## Showboat talent show, Friday, May 18

The Lowell Showboat Talent Search '90 this Friday, May 18, will narrow down 30 acts to the nine that will appear on the deck of the Robert E. Lee on Showboat nights, June 19, 20 and 21.

The 30 acts that were chosen from the initial 45 acts at the Search '90 auditions held in April, will participate in Talent '90 at 7 p.m. to determine the final nine acts that will appear on Showboat. The Showboat will feature three amateur acts each night.

Lowell Showboat Talent Search Chairman, Nancy Raymor said, "I think it will make for an exciting Talent Search '90."

The 30 acts that were chosen to participate Friday night include nearly a half dozen home grown acts. The team of Kristen Ford and Erin Webber, Gena Buhler, the Robert E. Lee dance group of Bethany Webber and Sean Precious, all from the Pam

"A Hard Knocks Life" performed at the Lowell Showboat last year. This year nine acts will be chosen to appear on the Robert E. Lee center stage. The acts will be chosen this Friday, May 18 at Talent Search '90 at the Lowell Amphitheatre or the Middle School gym in case of rain.

Vroman Dance School in Saranac. Becky Raymor will be performing a baton routine and Alicia Harris will be performing a vocal selection.

The public is encouraged to attend the Talent Search '90 Program on Friday and cheer on their favorite. The cost is \$3 for adults; \$2 for

children under 12 and children under six are free.

Come on out and support your Showboat and local talents.

## Light-hearted Lock-Up activity aims to put Cancer behind bars

The American Cancer Society volunteers need your help! There are five jailsites in Kent County that need to be filled to capacity in order to help arrest the growth of CANCER.

The Great American Lock-Up is a light-hearted activity aimed at putting an end to a very serious disease. "Arrestees" raise money by calling friends to "bail" them out! Jailsites are located in Grandville, Wyoming, downtown Grand Rapids and the jailsite in Lowell is located at the Ridgeview Plaza between Lowelectronics and the R-Place Restaurant.

Anyone can be arrested! The more, the merrier! To lock your BOSS, YOUR SECRETARY, YOUR SUPERVISOR, YOUR GODFATHER, OR EVEN THE OLD BALL AND CHAIN...simply call Lock-Up Central at the American Cancer Society, Kent County

Unit, 364-6121.

Give the Cancer Society the name and location of the person you wish to have "locked-up" and they will come and "arrest" that person and take them before a "judge". The "judge", a local resident, will then set "bail" for that person. It is then the responsibility of the "Arrestee" to solicit help from his friends, family, etc. to raise that "bail".

All proceeds go to the American Cancer Society. Because of the support given to the American Cancer Society, research and education has advanced to the degree that patients aren't always given the death-sentence when diagnosed with Cancer.

Please support The Great American Lock-Up. Help us put Cancer behind bars for good! This event runs from Tuesday, May 15 through Thursday, May 17.

## AMERICAN LOCKUP!

## Help - Send \$\$\$

Gerald "Jerry" Patton was the first person locked up Tuesday morning in the American Cancer Society's "Great American Lockup". Patton's employees at the Patton-JRB Agency had him put away with bail set at \$1,000. The fundraiser continues thru Thursday. The jail is located at next to Radio Shack in the Ridgeview Shopping Center.

## Lowell man killed in two-car crash Saturday

Alcohol may have been a factor in a fatal crash here Saturday. Two vehicles collided head-on at about 4:30 p.m. on Bennett Road northwest of Lowell. The collision occurred at the crest of a hill about one half mile east of Cumberland Ave.

The driver of one vehicle, 20 year old Corwin Doran of 5462 Dunn Ave. (Grattan area), was pronounced dead at the scene by Kent County Medical Examiner Stephen Kohle. Doran and a passenger, Sheila Williams, 18, of 1801 Cumberland Ave., Lowell were traveling along the rural road when a pickup truck crossed the centerline and collided with Doran's vehicle. The identity of the pickup's driver and his passenger is being withheld by the Kent County Sheriff's Department pending possible criminal charges. The driver of the pickup is from Lowell.

His passenger is reported to be a brother who resides in Nevada.

Following the crash Williams climbed out of the wrecked older model Oldsmobile and ran to a nearby home for help. It was reported that the homeowner wouldn't let Williams in because she was covered with blood, but did call police. Williams and the two men in the pickup were transported to Butterworth Hospital. Williams was treated and released. A condition report on the unidentified men was unavailable, however the driver was suspected of having a broken back while his passenger suffered only from cuts and bruises. None of the people involved was wearing a seatbelt.

Lowell Police and Lowell Rescue personnel responded and assisted at the scene.

Tempera is a painting medium that uses the yolks and whites of eggs, water and dry powder pigments.

All sorts of amateur talents are welcome including song, dance, poetry, art work and other shenanigans. Anyone wishing to register for the show should call the church at 642-6322. Popcorn and pop will be available on the grounds. The show is presented on the outdoor porch. Guests are encouraged to bring lawn chairs and blankets. The Sunday School year will be coming to a close on the same day with promotion Sunday in recognition occurring at the morning worship at 10 a.m.

## Homespun Devotions

By Pauline Spray

Philip saith unto him, Come and see (John 1:46). If we live with creative faith, we find that good often comes from the most unexpected sources. We find blessings where we least expect to find them. The most unassuming task brings the greatest reward; the uninvited guest, the most pleasurable and rewarding fellowship. Sometimes we discover new friendships with those we assumed to be the most unlikely prospects. Philip found Christ. He ran quickly to tell his friend, Nathanael. "Can there any good thing come out of Nazareth?" Nathanael asked, doubting. But at Philip's insistence he followed and also found Christ, the giver of peace and joy, and Nathanael became His disciple. It pays to take advantage of opportunities as they come. They may lead to joy and satisfaction. Like Nathanael, we often receive blessings from the most unexpected sources and in the most unlikely places. Prayer: Heavenly Father, Thou hast prepared many blessings for Thy children. Remind me not to shun responsibilities nor opportunities for service. I forfeit unexpected blessings. Grant that I shall always live with creative faith. Amen.

# Viewpoint . . .

I was out and about Monday morning taking photos and conducting brief interviews for our weekly "Town Talk" column. This is not usually my job, but since the guy who normally does it is off on vacation, I got stuck with that little task, among others. Yup, the "Vacation Boy" is the same guy who just two weeks ago jabbed me in his column or being gone all the time. Of course I would never dream of doing anything in retaliation, like publicly scolding him in a newspaper column. I just hope that lazy, hedonistic, goldbricker, globe-trotting, gone-more-than-he's-here editor of mine is ready to go to work when he gets back from vacation! Pardon the side track. While taking these photos for "Town Talk" I came to the end of my roll of film. This was no big deal, as I had another roll in my camera bag. I hit the rewind

button on this newfangled auto-everything camera we use around here, and the little motor inside dutifully began re-winding the roll. After awhile the motor noise stopped, and I opened the back of the camera. AWWWWWWK! Egads! Oh No! Heaven forbid! Why me! The film wasn't fully rewound. The batteries had given up the ghost. I slammed the camera closed again. I thought things sounded a little bit funny, and I sorta, kinda didn't think it had rewound long enough, but I had opened the camera anyway. Once the initial shock was over, I put on my thinking cap. I could take it back to the Ledger and open it in the darkroom. Naw, it'd be easier to buy some fresh batteries and finish the rewinding. Isn't it nice that my deductive powers kicked in after the damage was done? I think this is the kind of thing the guy was talking about when he made up that little ditty about bolting the barn door after the horses were gone. Getting the film out was easy enough, now for a damage analysis. Since I only had the camera back open for a fraction of a second, I figured I had likely ruined only three or four frames. On the lengthy roll were some softball and baseball photos. There were some Jaycees painting the YMCA. There was a group of dignitaries dedicating the new barbecue grills at Creekside Park and four or five people for "Town Talk". I prayed to Father Kodak, Patron Saint of photo journalists

