Bardwells and City agree on price for vacated portion of Grove St. City covers \$500 survey cost, in sale of Grove St. property

Carol Bardwell's persistence in asking the City of Lowell to reconsider its decision not to vacate any portion of Grove Street, raised some interesting concerns.

Those concerns have led to a payoff for both sides.

At the suggestion of Councilman Charlie Doyle, the Council agreed to allow Bardwell and City Manager Dave Pasquale to work out a fair and equitable price for the land between East Main and Avery Street regarding the Grove Street right-of-way.

Pasquale and Bardwell met and their determination of an appropriate value would be the City's cost of a survey (\$500). Both agreed to the price. Pasquale then recommended that the Council approve a resolution vacating a portion of Grove Street between East Main and Avery to Harry and Carol Bardwell, owners of the Roll Away Ltd. Bowling and Skating.

Despite the recommenda-

tion, the Council labored before approving the recommendation by a 3-2 vote. The two "no" votes were levied by Councilmen Jack Fonger and Bill Thompson.

"I don't know why the City should settle for covering our cost," Fonger said. "The land is worth more than the compensation for our cost." Fonger said he felt the land should be put out for bid. Councilman Charlie Doyle said he didn't believe there was anything the City could do with the property. "Bardwells are the only people who could benefit from owning that land," Doyle said. "We could put it out for bid, but no one else wants or has use for the property. Let's save our advertising costs.

Councilman Jim Hodges agreed. "The property too small. Bardwells are the only people that can benefit from the property. Thus it makes sense to sell them the property.

Hodges added that when

Clark Jahnke deeded over his property that Grove sits on, he was offered \$1. "The property is not worth \$500. The City paid \$1 for land that was the exact same size. Jahnke was very nice in deeding that land over to the City for \$1," he said. "The City did incur a

\$500 expense to correct the street and property line problem. By recouping the cost of the survey, the taxpayers incur no expense. But, if you're sitting in Bardwell's position, you may be aggravated that you had to pay \$500 to acquire a small piece of property due

to an age-old error that was made."

Jahnke concurred that the land at some point in time was purchased by someone. "Because someone failed to keep record, we have this problem," he said.

Bardwell stated that all the

City originally owned was the road and the right-of-way. Because of a platting map mistake in the placement of the road years ago the previous owners, the City, and the Bardwells had been under the impression that the road was correct.

Renewal millage defeat leaves high school students 15 computers short

The purchase of a 20 work station IBM compatible computer lab for the use of 90 Lowell High School students has been deleted in part from Lowell's 1991-92 school year wish list.

Due to the failure of the June 10 millage renewal, Dick Korb, Director of School and Community Service, requested that the Lowell Board of Education only authorize the expenditure of \$12,500 from the fiscal year's 1990-91 Lowell Community Education budget to the Grand River Computer Systems, Inc. as a down payment towards the total eventual purchase price of \$29,301 (for the 20 station

IBM compatible computer lab).

"I cannot ask this Board of Education to become indebted for the additional \$16,800 that it would have to borrow from Lowell FMB State Savings Bank to purchase the entire 20 work station computer lab," Korb said.

Instead, Korb asked the Board to approve a down payment of \$12,500 from this year's fiscal budget toward the eventual purchase of the whole lab.

The down payment will provide Lowell Community Education with a complete file server, all network software, two dot matrix printers, Word

Perfect for 16 users, battery backup systems, five complete work stations, all wiring, installation and hookup.

"Even though this is 15 work stations short of a complete lab, it will at least enable us to get a start," Korb explained.

Paul Jackson, Grand River Computer Systems, has agreed to honor the bid of \$29,301 through September of 1991.

