rogers claimed a first.

Karen Bussler took advantage of the opportunity as she posted two individual firsts in the 100 dash (13.57) and the 200 run (27.7). The Arrow then joined her teammates in two winning relay events. They were the 800 relay (Pam Sterzick, Angie Groen, Tera Kropf and Bussler) 1:59.37 and the 400 relay, teaming Bussler with Sterzick, Groen and Leigh Ranburger. The four-some posted a winning time of 55.14.

Ranburger had another super day as she won the shot put (32-11½), and the long jump (15-8).

Vanessa Heukels posted a winning time of 2:38.9 in the 800 run. The Red Arrow was also on the winning 1600 and 3200 relay teams. In the 1600 she teamed with Becky Bartlett, Angie Arnett and Deb Adams in posting a time of 4:37.55.

Arrow linksters a formidable bunch

In its first season the Lowell lady linksters have proven to be very formidable.

The Red Arrows are 5-5 in the O-K Conference and 7-6 overall. Lowell finished the week at 4-1, with league wins against Forest Hills Central and Wyoming Park. The Arrow went outside the conference and picked up a win against Saranac. Jack Ogle's squad's only defeat came against Wyoming Rogers.

In four of the five matches Chris Bussell was the match medalist.

Lowell 227, Wyo. Park 236
At the par-36 Deer Run Golf Course, Chris Bussell led the Lowell charges with a 46, pacing Lowell to a nine-stroke victory. Dina DeCator followed Bussell with a 58, while Julie Tarak carded a 61 and Heather Sherman walked off with a 63.

Lowell 215, Saranac 277
Lowell 215, C. Montcalm 225
The Red Arrows had little problem with Saranac and won by a comfortable 10 strokes over Central Montcalm.

Once again Bussell was the match medalist. She carded 47 at the Morrison Lake course. DeCator was second for Lowell with a 51. Heather Bednarz followed with a 56 and Tarak scored a 61.

Abigail Tucker lead the Redskin charges with a 52 while Deb Baisdell shot a team high 54 for Central Montcalm.

Lowell 117, Rogers 14
The Red Arrows made quick and easy soup out of the Golden Hawks.

Lowell posted victories in everything but the long and high jump and the 1600 relay. The Arrows would have won the untested relay too, but a false start prevented that.

Jeff Phillips and Mike Mull enjoyed the easy pickings as they came home with three firsts. Phillips won the shot put (37.11), and was a member of

the winning 800 and 400 meter relay teams. In the 800, Phillips, Adams, Kemp, and Mull posted a winning time of 1:39.66.

A time of 47.34 won the 400. Running the event included Phillips, Ken Nelson, Pete Kemp and Kevin Goggins.

Mull pulled in victories in the 200 and 400 run events. He recorded times of 23.70 and 52.77 respectively.

Other Red Arrow thinclads to post victories were: Dallas Kirkbride, discus, 135-6; Rick Stockreef, pole vault, 9-6; Todd Weststrate, 100 hurdles, 15.64; Goggins, 100 dash, 11.98; Chris Kloosterman, 1600 run, 4:58.09; Kloosterman, 800 run, 2:13.7; 300 hurdles, Todd Weststrate, 43.75; and Clay VanderWarf 10:44.9.

SHOT PUT - 1. Phillips 37-11; 2.

Lowell 281, FHC 294
Kim Tryon shot her best score ever (60) beating her Ranger counterpart by nine strokes. Tryon's effort tied the match and left the outcome up to the fifth set of linksters.

Lowell's Heather Sherman pulled through, shooting a 61, besting her competition by 13 strokes.

"Bednarz, Tryon and Sherman showed a lot of improvement this past week," Ogle said.

Bussell led Lowell with a round of 48. Tarak carded a 54 and DeCator shot a 58.

The Rangers Jill Murray took medalist honors with a 44. **Rogers 204, Lowell 216**
Bussell was the match medalist with a 44, but it wasn't

enough as the Red Arrows fell by 12 strokes.

Tarak walked off the course with a 55. She was followed by Bednarz, 58; Sherman, 59; and Tryon 61.

CORRECTION
In the May 4 edition of the Lowell Ledger, Chris Bussell was referred to as Karen Bussell in the East Grand Rapids golf story.

It was Chris Bussell and Amie Kanoza who lead Lowell past EGR 217-227. Bussell also shot the round of 44.