everywhere, "please, please don't let the photo of the dignitaries dedicating those grills at the park be ruined". I had lots of baseball and softball photos, and more on another roll. The picture of the Jaycees could be retaken, as they plan to finish the job next weekend. The "Town Talk" folks could be tracked down and shot again (sounds grisly, doesn't it?), or I could get new ones. The grill dedication was the only one that was really important. Of course all you readers and that "Murphy" guy know, as Paul Harvey would say, "the rest of the story". I had taken three shots of the dignitaries who had rolled out of bed early on a Saturday morning for the ceremony. The open camera back exposed the tail end of a frame of some softball action, two full frames of the dignitaries and about two thirds of the last frame. The only thing left of the photo was the right end of a grill and two or three of the dignitaries. I thought about using that portion of the photo, but figured the mayor and the rest of the folks might feel a little, "left out". . . so to speak. If those #/√\*% × 30 ± . . . × batteries had been just a tad bit stronger or weaker. There I go blaming this fiasco on something as innocent and inanimate as our "AAA" nicade batteries. I know deep down whose fault it was. I might as well be a man about it and point the finger of guilt in the right place. It was Kraus' fault for going on vacation!

WPA Open House Week here features a visiting day at the sewing center where 14 women sew garments for needy persons, and a free concert by a 50-piece symphony orchestra from Grand Rapids. The State Highway Department has been taking river soundings around the Main Street bridge in preparation for building a new one "in the not very distant future." Germany invades Belgium and the Netherlands, and British Prime Minister Neville Chamberlain resigns. **25 YEARS AGO IN THE LEDGER - MAY 13, 1965**  
The school board approves a budget of almost 800 thousand dollars, up \$50,000 from last year. Librarian Thelma Hahn will be retiring. The Ionia National Guard will have a simulated anti-guerrilla exercise in the Lowell area Saturday evening. A horse running across M-21 at Saranac tries to leap over Joann Kinner's car, lands on it, but Ms. Kinner is not hurt. ### A PHENOMENON OF LIFE

How dramatic Nature has to be to force us to even think about beauty -- the outdoor kind that surrounds us in every season. We barely notice what's going on in nature until we hear its emotional voice, feel its weathered touch, whiff its new fragrance or taste its in-season fruit. Nature crowds us for attention, but we are so busy going from car to car, building to building, house to house that we miss much of the beauty and the lessons that were intended for us to learn. And what we don't learn, we can't pass on to our children, and grandchildren and acquaintances. Something is missed, and often we really don't understand what it is. We just haven't paid attention; we have lost something. "Look, look over there and oh, my--over there--the dogwood trees are so beautiful, Joan." My friend could hardly contain herself, jumping verbally from one scene to another. Their white leaves teasingly beckoned to us from the woods as we drove slowly down the dirt roads. Amazement settled upon us as we kept driving and pointing out our finds. We had forgotten the joy of seeing such newness. In a little cave-like building in Benzonia, Michigan, there is a shop that attracts tourists and old friends to the works of Gwen Frostic. She is a poet, an artist, and ecologist and perhaps other things I know nothing about. But to me - she is amazing and lovely in her simplicity as she shares her talents in printed form. There is always a quiet sense of awe left in me when I read her works. I hope to revisit her shop this summer, but until then, her books entice me to take the time not only to read but to go outside, and take a deep breath and remember.

## KRAUSE at the HOUSE

A recent Michigan Department of Public Health study reports the number of AIDS cases in the state for 1989 rose 16 percent from the previous year. In 1989, 510 new cases of the disease were reported, up from 438 cases in 1988. The disease made its deepest inroads among blacks, women and people between the ages of 40 and 49. As of April 1, Michigan had recorded 1,587 cases of Acquired Immune Deficiency Syndrome since 1981, when the disease first was recognized. AIDS is an incurable, fatal disease caused by the human immunodeficiency virus (HIV), which eventually cripples the body's natural defenses against other diseases. Public health officials say the rising cases highlight the need to maintain and expand education and prevention efforts, along with support services for those with the disease.

"These Things Are Ours" is the challenging book call to know that "God creates within our soul a mystic sense of wonder" and that we are to participate in it. Come with me and listen to what she has to say to us on the day the leaves came out. "High in the sunlit treetops little warblers--finches and tanagers flitted about--showing flashes of crimson--yellows and greens -- blues--and greys--Mushrooms rose for the dampness of last year's leaves--and here and there a dead tree stood--majestic among all the new growth-- the day the leaves came out-- Not one by one--but spontaneously they seemed to break their casings--and tiny leaves completely formed hung from all the branches--the beech were green--the maples copper-- the birch showed tints of yellow-- and soon the woods stood shimmering--a delicate fantasy ---the wind was still the air was warm a great phenomenon of life took place the day the leaves came out.....

the hearing of an elephant is about as acute as that of a cat. Both animals can hear sounds as soft as the footsteps of a mouse.

## Lowell's Briggs wins two national scholarships

Competing against more than 12,000 students from throughout the United States, Brad Briggs, a Lowell High School senior, son of Howard and Barb Briggs of Lowell, has won a National Honor Society scholarship, sponsored

leadership, scholastic achievement, character and service. Nominees submitted a form outlining their participation in school organizations, clubs, academic accomplishments, employment

Honor Society, and represented his class on the School Improvement Team. He plans to attend the University of Michigan in the fall.

The State Board of Education has also announced that Briggs is one of 200 outstanding Michigan high school June graduates who will receive a \$1,500 college-of-their-choice scholarship.

The State Board said each high school principal in the state nominates an outstanding graduating senior based on high school academic achievement and test scores. Each scholarship recipient may use the Byrd Scholarship at the college of his or her choice. It is not renewable. The selection of scholarship recipients is coordinated with the Academic All-State Team Program, which is administered by the Michigan Association of Secondary School Principals, in cooperation with the Detroit Free Press.

An awards ceremony will take place on June 4 at Holly's Bistro at the Muskegon Holiday Inn with Congressional and state officials expected to participate. The ceremony begins at 12 noon.