Korb said upon the successful passage of the operational millage this fall, he will request that the Board of Education authorize Lowell Community Education to borrow the remaining \$16,800 in order to purchase the total

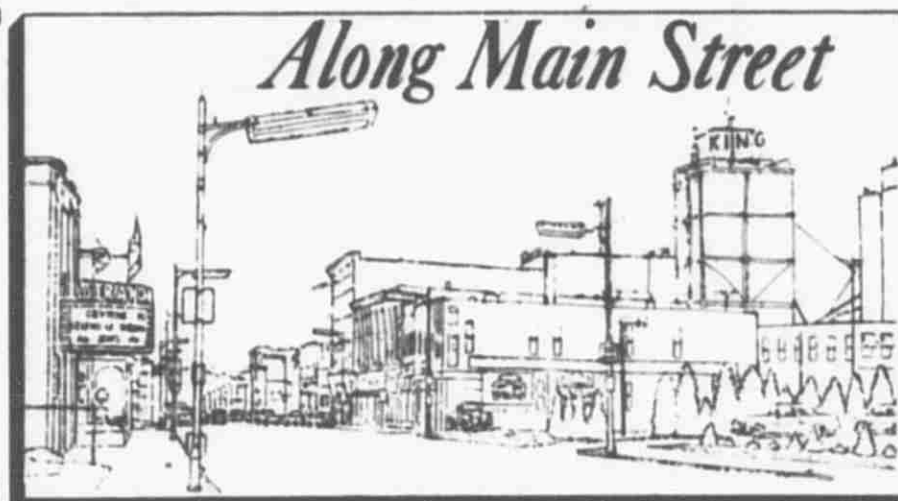

system from Grand River Computer Systems, Inc.

In the event the operational millage would not pass in the fall, it is understood that the additional computer equipment, costing \$16,800, would not be purchased and neither party would have any further obligations.

Six companies were approached for bids. They were IBM (\$41,000), UDS Systems (\$29,996), Advance Information Systems (\$28,815), and Grand River Computer Systems \$29,301.

The other two companies were Compu-Add and Rands. However, neither submitted a bid.

Computer, cont'd., pg. 2

JAYCEES SPONSOR BLOOD DRIVE

The Lowell Area Jaycees in cooperation with the Grand Valley Blood Program invite you to save a life by donating blood on Wednesday, July 10 from 3:30 to 7:30 p.m. at the Look Memorial Fire Station on Hudson St., Lowell. If you have any questions, please call Noel Seif at 897-4395.

JAYCEES ACCEPTING ENTRIES FOR PARADE

The Lowell Area Jaycees are accepting entries for the Fourth of July parade, which will begin at 10 a.m. at the Methodist Church. Lineup will be at 9:30 a.m.

All children who wish to participate by walking in the parade will receive a hand held flag. Please contact Jackie Foster with your parade entry at 868-6766.

CHILD ABUSE COMMITTEE MEETS IN NOV.

The Lowell Committee for the Prevention of Child Abuse and Neglect won't meet again until the first Monday in November.

NO FIREWORKS THIS YEAR!

There will be no fireworks in Lowell this year, due to lack of interest, funds available and cost of liability insurance.

The Chamber of Commerce regrets the action, but funds are not available for 1991. The Jaycees will have a parade at 10:00 a.m.

Freedom celebrating attracts nearly 5,000

Ancestors who came to America and found freedom and happiness were remembered.

Lowell City Council Proceedings

**OFFICIAL PROCEEDINGS
OF
CITY COUNCIL
OF THE
CITY OF LOWELL**

For the Regular Meeting of Monday, June 17, 1991.

The Meeting was called to order at 7:30 p.m. by Mayor Maatman and the Clerk called the Roll.

Present: Councilmembers Doyle, Fonger, Hodges and Mayor Maatman.
Absent: Councilmember Thompson

IT WAS MOVED by Fonger and Seconded by Doyle to excuse the absence of Councilmember Thompson.

YEA: 4
NAY: 0
ABSENT: 1
MOTION CARRIED.

IT WAS MOVED by Hodges and seconded by Fonger that the minutes of the June 3, 1991 meeting be approved as written.

YEA: 4
NAY: 0
ABSENT: 1
MOTION CARRIED.

IT WAS MOVED by Doyle and seconded by Fonger that the bills and accounts payable be allowed and the warrants issued.

YEA: 4 (Councilmembers Doyle, Fonger, Hodges and Mayor Maatman.)
NAY: 0
ABSENT: 1
MOTION CARRIED.