The Ledger apologizes for any inconvenience this may have caused Chris Bussell, her family and friends. The Ledger will work hard to see that it doesn't happen in the future.

Lowell 79, FHC 58
Although Lowell led through most of its meet with the Rangers, improved to be much closer than the meet against Rogers.

Lowell got off to a good start claiming four of the five field events.

Tim Weststrate won the long jump at 19-5 while Phillips cleared the high jump bar at 5-6. In the discus Kirkbride took first with a distance of 135-3.

The pole vault was won by Red Arrow Stockreef at a height of 10-0.

Todd Weststrate had a good day in the hurdles as he won the 110 and 300 hurdles with times of 15.5 and 42.61 respectively.

Kyle Gildea, VanderWarf, Tim Weststrate and Kloosterman posted a winning time of 8:51.02 in the 3200 relay.

Arrows lose to Rogers; sweep Wyoming Park

It wouldn't be tough to argue that May 2 through May 7 may be as tough a week of softball as the Red Arrows will have to face the rest of the season.

Lowell played seven games in six days, four of which were league contests. The Arrows finished at 3-4 overall but were 3-1 in their league contests.

Lowell started off the week by battering Sparta, followed by a tough loss to league power Wyoming Rogers. The Arrows finished the week with an emotional doubleheader sweep over Wyoming Park before losing three tournament games in succession over the weekend.

Lowell 18, Sparta 2
Doreen Schneider faced 19 batters in five innings and did not walk a batter as she threw just 64 pitches against Sparta.

Lowell's scoring summary looked something like this: The Arrows scored six runs in the first on one hit, four walks and two fielder's choices. Lowell added three in the second behind a big two-run double from Schneider. Lowell's nine-run fourth was highlighted by two hits and five walks. The big hit was a Megan Kirby two-run double.

Scneider's victory improved her record to 7-0 overall and 3-0 in the league.

Rogers 5, Lowell 1
In a nutshell, Lowell hitters never solved the pitching of Golden Hawks junior hurler Shane O'Connor.

Lowell added a single run in the sixth on a Tom Summerfield single, a stolen base, a wild pitch and a Paul Stroosnyder RBI single.

Sparta made a game of it late, scoring three times in the sixth and three times in the seventh.

Leading Lowell hitters included Stroosnyder 4-for-4, three RBIs; Price, 3-for-3, one RBI; Czarnopis 2-for-5 three RBIs; Carpenter 2-for-4 three RBIs.

Rogers 11, Lowell 5
The visitors from Rogers scored six times in the first, forcing Lowell to play catch-up the entire game.

The Golden Hawks used a little luck and a little power to score their six runs.

Rogers had two infield hits to start the game. Ryder helped out as he hit two Golden Hawks. The visitors then showed its muscle with a double and a home run off the bats of Steve Moore and Joe Leal.

Lowell got to within two in the fourth, scoring four times. The big hit was a big two-run double to left field by Todd Probst, scoring Mike Rivers and Toby Czarnopis.

Both clubs scored in the fourth, scoring four times. The big hit was a big two-run double to left field by Todd Probst, scoring Mike Rivers and Toby Czarnopis.

Another Red Arrow that made contact at the plate was Brian Ryder. The Arrow went 2-for-3 and had three RBIs.

Lowell scored twice in the second inning. Rogers' two runs came on a two-run homer by Ernie Woodard. Lowell tallied a run of its own in the bottom of the inning on a Summerfield double and an RBI single by Rivers.

The final three runs of the game would be scored by Rogers. The Golden Hawks scored once in the fifth and added two runs in the seventh.

W. Park 17-6, Lowell 7-2
Playing one of the top teams in the O-K White, Lowell found the sledding a little bit on the rough side. The Vikings swept the Red Arrows in a Friday afternoon doubleheader.

In game one, W.J. Price went 3-for-3 with a triple and scored two runs, but his fine day at the plate was wasted as Park struck for five runs in the second and eight runs in the fourth as it coasted to a five inning, 10-run shortened game.

Another Red Arrow that made contact at the plate was Brian Ryder. The Arrow went 2-for-3 and had three RBIs.

Lowell scored twice in the second inning. Rogers' two runs came on a two-run homer by Ernie Woodard. Lowell tallied a run of its own in the bottom of the inning on a Summerfield double and an RBI single by Rivers.

Red Arrow Doreen Schneider fields the bunt cleanly and then throws to get the Rogers' batter at first. Rogers won the game 5-1.