## Rent visits Phillip's

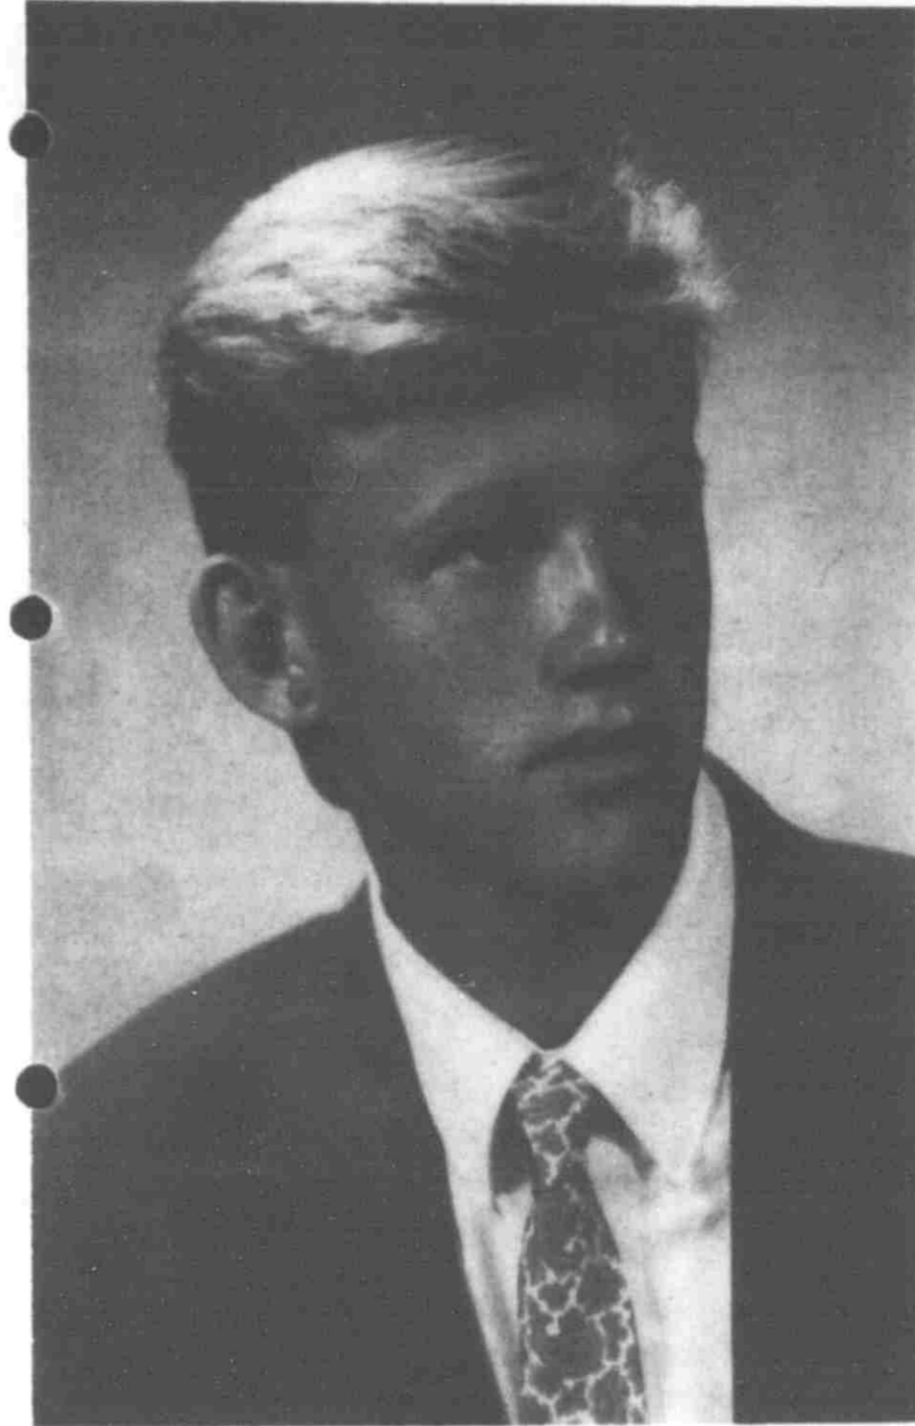

Phillip's Garden Center at the west edge of Lowell was a busy, busy place Saturday morning. A WCUX live remote broadcast featuring Andy Rent was in progress as throngs of people swarmed over the premises buying spring plantings and flowers for Mother's Day. Rent is shown here interviewing owner Ross Phillips. Kids were offered balloons and free lemonade while adults enjoyed complimentary coffee and donuts. Six year old Alecia Daggett of Lowell was the lucky winner of a 36 sq. ft. sand box given away as a door prize. The sand box was provided by Phillips Garden Center and Dirt Cheap Excavating.

## Stencel recognized by Ferris for academics

Diane G. Stencel, daughter of John and Virginia Stencel of Lowell was honored at the Academic Honors Convocation held Sunday, May 6 at Ferris State University, Big Rapids.

To qualify for recognition, Stencel completed a minimum of twelve credit hours for the Spring quarter 1989, Fall quarter 1989, and the Winter quarter 1989-90, with at least a 3.6 grade point

average on a 4.0 scale. The Convocation is the single largest recognition for academic excellence at FSU. Honorees were presented certificates of achievement and honor pins by their academic deans. Following the convocation, the Academic Honors Convocation Committee, comprised of FSU faculty members, hosted a reception for the honorees and their guests.

Bradley Briggs

by the National Association of Secondary School Principals (NASSP) and the L.G. Balfour Foundation.

Jim DeWeerd, principal of Lowell High School, announced the award, which includes a \$1,000 college scholarship. Three hundred fifty National Honor Society winners were announced by the NASSP. Briggs is the third LHS student in as many years to win the coveted scholarship.

Each high school NHS chapter could nominate two senior students based on their

experience and community service.

"Briggs has demonstrated outstanding ability in his academic work and service to his school and community," said Dr. Timothy J. Dyer, executive director, NASSP. "He's a fine example of the outstanding calibre of young people in America's high schools."

While at Lowell, Briggs, a valedictorian of the 1990 graduating class, was co-captain of the soccer team, vice-president of the National

## Doyle completes service training update

Charles R. Doyle, Postmaster of the Lowell Post Office, was among fifteen local Grand Rapids Area Selective Service board members to recently complete their annual update training program for the Selective Service Area Office. This training consisted of approximately four hours of instruction which included a refresher course on Selective Service System classification procedures, a review of the Board Member Handbook and mock case files with simulated registrant personal appearances before the local board.

Although Selective Service System boards are in an inactive status, they would be responsible for deciding claims for certain classifications such as conscientious objection, hardship, and religious ministry should a draft be reinstated.

This training ensures that the 54,018 men registered with Selective Service from the counties included in the Grand Rapids Area Office receive a fair and effective classification process by trained and objective individuals should the need for such a system arise.

Young men must register within 30 days of their 18th birthday at a local post office.

## CITY OF LOWELL PUBLIC NOTICE

### PUBLIC HEARING

The Lowell City Council will conduct a public hearing at its regularly scheduled meeting of May 21, 1990 at 7:30 p.m. at the Lowell City Hall, 301 E. Main, Lowell, Michigan.

The purpose of said hearing will be to receive comments on the following:

City Operating Budget for 1990-91. The document outlines proposed revenues and expenditures for the coming fiscal year. The General Fund has a total of \$1.51 million in proposed expenditures. All funds together amount to \$3.4 million.

A copy of the proposed 1990-91 Budget is available for public inspection during normal business hours (8 a.m. to 5 p.m. Monday through Friday) at City Hall.

Interested persons may submit written comments prior to the meeting or appear in person at City Hall.

# MYSTERY FARM?

CAN YOU IDENTIFY THIS MYSTERY FARM?

This aerial photograph was taken especially for the Lowell Ledger and is part of a series of Kent County farms.

No one knows whose farm the aerial photographer snapped, so it's up to you, our readers, to identify the mystery farm each week.

If you can identify this mystery farm...merely fill out the entry blank below with your answer, name and address and mail or drop off at the Lowell Ledger, P.O. Box 128, Lowell, MI 49331.

The name of the person correctly identifying this farm will be put in a drawing to be held on Monday, May 21, at noon for a **FREE DINNER FOR TWO** (excluding drinks) at Sneakers in downtown Lowell, a free car wash at Lowell Auto Wash and a free subscription to the Ledger.

The owner of each week's Mystery Farm will receive **ABSOLUTELY FREE**, a 4x5 color photo of the farm merely by claiming it at the Lowell Ledger office by the following Wednesday noon.

Mystery Farm No. 7

Answer: \_\_\_\_\_  
 My Name \_\_\_\_\_  
 My Address \_\_\_\_\_  
 My Phone \_\_\_\_\_

In the sixth week of the Lowell Ledger Mystery Farm, there were sixteen responses. All but one were correct. You're doing better. Try your luck this week with Mystery Farm No. 7. It should be noted, that when identifying a farm, the first and last name should be used. Thanks for your cooperation.

# Red Arrows show heart in come-from-behind victories

The Red Arrows girls' softball team rallied twice in the top of the seventh with two outs to pull victory from a 1-0 deficit in two games this week.