Bills and Accounts Payable Totals (June 17, 1991).

General Fund	\$65,005.12
Major Street Fund	99.06
Sewer Fund	555.16
Water Fund	2,128.06
Local Street Fund	4.00
Equipment Fund	7,598.23
Airport Fund	9.78
Data Processing Fund	192.49
Lee Fund	465.17
Look Fund	1,011.20

Item No. 1. AGREEMENT WITH GRAND RAPIDS COMMUNITY COLLEGE FOR COLLECTION OF SUMMER PROPERTY TAXES. As with the Lowell Area Schools and the Kent Intermediate School District, the Grand Rapids Community College has proposed to have a summer property tax. This will entail all of its 1.8965 mills levied for the entire year. The agreement proposed is similar in place with the Lowell Area and Kent Intermediate Schools. The collection of the taxes by the City provides no fee, in lieu of interest earned during the time the City has these monies on deposit.

Councilmember Doyle questioned if the City should ask for a collection fee instead of keeping the interest earned. City Manager Pasquale responded by saying the City has been satisfied with keeping the interest earned.

IT WAS MOVED by Doyle and seconded by Hodges to approve the Grand Rapids Community College's request to have the City collect their summer taxes at no fee, in lieu of interest earned during the time the city has these monies on deposit.

YEA: 4
NAY: 0
ABSENT: 1
MOTION CARRIED.

Item No. 2. ZONING BOARD OF APPEALS. A. 501 OTTAWA - CHRIS BIERI - FRONT YARD SETBACK VARIANCE TO ERECT AN AUTO BODY REPAIR FACILITY - SET PUBLIC HEARING (7/1). Chris Bieri has proposed the construction of an auto body repair shop at 501 Ottawa. He applied for a special use permit and site plan review before the Planning Commission with a hearing scheduled on June 24, 1991. A front yard setback variance has been requested to allow a 30' setback, where 50' is required. This has been requested because of the shallowness of the lot. The Planning Commission will provide a recommendation on the variance as part of its site plan review.

IT WAS MOVED by Hodges and seconded by Doyle to set a public hearing for July 1, 1991 to consider a 30' front yard setback variance where 50' is required.

YEA: 4

NAY: 0
ABSENT: 0
MOTION CARRIED.

Item No. 3. REQUEST TO RECONSIDER VACATION OF A PORTION OF GROVE STREET - CAROL AND HARRY BARDWELL. Carol and Harry Bardwell have requested reconsideration of previous Council action on the retention of Grove Street right of way between East Main and Avery. Carol Bardwell, referring to her letter stated that the road would not be changed in the future. This would be due to the high cost and large jog created in the road. Monies have already been spent by the City, under the assumption that property lines would be changed to agree with the actual road, not to acquire more land than they previously owned. She also mentioned that if the City does not vacate the old right of way, the property would not be kept in as clean a condition as they have been maintaining.

Councilmember Hodges said that by vacating this property the City would receive tax monies as well as have the property kept up. Councilmember Doyle stated that he does not like to vacate land. But, he would be interested if the Bardwells would like to submit a bid for the property involved since they are the only interested party. Also, the City could recover survey cost for determining the Grove Street right of way. The consensus of the Council was for City Manager Pasquale to check into the cost of the survey, then discuss this with the Bardwells and return the Grove Street vacation issue to the Council for discussion at the July 1 meeting.

Item No. 4. STREET NUMBERING ORDINANCE ON ALL RESIDENCES AND OTHER BUILDINGS - SET PUBLIC HEARING (7/1). In support of the emergency services (ambulance, police and fire), an ordinance has been proposed requiring street numbers for all residences and buildings. Lowell and Vergennes Townships have passed similar ordinances earlier this year. The ordinance would be used as a tool to convince property owners to install numbers. The tact will be informative, rather than punitive.

IT WAS MOVED by Fonger and seconded by Doyle to set a public hearing for July 1, 1991 to consider a street numbering ordinance on all residences and other buildings.