O'Connor stopped the Arrows on two hits while walking four and striking out eight Lowell batters.

Lowell scored in the third and threatened in the sixth, marking the only two innings O'Connor showed signs of struggling and those were fleeting moments.

Lowell's run in the third came on a Megan Murphy leadoff walk. She was sacrificed to second by Ormiston and then scored on an RBI single by Tina Czarnopis.

Meanwhile Rogers tallied single runs in the first, third and seventh and tallied two runs in

the fifth.

The Golden Hawks scored five runs on nine hits in handing Schneider her first loss of the season.

Trailing 4-1 in the sixth, it looked as though Lowell might break through and have an inning against O'Connor. After Czarnopis struck out, Megan Kirby singled and Becky Whalen walked putting Arrow runners at first and second. LeAnn Iteen then sacrificed the runners to second and third. Then with two out, cleanup hitter Micky Denman came calling. Denman popped a pitch foul to the third

base side of the screen. Rogers' catcher Missy Hicky gave chase, diving head first into the fence she not only reached the ball but hung on for the catch.

"It was a super play by an all-conference catcher," Lowell coach Bob Rodenhouse said. **Lowell 7-6, W. Park 6-5**

For as disappointing as the loss to Rogers was earlier in the week, the sweep against Park, on the road, was as uplifting.

Both games came down to last at-bats, and lucky for Lowell both times it was the club crossing the plate with the winning run.

Sloppy play in the field accounted for six Lowell errors but making plays when needed and timely hitting pulled the Arrows through game one.

"We played lackadaisically, but made the play when we had to," Rodenhouse said.

An Angie Fonger two-run single in the second gave Lowell a 2-1 lead. The Red Arrows scored twice in the fourth and once in the fifth, grabbing a 5-2 lead.

The Vikings answered with four in the fifth, claiming a 6-5 advantage. A single run in the sixth by Lowell tied the score at 6-6, entering the seventh.

In the seventh, a Fonger sacrifice bunt scored Schneider from third with the winning run.

Schneider with the win improved her mark to 8-1 overall and 4-1 in the conference.

"Game two was possibly the most emotional game I've ever coached," Rodenhouse said.

The nightcap went 11 innings (Lowell winning 6-5) and had fans on the edge of their seats for most of it.

With the scored tied at five, Lowell won the game in the 11th inning on a leadoff walk to Kirby, who then stole second and came to third on an Iteen ground out.

Denman then hit a two strike, one ball bloop over the pitcher's head that fell harmlessly to the ground, scoring Kirby and securing a Lowell victory.

"It was a very emotional game for the girls to win," Rodenhouse said. "We did not play well in the first two innings but came back to win."

He continues, "It was a total team effort, the girls were down but did not give up."

Poor Arrow defense in the early innings gave Park an earned run in the second, cutting Lowell's lead to 2-1.

The Vikings took a 3-2 lead in the third on two walks a double and a sacrifice bunt.

An Arrow and three hits accounted for two more Park runs in the fourth, extending its lead to 5-2.

Lowell answered and got back to within one by scoring two runs of its own in the bottom half of the inning.

That, along with the pitching of Schneider in the final seven innings (game went 11 innings), helped spark Lowell to its comeback-behind win.

Lowell tied the score at 5-5 in the bottom of the seventh when Czarnopis walked, went to second on a sacrifice bunt. Pinch-runner Heather Ormiston then raced home with the tying run on a two-out triple by Iteen.

Park had the bases loaded in the 10th with one out. Schneider

then struck out the next two Viking batters to end the inning. The second hitter Schneider went 3-and-1 on the batter before striking out the Viking.

"Coming back from a 3-and-1 count shows a lot of maturity. Between the fifth and tenth innings Schneider sat down 15 straight Park hitters.

Her record is now 9-1 overall and 5-1 in the league. In the second game she struck out 11 and walked six.

Tournament Note: At the East Grand Rapids tourney Lowell lost all three of its games.

In the opener, Kentwood's Kerri Kuiper held Lowell to two hits as the Red Arrows fell 7-1. Becky Whalen and Kerry Zywicki got Lowell's only hits. Zywicki's triple in the fourth led to Lowell's only run.

In its second tourney game Lowell lost a close contest to South Christian 8-7.

South Christian shortstop Nikki Dykstra snared a line shot off the bat of Czarnopis in the top of the sixth to stop a Lowell rally. The fine defensive play came with the bases loaded and held Lowell to two runs in the inning, tying the game at 7-7.