On Monday at Sparta Jennifer Murphy lined a hit to centerfield, which the centerfielder misplayed, allowing Murphy to go all the way to third. Murphy then stole home on the second pitch to cleanup hitter, Kathy VanBelkum for the winning run. Stacy Mulder then set the Spartans down in order in the seventh to give the Arrows a come-from-behind victory.

Lowell's Jennifer Murphy receives a rousing cheer from her teammates as she crosses home plate in action against Wyoming Park.

On Friday, trailing 4-3 with two outs, Senior Heather Ormiston coaxed a walk with no one on base to give the Red Arrows life. She then stole second and came home on Murphy's swinging bunt. Heads up base running allowed her to score as the throw eluded the first baseman from FHC. Murphy was then wild pitched to third and strolled home on VanBelkum's line shot up the middle. Forest Hills tied the score in the bottom of the seventh, but Lowell scored three runs in the eighth for the victory.

"It was heads up play by seniors when we needed it," stated Coach Bob Rodenhouse of the two plays. "You expect seniors to come through in the clutch. Murphy's steal of home and Ormiston's base running with VanBelkum's clutch hit is what you expect of seasoned ball players. It makes you feel good all over."

Against the Spartans on Monday, Lowell trailed 3-0 going into the fifth. Sparta collected all four of their hits in the third inning, sandwiched with two walks, to take a 3-0 lead. Lowell tallied one in the fifth as Elisa Peel scored on a pass ball. Murphy and VanBelkum each scored in the sixth as Heather Peckham knocked in Murphy and VanBelkum scored on an error. That set up the steal of home in the seventh. Junior Stacy Mulder set the Spartans down in order after the third, not allowing a base runner. She struck out nine and walked four. "Stacy Mulder is becoming a fine pitcher," stated Rodenhouse.

On Wednesday Lowell defeated Wyoming Park 6-1. Mulder allowed only one base runner after the first inning. She retired 19 of the last 20 hitters, allowing only a walk in the third. She gave up only two hits for the game, both coming in the first inning. "Mulder was in complete control today. She had great location and her change up was working," commented Rodenhouse. "In her last two starts Stacy threw very well. I am very pleased with her progress this year. She worked hard during the off-season and now it is paying off. I am very happy for her."

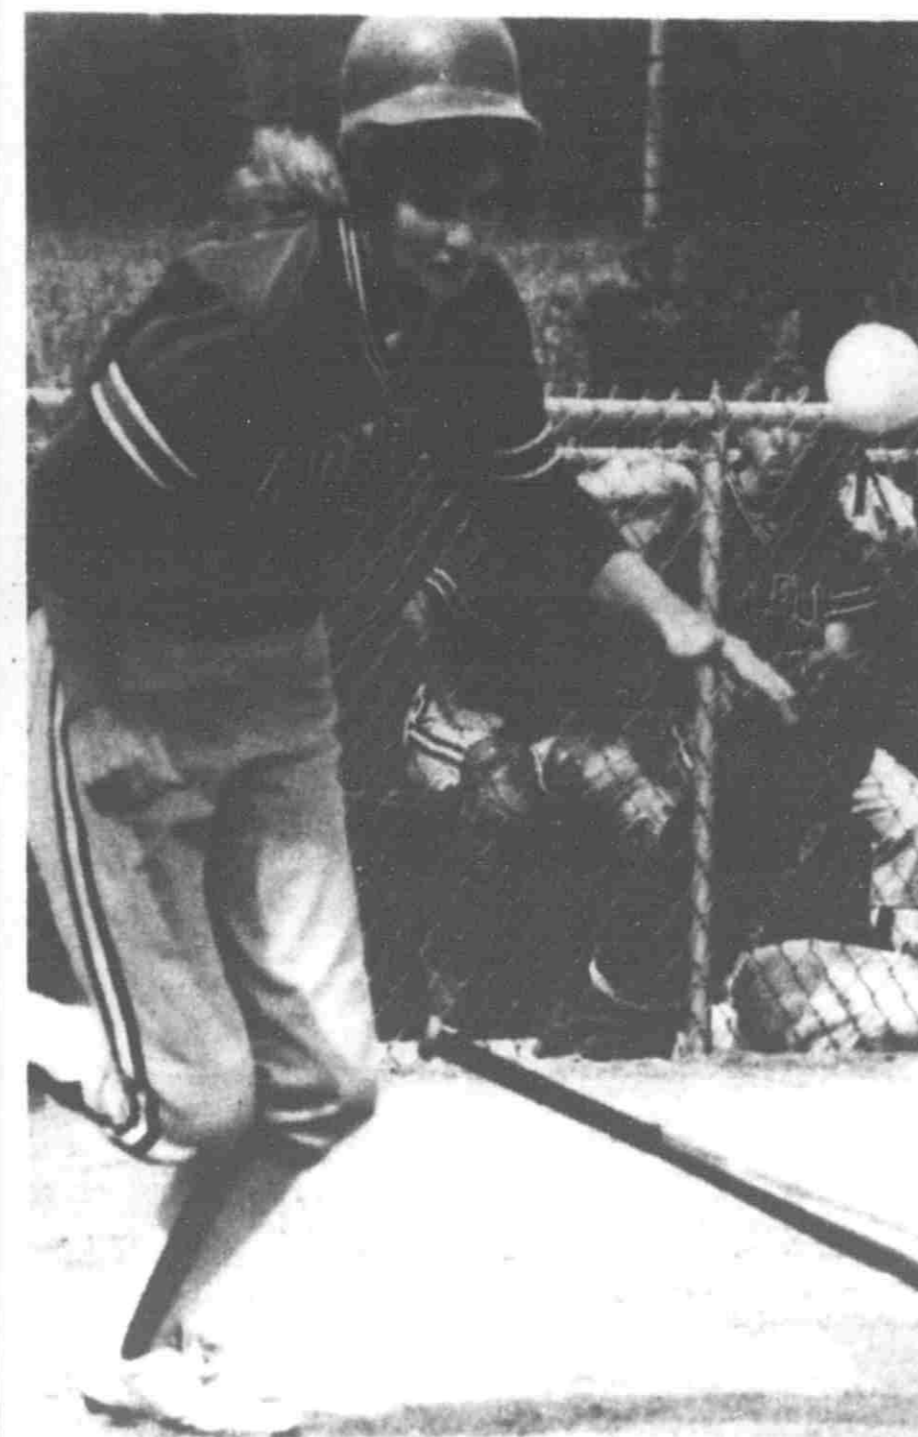

Lowell scored two runs in the second on Vicki Videan's base loaded walk, and Sherene Ward's single. Elisa Peel drove home VanBelkum in the third. In the fourth two Park errors gave the Red Arrows three more runs as the Arrows went up 6-1. The Red Arrows then played solid defense as Mulder took command.

On Friday Lowell split with Forest Hills Central, losing the opener 6-4 but winning the nightcap 8-5. In game one Lowell found themselves trailing 3-0 after the first three hitters batted. A walk, error and Kassi Hulliberger's trip gave FHC a 3-0 lead. Hulliberger scored as the cut off throw sailed out of bounds. FHC picked up one more in the second and two more in the fifth. "Mulder allowed only five hits against a good hitting team, but did not look as sharp as

# Lowell boys finish 4th; girls place 2nd in league meet

The Red Arrows girls' track team put forth a gallant effort in the O-K White Conference meet as it scored 100 points or more for the second year in a row. However, the Red Arrows have had the unfortunate luck of having to compete with the Vikings from Wyoming Park each of the two years.

Bob Adams kicks it into high in the last leg of the mile relay.

Park, whose program over the last two years has been as strong as anyone in the West Michigan area, placed first with 132 points. "Knowing how strong Park is, our girls performed like champions," Lowell coach Kathy Talus said. "The effort and determination of the girls was incredible."