YEA: 4
NAY: 0
ABSENT: 1
MOTION CARRIED.

ITEM NO. 5. COST OF LIVING ADJUSTMENT - WW OPERATION SERVICES CONTRACT. Mark Mundt of WW Operation Services stated that the City is entering into the third year of a three year contract with WWOS for the operation of the Wastewater Treatment Plant. Under the provisions of the contract, WWOS may request a cost of living adjustment. Such a request was proposed increasing its service costs from \$212,000 a year to \$218,400 a year. City Manager Pasquale stated that he found this 3% increase reasonable and fits within the recently adopted Sewer Budget. Also, he has been pleased with WWOS and the operation of the Wastewater Treatment Plant.

IT WAS MOVED by Hodges and seconded by Doyle to approve the 3% cost of living increase (from \$212,000 to \$218,400 a year) to WW Operation Services for the operation of the Wastewater Treatment Plant.

YEA: 4
NAY: 0
ABSENT: 1
MOTION CARRIED.

Item No. 6. MONTHLY REPORTS. No comments received on the materials presented.

Item No. 7. CITIZENS COMMENTS. Dave Roskamp (1270 Sibley) stated that he appreciates the Council's direct answers and comments on issues.

Item No. 8. COUNCIL COMMENTS. Councilmember Fonger wondered what progress has been made on the removal of the trees on Main Street. Councilmember Doyle stated that Ron McCollum has told him that as soon as the machine used for tree removal arrives, the downtown trees would be removed.

Councilmember Doyle stated that the City of Grand Ledge had received complaints from business owners about the trees planted in their Main Street blocking the front of their businesses. He feels that it should be looked into in great detail before anybody plants any trees along Main Street. Councilmember Doyle also stated the DPW should get the weeds out of the streets

and sidewalks, cleaning up the City for Showboat. He also questioned the progress of cleaning Cherry Creek. City Manager Pasquale said that the DPW has removed the large articles of debris from the creek. The Boy Scouts will complete the task on the south side of M-21. The Flat River Watershed Group has volunteered to do the north side of Cherry Creek.

Item No. 9. MANAGER'S REPORT. City Manager Pasquale reported on the following:

1. Police Chief Emmons gave a presentation concerning the transfer of liquor license request from Carmelo Tringali, owner of Iceman's Outlet at 209 W. Main to Robert Myren, owner of Fergie's Deli & Eatery, Inc. (at the same address). Chief Emmons was very pleased with the attitudes of the new owners and what they want to do with this business. All of the investigations were excellent. Chief Emmons gave his recommendation of approval of this transfer.

The consensus of the Council was that of support to Chief Emmons' recommendation, sending their approval of liquor license transfer to the Michigan Liquor Control Commission.

2. Roger Wills presented a proposal to have his son and a friend paint the house numbers on the curbs (as was done last year for the Eagle Scout project). A \$5.00 donation would be requested from the home owner. He felt that they could do 150 homes this summer. By consensus, the Council approved the curb painting project, feeling that it is good for the community at a very reasonable cost to the homeowner.

3. At the Park and Recreation Commission meeting of Saturday, June 15, concerns were expressed that Creekside Park restrooms were being kept open during the weeknights until approximately 9:00 - 9:30 p.m. It was recommended that the City have the restrooms open at that time from May to the end of September. City Manager Pasquale proposed that the City hire a seasonal person to close and clean the restrooms. By consensus, the Council agreed with the proposal.

The Parks Commission also discussed the lights at Recreation Park. A number of the lights have not been in working order. The City will seek bids for a new lighting system (with poles) and bring this to the Council for consideration. Monies have been set aside in the Lee Fund for this purpose.

4. In response to Councilmember Doyle's inquiry, a mill would generate approximately \$59,700 in revenue. Added millage could be reserved for street improvements as was mentioned at the previous meeting.

5. A copy of a letter from Tim Little of MDOT was presented concerning the sidewalk undermining by the King Milling parking lot. Depending on the amount of work needed, Mr. Little still hopes to have repairs completed this year. Currently, Mr. Little has considered at sharing the cost of a 50/50 basis. Several Councilmembers questioned this, stating that the State is fully responsible for the cost since this is part of the bridge.