However, a single, a sacrifice bunt, a ground out and a wild pitch scored the winning run for South Christian off of Schneider (in relief) in the bottom of the sixth.

The final game of the tournament against Otsego, saw Lowell fall 12-2.

Leading 5-1 going to the fifth, Otsego exploded for seven runs, ending the contest in a mercy shortened game.

Otsego scored the runs on five hits, two walks and an error. Denman and Iteen each tripled for the Arrows in the loss.

Lowell finished the week at 12-5 overall and 6-1 in the league.

Runciman students receive balloon launch response

Oh, sure, you say. What's the big deal about a balloon launch? All the schools have done them. Well, the kids at Runciman/Riverside believe theirs is just a bit different. Students and staff were pleased when cards began to trickle in from the eastern part of Michigan. Then some arrived from Western Ontario: Brights Grove, Guelph, even Niagara-on-the-Lake.

When one arrived on Monday morning addressed to Laurie Noall, third grade, people really became excited. Laurie's balloon had been found by a three year old girl at her family's cottage at Lamoiné (Bar Harbor), Maine.

But wait, there's more! A package arrived on Wednesday morn-

ing, addressed to "The Principal". A letter inside stated that Gina Gildner's (Headstart) balloon had been found on the beach at Port Howe, Nova Scotia. This is across Northumberland Strait from Prince Edward Island. Also, in the box were a number of items that had been donated by various townspeople: a new Canadian dollar, a Canadian dime, a coloring book, a reading book, a postcard, crayons, a puzzle, a map, and miscellaneous items from the town.

And, the amazing thing is both the balloon found in Maine and Nova Scotia were found the day after the balloons were launched. Would you believe!

Clutching a map of Nova Scotia is Gina Gildner. Her balloon was returned by Sandra Sarson.

Tennis team struggles with top foes

The Lowell netters lost two conference matches to league powers East Grand Rapids and Northview. Out of the league the Red Arrows fell to Grand Rapids Union.

"Our effort is still there, but we can't seem to eliminate the same errors," Lowell coach Terry Abel said.

EGR 7, Lowell 0
"Our young team was never in the match against the state-ranked Pioneers," Abel said. EGR swept all the singles and doubles matches. In singles action Steve Simkins lost 1-6, 1-6; Ken Mulder

fell 0-6, 0-6; Aaron Ebling came up short 0-6, 0-6; and Gregg Gruizenga was defeated 0-6, 1-6.

Lowell doubles partners Mike Lindhout and Erik Kelley lost 0-6, 0-6. Brad Briggs and Randy Wieland lost 0-6, 1-6 and third doubles Dave Kniola and Aaron Corcoran fell 0-6, 1-6.

"All of the EGR players are tournament tough and excellent tennis players," Abel said. Northview 6, Lowell 1

The Red Arrows fortune against Northview wasn't much better, but Lowell did manage to score.

Ebling provided the one bright moment by defeating Northview's Doug Ryan 3-6, 7-6, 6-4.

Number one singles Simkins lost in straight sets 1-6, 2-6. Second singles Mulder fell 1-6, 0-6; and fourth singles Gruizenga was defeated 0-6, 0-6.

Red Arrow doubles teams were shut out. White and Kelley fell 2-6, 1-6. Lindhout and Wieland fell 0-6, 0-6. Briggs and Kniola were 1-6, 4-6 victims.

"Northview was simply too good of a team for us," Abel said. "Senior co-captain Ebling played two consistent sets in a comeback three-set win at third singles."

G.R. Union 5, Lowell 2
Lowell's first and third doubles team accounted for the Red Arrow's two points.

"This was a match we felt we

could win, but we fell short," Abel said. "We had close matches at one and two singles, but lost and that was the difference."

Doubles winners for Lowell were White and Kelley, winning 6-4, 5-7, 6-3. "That was their first win as a team," Abel said. Third doubles Briggs and Kniola won in three sets, 6-4, 0-6, 7-6. "They also won their first match as a team in limited play," Abel said.

Other scores included: Singles, Simkins losing 7-5, 3-6, 3-6; Mulder falling 6-3, 2-6, 4-6; Ebling was defeated 4-6, 1-6; and Gruizenga lost 5-7, 1-6.

Second doubles partners Lindhout and Shinabarger lost in straight sets 2-6, 4-6.