Heather Gowen put in her usual fine performance, capturing first place in three events. She had a time of 12.9 in the 100-dash and stopped the clock at 26.8 in the 200 meter. Gowen also teamed with Tonya Stepek, Angie Arnett, and Karen Bussler in the 800 relay to win an exciting race with a time of 1:48.9.

Hillari Kirsch turned in personal bests in two events, breaking two school records. She placed third in the 1600 run, coming home in 5:30.8. Kirsch placed third in the 3200 with a time of 11:59.8.

Tera Kropf earned O-K White Conference honors with a winning toss of 105-10. She also placed third in the shot put with a throw of 33-6. Yvette Ferguson was second with a distance of 34-3.

Rounding out the field events were Angela Groen in the long jump, she finished fourth at 15-2 1/2. Bussler was sixth at 14-9. In the high jump, Carrie Thomet placed fourth with a jump of 5-0.

The 3200 relay team consisting of Kris Kniola, Vanessa Heukels, Christi Pouchaud and Kirsch placed fifth with a time of 10:20.0. Arnett was fourth in the high hurdles at 17-4. Gowen, Bussler, and Stepek placed first, fifth, and sixth respectively in the 100 dash.

The Red Arrow 400 relay team (Stepek, Groen, Carrie Thomet and Bussler) took fourth, coming home in a time of 52.7.

Kris Kniola stopped the clock in 63.0 to finish fourth in the 400 run.

In the 300 low hurdles, Arnett placed fourth at 51.3 while Jessi Stone placed fifth in 51.8. Stepek took sixth in the 200 run as she finished in 27.8.

Stone, Arnett, Kniola and Christin combined efforts in the 1600 relay for a fifth-place finish. Lowell will try for its second consecutive regional championship at Sparta on Friday.

Lowell scored two in the first and one in the third. Forest Hills scored two in the second and one in the third and fourth, to lead 4-3 going into the seventh. It looked like the Red Arrows would suffer their second loss of the day, but then the seniors came through in the clutch. "Ormiston and Murphy are three year Varsity players and it sure is nice to have people like that. I thought VanBelkum's at bat was her best at bat all year long. She fouled a couple of pitches then lined a 2-2 count up the middle" said Rodenhouse. Forest Hills came back, Tonya Carlson tripped over the head of Sherene Ward and Rodenhouse then relieved Martin in favor of Mulder. "She told me she was tired and Stacy was ready" said Rodenhouse. Mulder walked the next hitter, but got Jill Wenner to pop up for the first out. Erin McLoskey then

brought home Ward. Mulder then shut down the Rangers in order in the eighth for the come-from-behind victory. The Red Arrows now stand at 11-11 overall and 5-4 in league play.

## NOTICE TO KINDERGARTEN PARENTS

As you may recall from our meetings when we first decided to go to an all day/alternate day kindergarten, we were very concerned about seeing that both the "A" and "B" sections received an equal number of days of school. In fact, we promised you that if there was a need to make-up any days, we would do that toward the end of the school year. Well, here we are at the end of the school year, and we need to make an adjustment. Here's how it will work.

Our school district has scheduled a total of 181 days of instruction. For Kindergarten this means that the "A" group was scheduled for "91 days" and the "B" group for "90 days". During the course of the school year, we had two snow days, both of which came on "B" group days. This means that the "B" group is now short three days of instruction.

We intend to make this up by taking Friday, May 18, from the "A" schedule and adding it to the "B" schedule. This will mean that during the week of May 14 to 18, the "A" group will go to school on "Monday" and "Wednesday". The "B" group will go to school on "Tuesday", "Thursday", and "Friday". The remainder of May's schedule will not change. Both groups will now be as close to equal as we can possibly get.

Please make this change on your calendar. If you have any questions, please give the school office a call.

# Red Arrow baseball team posts a 1-3 record against O-K foes

The Lowell baseball team's record fell to 6-10 this past week as it went 1-3 in league play. The Red Arrows opened the week with a 20-4 demolition of Sparta. Lowell pounded out 16 hits. Ryan Holtz and Dave Oranek each had three hits, scored three runs and tallied two RBIs apiece to pace Lowell.

Toby Alderink and Kirby Carpenter also collected two hits and scored and knocked in three runs apiece. Mike Gahan was the winning pitcher as he allowed three runs on three hits while walking six and striking out six.

On Wednesday, Lowell was shutout by Wyoming Park, 4-0. Ryan Malcolm and Steve Malone combined to allow a tough Park club just five hits, but the Vikings were able to put a string of hits together for two runs in the first inning.

Parks' Les Williamson allowed Lowell just five hits. David Stencil had two and Oranek had the only extra base hit with a double.

On Friday, the Red Arrows were shutout again, this time by Forest Hills Central pitcher, Craig Seeber. He allowed just one Lowell hit. Seeber improved his record to 7-0 with an earned run average of 0.42.

Lowell's only hit came off the bat of Pete Gerkin in the fourth inning.

"Gahan pitched a super game against an explosive Ranger attack," Lowell coach Kris Kropf said.

Lowell's boys finished fourth in the O-K White Conference meet held on Friday and Monday.

Goggins finished second in the 200 meter behind Kortowski from Northview, a surprise winner. Lowell's Smith was fifth.

"Things went pretty much as planned in most races," Boeve said. "The 400 relay team being disqualified for an improper exchange could have really been a let down, but the kids hung together and did a super job."

Other individuals to place included Dennis Wissman with a fifth in the discus; Knoop, was sixth in the high jump with a height of 6-0; Saboo, Jared Blough and John Kohler tied for sixth in the pole vault.

"We had a lot of young kids running in the fast heats, and even though they may not have placed, they gained experience which can only make them better," Boeve said. "Guys like Doug Beimers, James Manion, Chad Christin, John Cross and Aaron Stencil ran what we call the 'big boys' and their future looks good."