6. In order to gather information concerning special assessment costs regarding the Grindle area water main project proposal, City Manager Pasquale had requested to consult with the engineering firm of Fishbeck, Thompson, Carr and Hubers so that the City can have accurate financial account per property. The Council agreed.

7. The bid opening for Stoney Lakeside Park project is scheduled for July 10, 1991.

8. The Health Department has approved the opening of the King Memorial Pool.

9. The Lowell Little League will have its first City Tournament at Creekside Park next week and are requesting permission to use the concession stand. The Council gave their approval.

Item No. 10. APPOINTMENTS. None.

IT WAS MOVED by Doyle and seconded by Hodges to adjourn to closed session at 8:25 p.m.

IT WAS MOVED by Doyle to adjourn at 9:01 p.m.

Approved: July 1, 1991.

James D. Maatman, Mayor
David M. Pasquale, City Clerk

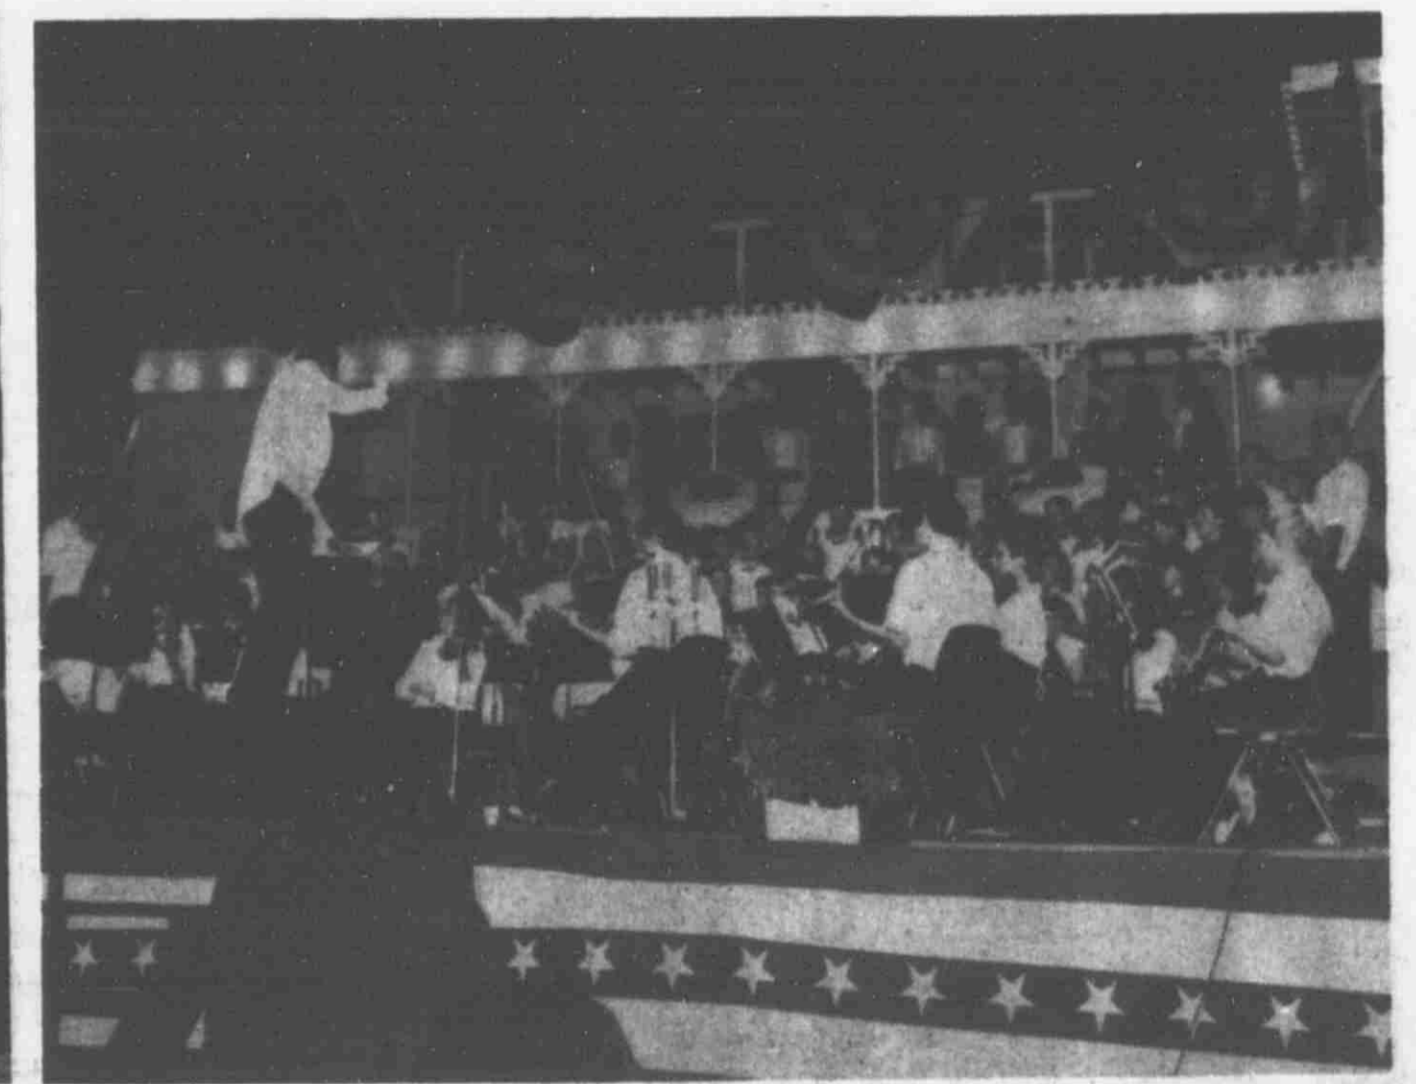

The U.S. mint turns out about 18 billion coins a year.

Americans for Freedom celebration elevates Amphitheatre crowds to patriotic highs

The American celebration of Freedom included a down-home country parade.

The weekend celebration at the Amphitheatre brought on an exaltation of patriotic songs.

The salute recognized the distant heroes of yesterday as well as the young servicemen of today.