Invitational Note:
Lowell finished tied with Caledonia with five points.

They were scored like this: Ken Mulder won two matches at second singles to finish third and scored two points.

Freshman Steve Simkins won his third match and scored one point.

Senior co-captain Aaron Ebling won his third match and also tallied a team point.

First team doubles of Erik Kelley and Jason White won their opening match, but lost the final two matches in scoring a point.

"Overall I think everyone gained by playing in the tournament," Abel said.

Wrestlers place in tourney

Three local boys from the Lowell Freestyle Wrestling Club placed in the Cadet State Wrestling Tournament recently.

Sean Wheeler, Mike Foss and

Todd Swanson all placed in the tournament held at Owosso.

Wheeler and Foss each earned a first, while Swanson gained a fourth place.

Therapist, Young honored

Deborah K. Young was presented the Marion R. Spear Award at a banquet held at Holly's Landing in Kalamazoo, April 22nd.

This award was established in honor of the founder of the Kalamazoo School of Occupational Therapy and first director of the occupational therapy curriculum at Western Michigan University. This is the W.M.U. Occupational Therapy Department most prestigious award. It is awarded annually to an outstanding senior who gives prom-

ise of being a superior occupational therapist.

Deborah graduated with an Associate's Degree from Kellogg Community College with a 4.00 G.P.A. Then she transferred to the occupational therapy program as a junior. She has been on the Dean's List and received a W.M.U. Academic Scholarship all semesters. She also received the Evelyn Underwood Rogers Scholarship of Merit for O.T. seniors.

Deborah is scheduled to do her internship at Bronson Methodist

Hospital this summer and at Ann J. Kellogg School System (Battle Creek) this fall. She will graduate from W.M.U., 1988, Summa Cum Laude.

Deborah and her husband, Jack Young live in Battle Creek. They are the parents of five daughters. Her parents are John and Barbara Vos and her grandparents are Arvil and Thelma Heilman, all of Lowell.

Two-thirds of Michigan's industrial employers consider our state's job-seeking public high school graduates ill-prepared for the world of work. In a recent survey of its members conducted by the Michigan Manufacturers Association (MMA), 68 percent

rated the graduates' abilities as fair or poor and gave only 2 percent of the applicants excellent marks for educational preparedness.

Survey participants were also asked to rank items they felt were necessary to improve Michigan's educational system. A mandated core curriculum rated highest among manufacturers, while more state and local funding ranked last. Also at the top of the list were higher standards for graduation, and holding teachers more accountable for students' progress.

Michigan manufacturers, who pay their employees far above minimum wage, made it very clear that the last thing they want to do is spend more money on a system which is turning out an average to below-average product. The business community will support an increase in dollars for education if assurances can be given that the money is truly needed to improve the quality of our system - dollars which will benefit students, not the educational establishment itself.

Photo restorer speaks to WCMHS

In its regular meeting on Tuesday, May 17 at 7 p.m., the West Central Michigan Historical Society will gather at the Bailey's in Fallasburg (look for the three red barns). Plans will be made for the house and barns, which the society has just purchased with the intent of restoring the buildings and opening them to the public as a museum of farming and stagecoach travel in the 1840's and 1850's.

The society will welcome a well-known area photo restorer from Saranac as speaker of the evening.

Rose Summers, owner of Restorations by Rose, has recently become recognized as one of the busiest Photo Color Artists in Western Michigan.

Rose has been in the business of photographic art and restoration for 12 years, and has studied art for 20 years. Her artwork has been accepted to hang at state and national exhibitions for the Professional Photographers, has been chosen as Best of Show, and has written articles for a professional artists' magazine. Working for professional and amateur photographers as well as the public, her art work, programs and art lessons have been well attended.

In July, Rose will once again teach an art class at the Summer Weekend of Photography for the Southwestern Michigan Council of Camera Clubs. She is also an active member of the Professional Photographers of Michigan, The Professional Photographers of Western Michigan, and the American Professional Artists Guild.

Guests are welcome to attend this meeting.

Members and friends who have volunteered to serve at the museum during May and June are Eunice VanderVeen, Ray and Ida Onan, Jo Willard, Gladys Thelen, Dorothy Randall, Evelyn Tichelaar, Evelyn Briggs, Connie Odell and Olive Bieri. They will be pointing out a new exhibit, "Blue Monday and Tuesday", or how laundry was done in the mid-1800's.