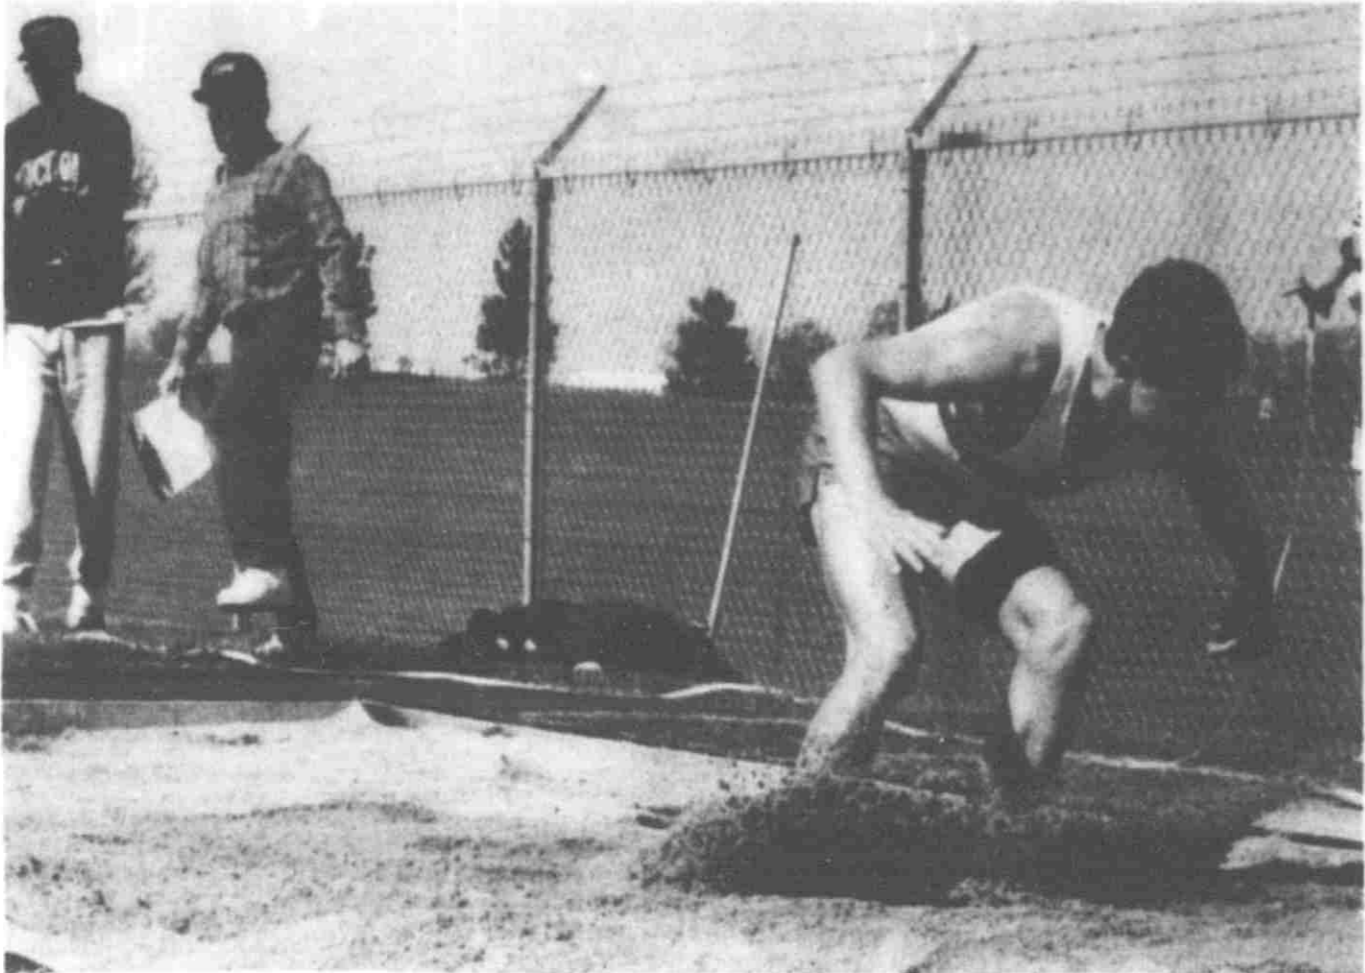

Boeve added that now the Red Arrow boys will set its sights on state qualification through the regionals at Sparta on Friday.

Red Arrow batters had a tough time scoring runs against Wyoming Park and Forest Hills Central's pitching.

In the second game of the doubleheader, FHC plated just enough runs as it upended Lowell, 3-1 in a pitching duel.

Lowell's lone run came in the sixth inning on a Ryan Holtz single, he then advanced to second on a Gerkin single to left and came home following an RBI single off the bat of Steve Lenger.

Lowell's boys finished fourth in the O-K White Conference meet held on Friday and Monday.

## Track, continued...

Lowell's boys finished fourth in the O-K White Conference meet held on Friday and Monday.

"We continue to get superb pitching and defense, but are struggling at the plate especially with men in scoring position," Kropf said.

# Ada man helps save whales aboard Navy frigate

During the past three centuries humpback whales have been hunted in such great numbers, their population has dwindled from hundreds of thousands to approximately 5,000 worldwide.

With those kinds of odds against it, the humpback whale has surely come to fear man and his great ocean vessels. That fear changed to gratefulness recently when Petty Officer 2nd Class Charles R. Dewent of Ada and crewmen aboard the Navy guided missile frigate USS Rentz came to the aid of an adult humpback whale entangled in a fishing net.

While conducting routine operations off the coast of Baja, California, a forward lookout spotted the dying whale wrapped in 50 feet of fishing net and buoys. When this was reported to the commanding officer he decided to turn the ship around and send a rescue team to help.

"None of us wanted to stand by and watch a creature like that suffer," Dewent said. "We had to do whatever we could."

As the Rentz edged closer to the area where the whale was swimming, a 26-foot motor whale boat was launched into the water with a team of one officer and five enlisted men aboard.

The driver of the motor whale boat slowly steered the craft close enough to the whale for the dragging net to be removed.

Once he did this, the boat's crew used grappling hooks in an effort to untangle the fishnet debris. With the netting wrapped too tightly

around the whale's tail fluke, the men were forced to use knives and hacksaws to cut away a tangle of netting more than two feet thick.

After the crew worked for over half an hour, about 45 feet of the net was removed. "It would have been nice to be able to cut away all the debris, particularly from around the tail," the commanding officer said. "But to do so would have required putting men in the water. I considered that too risky."

As soon as the whale was cut loose, it swam away, resurfaced to blow a spout and then continued heading south. With their mission of mercy completed, the motor whale boat crew was brought back aboard and routine operations were resumed.

Dewent, the 25-year-old

son of Robert C. and Donna R. Dewent of Ada, is an electronics warfare technician aboard the Rentz which is homeported in San Diego.

As a Navy electronics warfare technician, he is responsible for interpreting incoming threat signals and recommending appropriate action

to the electronic warfare officer. Another primary duty is doing electrical maintenance to the ship's warfare systems.

"My job is to intercept hostile radar signals," said the 1983 graduate of Unity High School. "I'm the person who determines what type of threat is out there and what we can do to stop it."

Dewent said saving the whale was important because it shows that the Navy is not only a strong force but that it also has a humanitarian side. "The crew and the captain are just people like everyone else," he said. "We didn't set out to prove anything to anyone, but I hope people will get a better understanding of what we're all about."

## Peel attends 4-H citizenship & leadership Program

Five Kent County teens, participants of L.E.E.P., were among 107 young people who explored government policy making in Lansing during 4-H Capitol Experience, a 3 1/2 day program in citizenship and leadership.