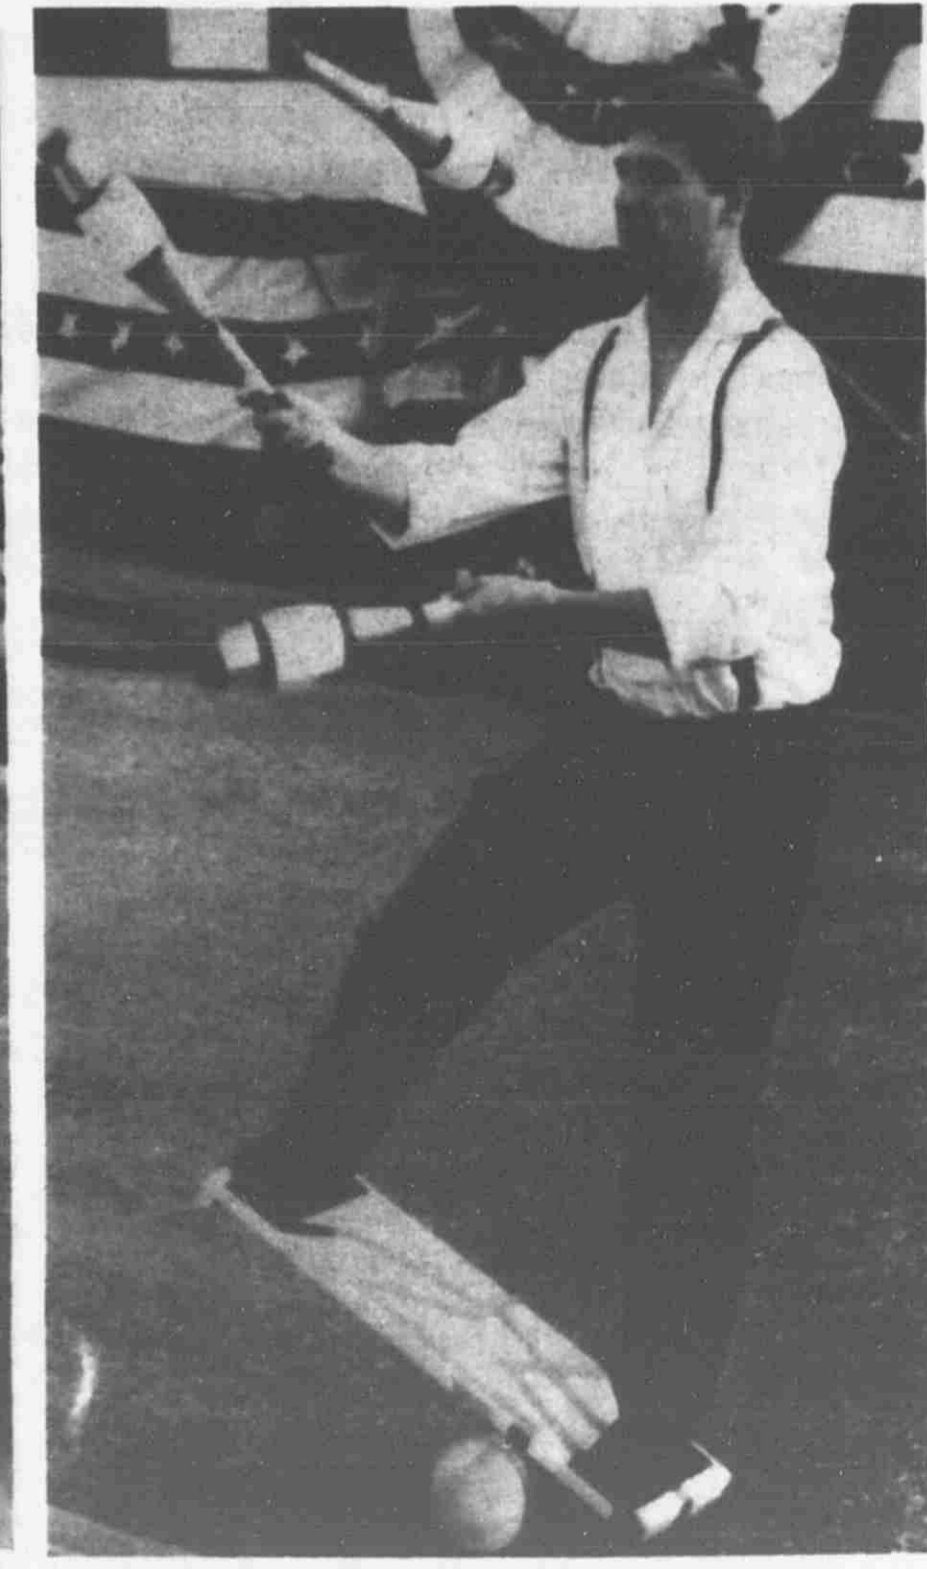

These four servicemen and women were recognized for their service in Desert Storm.

Not forgotten were the veterans of previous wars.

Grandpa took his granddaughters to the parade.

Can I juggle? Even without both feet firmly planted on the ground.

54th Annual 4-H/MMPA tour held in Novi

Members and adult leaders of 4-H Clubs and FFA Chapter from several Michigan counties gathered at Michigan Milk Producers Association (MMPA) headquarters in Novi June 25-26 for the 54th Annual 4-H/MMPA Milk Marketing Tour.

The tour, cosponsored by MMPA and Michigan State University Cooperative Extension Service, is designed to familiarize the 4-H members with the principles of milk marketing, as well as the duties and operations of dairy farmer cooperative. For many of the students, this visit was their first formal exposure to the principles of a cooperative.