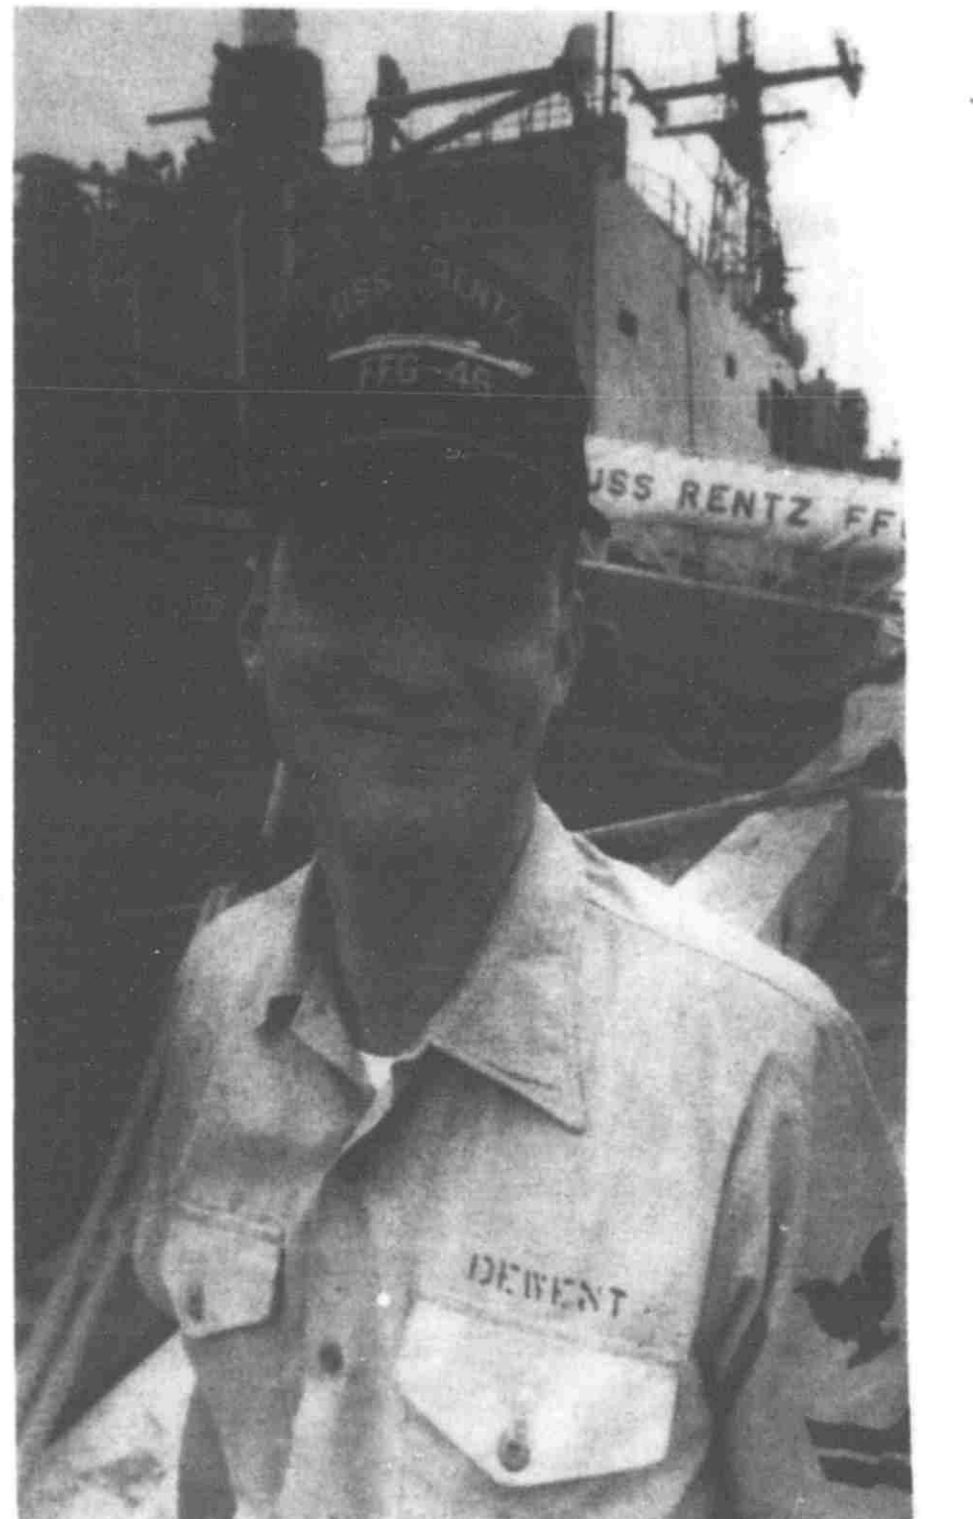

Vicki Philpott, Jennifer Anderson and Jeni Williams of East Kentwood High School, Ryan Peel of Lowell High School and Amy Reed of Cedar Springs High School, met with state legislators, lobbyists, and representatives of community and state agencies to review and discuss how government works with key social issues.

The youths attending the 1990 4-H Capitol Experience identified substance abuse, teen pregnancy, and criminal sentencing and prison facilities as the top three of 10 important social issues to review during their visit.

Through mock committee sessions, "shadowing" government professionals and leadership exercises, participants were able to debate the issues and offer solutions in much the same way as the state legislature does.

Each attendee was presented with a certificate of participation by Janet Fox Blanchard, who also encouraged participants to consider careers in government.

The Kent County participants are part of L.E.E.P., Leadership, Education, Experience and Practice, a teen leadership development pilot program. The students are among 54 Kent County tenth graders from 20 high schools. Each student attended leadership seminars and are now involved with local business people serving as mentors.

## Jaycees paint YMCA offices

Members of the Lowell Area Jaycees welded paint brushes and rollers Saturday to apply a fresh coat of paint to the interior of the Lowell YMCA offices in the Graham Building at the corner of Main and Hudson Streets. The Look Memorial picked up the tab for the paint and supplies while the Jaycees provided the muscle. Pictured above are Club President Mary Strouse, Project Chairman Don Green, Secretary-Treasurer Ellen Harold Cole, Mike Cole and Special Assistant Brian Green.

# TOWN TALK

What is your opinion of the new City Ordinance requiring drunk drivers to pay all costs involved in their arrest; blood testing, transportation to jail, etc.?

**Hans Fischer**  
I'm all for it. And I hope they nail that guy that killed that young fellow Saturday. I think they ought to get stricter on the whole thing. They should police the parking lots too, there's a lot of kids drinking in there.

**Roxann Roth**  
I think they should have to pay. I don't think they should get off Scott free for all the damage they do.

**Bill Bennett**  
In some ways I think it's good, and in some I don't. I guess it's all right, but we already have too many laws on the books. I really don't think it'll stop them.

**Barb Ward**  
I feel we shouldn't have to pay for someone else's bad habit. Maybe it'll make someone think before they drink and get behind the wheel of a car.

**Louise Talbot**  
I think it's super! I think that's the least they should do. We're losing too many people to drunk drivers. I also think they should pull their licenses for about five years.

**John Clore**  
Fair is fair! There has to be some incentive to stop people from driving up and down the road intoxicated. You have to hit them in their pocketbook.

**Kevin Smith**  
I think they should do it. Absolutely! I don't think the city should have to bear that expense.

**Jon Vezino**  
I think it's a good idea. Maybe the drunk drivers will become aware of the penalties and not drink and drive so much.

Donna Parcher, assistant to optometrist Dr. David Durkee, adjusts a pair of eyeglasses on a recent trip to Mexico with VOSH-Michigan, a non-profit organization providing vision care to those who cannot obtain such services.

## Parcher participates in VOSH-Michigan in Mexico

In March, Donna Parcher, assistant to optometrist Dr. David Durkee, participated in the VOSH-Michigan (Volunteer Optometric Services to Humanity) project in Guaymas/San Carlos, Mexico.

VOSH is a non-profit organization providing vision care to people who are normally unable to obtain such services. Each year VOSH-Michigan organizes a trip to a foreign country. This year the group, which consisted of five Doctors of Optometry, ten student Doctors of Optometry from Ferris State University and two Optometric Technicians, went to the Guaymas/San Carlos area of Sonora, Mexico.

They provided vision examinations to approximately 1,500 patients, and dispensed 1,300 pairs of eyeglasses to those who needed them. They also provided 153 referrals for further treatment for a variety of ailments, mostly cataracts. The free glasses that were dispensed were glasses that had been donated to Lions Clubs, Rotary Clubs, churches, optometrists, and other service organizations. Some from right here in Lowell.

The Rotary Club of San Carlos hosted this year's trip. They arranged work locations, transportation, and obtained official clearance for the trip. They advertised with placards and feature stories in the local newspapers, and they had pre-registered patients prior to their exams.

Parcher commented, "The response was terrific, and even the pre-registering did not seem to control the size of the crowd. Patients would start lining up as early as 1 a.m. at the clinic sites. Each day we had to turn away potential patients in need of our services. Our inability to meet the vast needs of the communities we visited was heartfelt by all, but did not lessen the appreciation we received for our efforts from those communities. Everywhere we went we were warmly received and treated as friends."

Michigan VOSH will again be planning another trip to some other destination next year. Your eyeglasses donations are greatly appreciated and can be left with any Lions or Rotary Club member, as well as right at Dr. Durkee's office at Crystal Flash Plaza, Lowell.

## CITY OF LOWELL PUBLIC NOTICE

The Lowell City Council, acting as Zoning Board of Appeals will conduct two public hearings at their regularly scheduled meeting of May 21, 1990 at 7:30 p.m. at the Lowell City Hall, 301 E. Main, Lowell, Michigan.

The purpose of said hearings will be to receive comments on the following requests:

1. David Drain, 1326 Jane Ellen (applicant) requests a variance to waive the front yard setback so that an attached garage can be built. The addition would be 24' from the front yard lot line (30' required, existing house 27' 7").

2. Jack Sanborn, 2401 Bowes (owner) requests a variance to expand (24'x20') an existing residential use in an industrially zoned district. Also, a front yard variance is required since the addition is less than 50' from the setback line.

Interested persons may submit written comments or appear in person at City Hall, 301 E. Main, Lowell, Michigan 49331.

# City Fathers ponder the use of aged buildings

Spring is here and with it have come decisions decisions and more decisions for Lowell City Manager Dave Pasquale and the City Fathers.

The decisions concern: Where's the best location for the Lowell Museum? Should \$40,000 be spent to renovate the Lowell Police Station, if, in the capital improvement plan approved as a guide by the Council, it calls for the

construction of a new facility anywhere from 2-6 years down the road? Is the need for a new library greater than the need for a new City Hall and police station?

The Graham Building has housed the Lowell Public Library since 1922 in the west half of the Robert W. Graham home of 1873. The Library building is in memory of Herbert E. Graham. It is the belief of many that

this historical building would be the ideal site for a Lowell Museum.

"Considering everything, I believe it is the best historical building in Lowell," Pasquale said. Others have said the current City Hall carries with it a wealth of history and tradition and would be ideal for a Lowell museum.

Pasquale noted that the Graham Building has had substantial renovation work

completed within the last year-and-a-half. The work includes new basement windows, a new heating and air conditioning unit, a new roof, the building has been re-wired, a new cement basement floor has been laid. (it was previously dirt) new carpeting has been put in on the library side of the Graham Building, and exterior work to clean the brick has also been done.

All of the work, according to Pasquale, has been funded through the Helen LOOK Daley Fund. Until a decision is made, the Museum Committee's search for a gallery continues.

Lowell councilman, Charlie Doyle, said he believes the need for a new library is greater than that of a City Hall or police station. "The status of our library is not good. Saranac has a better library setup than Lowell," he says. Doyle, also a member of the Lowell Museum Committee, adds that the Graham Building would also be an ideal place for Lowell's Museum.

That leads us to the second question: should \$40,000 be spent to renovate the police station if the capital improvement guide, approved at the April 16 meeting, calls for a new Lowell City Hall and Police Station in the next 4-6 years.

Councilman Bill Thompson suggested that

possibly the \$40,000 should be used to put up a new building instead of renovating the old police station. This way, when the new city hall and police station is constructed, the building then could be used for something else and \$40,000 would not be wasted.

However, the council agreed, that if it was going to be 4-6 years and possibly longer before a new city hall and police station are realized, the \$40,000 in renovation work would be money well spent.

Pasquale noted, he recommends that any new construction plans be held off until the new LOOK Memorial Fire Station is paid off. The final payment on the fire station would be in July of 1994.

The start of the police station renovation has yet to be determined. The council is scheduled to discuss that matter at its May 7 meeting.

## CITY OF LOWELL

## COUNTY OF KENT MICHIGAN

Councilmember Thompson, supported by Councilmember Hodges, moved the adoption of the following ordinance:

### ORDINANCE NO. 90-2

#### AN ORDINANCE RELATIVE TO THE COLLECTION OF EXPENSES RELATING TO AN EMERGENCY RESPONSE

#### THE CITY OF LOWELL ORDAINS:

##### Section 1. Purpose:

The City of Lowell finds that a significant number of traffic arrests and traffic accidents in the City involve drivers who were operating a motor vehicle while under the influence of alcoholic beverages and/or controlled substances. In addition, the City of Lowell finds that in traffic accidents involving drivers who were operating a motor vehicle while under the influence of alcoholic beverages and/or controlled substances there is a greater likelihood of personal injury and property damage. As a result of these determinations, a greater operational and financial burden is placed upon the City's police, fire fighting and rescue services by persons who are operating a motor vehicle while under the influence of alcoholic beverages and/or controlled substances.

##### Section 2. Definitions: When used in the Ordinance, the following terms shall have the following meanings:

###### (A) "Emergency Response" shall mean:

- (1) The providing, sending and/or utilizing of police, fire fighting, emergency medical and rescue services by the City, or by a private individual or corporation operating at the request or direction of the City, to an incident resulting in an accident involving a motor vehicle where one or more of the drivers were operating the motor vehicle while under the influence of an alcoholic beverage or the combined influence of an alcoholic beverage and controlled substance; or
- (2) An incident resulting in a traffic stop and arrest by a police officer when a driver was operating the motor vehicle while under the influence of an alcoholic beverage and/or controlled substance.
- (3) "Expense of an emergency response" means the direct and reasonable costs incurred by the City of Lowell, or to a private person or corporation operating at the request or direction of the City, when making an emergency response to the incident, including the costs of providing police, fire fighting and rescue services at the scene of the incident. These costs further include all of the salaries and wages of the City personnel responding to the incident, all salaries and wages of the City personnel engaged in investigation, supervision and report preparation, all costs connected with the administration and provision of all chemical tests of his or her blood, breath or urine and all costs related to any prosecution or incarceration of the person causing the incident.

##### Section 3. Liability for Expense of an Emergency Response

(A) **Person Responsible:** Any person is liable for the expense of an emergency response, if while under the influence of an alcoholic beverage or controlled substance, or the combined influence of an alcoholic beverage and controlled substance, such person's operation of a motor vehicle proximately causes any incident resulting in an emergency response.

(B) **Presumptions:** For the purpose of this Ordinance, a person is under the influence of an alcoholic beverage or controlled substance, or the combined influence of an alcoholic beverage or a controlled substance, when his or her physical or mental abilities are impaired to a degree that he or she no longer has the ability to operate a motor vehicle with the caution characteristic of a sober person of ordinary prudence. Further, it shall be presumed that a person was operating a motor vehicle while under the influence of an alcoholic beverage if a chemical analysis of his or her blood, urine or breath indicates that the amount of alcohol in his or her blood was in excess of seven one hundredths of one percent (0.07%).

(C) **Charge Against Person:** The expense of an emergency response shall be a charge against the person liable for the expenses under this Ordinance. The charge constitutes a debt of that person and is collectible by the City of Lowell for incurring those costs in the same manner as in the case of an obligation under a contract, expressed or implied.

(D) **Cost Recovery Schedule:** The Lowell City Council shall, by resolution, adopt a schedule of the costs included within the expense of an emergency response. This schedule shall be available to the public from either the City Clerk or the Police Department.

(E) **Billing:** The Chief of Police, or his or her designee, may, within ten (10) days of receiving itemized costs, or any part thereof, incurred for an emergency response, submit a bill for these costs by first class mail or personal service to the person liable for the expenses as enumerated under this Ordinance. The bill(s) shall require full payment in thirty (30) days from the date of service.

(F) **Failure to Pay; Procedure to Recover Costs:** Any failure by the person described in this Ordinance as liable for the expense of an emergency response, to pay the bill within thirty (30) days of service shall be considered in default. In case of default, the City of Lowell may commence civil suit to recover the expenses and any costs allowed by law.

**Section 4. Severability:** The phrases, sentences, sections and provisions of this Ordinance are severable and the finding that any portion hereof is unconstitutional or otherwise unenforceable shall not detract from or affect the enforceability of the remainder of this Ordinance.

**Section 5. Effective Date:** This Ordinance shall take effect ten (10) days after its publication in the Lowell Ledger, a newspaper of general circulation in the City of Lowell.

YEAS: Councilmembers Thompson, Fonger, Hodges and Mayor Maatman.  
NAYS: Councilmember Doyle.  
ABSENT: None.  
ORDINANCE DECLARED ADOPTED.

David M. Pasquale, City Clerk