Elwood Kirkpatrick, MMPA president, discussed the purpose and benefits of cooperatives. Milk marketing and its pricing structure were emphasized by General Manager Walt Wosje. Laboratory Supervisor Gil Johnson explained the various quality tests performed on milk and discussed MMPA laboratory procedures.

While in Novi, the group toured the MMPA office, in-

Participants in MMPA's Milk Marketing tour from Kent County were, from left to right: Vern Nauta, Chaperone, Jennifer Oesch, Chairperson, Jennifer Cook, Jim Nauta, Aaron Lamoreaux and Walt Wosje, MMPA General Manager.

cluding the on-site laboratory. They also participated in "Real or Imitation" taste tests, and divide into several cooperatives where they formed

"boards of directors" that worked to develop and defend a policy statement on BST, a current issue in the dairy industry.

MMPA, established in 1916, is a milk marketing cooperative owned and controlled by 4,000 dairy farmer members.

Former Lowell, Mich. resident receives Ph.D. from Brandeis University

Camden A. Parks, formerly of Lowell, Mich., received a Ph.D. in chemistry from Brandeis University in Waltham, Mass., at the university's 40th commencement exercises May 26.

Parks plans to teach in Brazil for three months, and then conduct postdoctoral research. Parks is the son of Lynn Parks and Terry Parks of Grand Rapids.

Approximately 750 undergraduates and 190 graduate students received degrees at this year's commencement ceremony. Interim Brandeis President Stuart Altman, entertainer Harry Belafonte, authors Philip Roth and Maxine Hong Kingston, and sociologist Daniel Bell, the ceremony's keynote speaker, were among nine honorary degree recipients.

sorority and vice president of the Society for Professional Journalists. She was also a news caster, public affairs director and talk show host for WNUR, Northwestern's radio station.

University President, Arnold R. Weber conferred 3,976 degrees, diplomas and certificates during the ceremony and presented honorary degrees to six people in government, higher education and law.

Northwestern University is one of the nation's leading teaching and research institutions, with 7,368 undergraduate students enrolled in six academic divisions and 6,085 students enrolled in six graduate and professional programs at lakefront campuses in Evanston and Chicago.

Amy L. Davis, daughter of Gordon and Faye Davis of Lowell, received a bachelor of science degree from Northwestern University's Medill School of Journalism at the University's 133rd annual commencement exercises June 22.

Davis, a journalism major, was president of Chi Omega

College News

Letters, continued

Editor, Lowell Ledger

I think that the idea of a Memorial Park in Lowell is just great! It's way past time for something like this. The only monument to Americans from the Lowell area who served their country when called upon (or volunteered before the call went out) was that one erected by the Grand Army of the Republic in 1868 at the cemetery.

Barry Emmons has "gotten the ball rolling" and it is up to the rest of us; Veterans, sons and daughters of veterans, mothers, fathers, wives, brothers and sisters of veterans to keep up that momentum with a Dollar or two to see that the rest of the plan is completed. For it is **not** War that we memorialize, but rather those veterans who went to war or went to keep the peace won by their elder brothers, fathers and uncles. And let us never forget the ladies who served also. The idea of remembering those who served the peace or helped to keep it in all the "little wars" or conflicts, police actions or who died by the action of a terrorist in Lebanon, is wonderfully apt.

I wish to especially thank Barry Emmons, Gordon Marshall and the VFW in their compliance with my hope that the funeral flag of my brother, CW0-3 Kenneth V. Welch, USA, could fly from the new flag pole occasionally. Ken was one of those who served during the "peace" and was killed by a terrorist bomb in the U.S. Embassy Annex on 20 Sept. 1984 about a year after the 225 Marines were killed the same way. Those two bombs murdered more young men than all of Desert Shield/Storm's casualties. I say this not to belittle the service of others, but to press home a point. **EVERY LAST ONE DESERVES TO BE RECOGNIZED.** By those of us who came back and those they went to protect.

After all the "hoop-la" dies down about Desert Storm the stones will serve to remind us. Remind us about THE GREAT WAR FOR FREEDOM (WW1), THE WAR AGAINST THE AXIS (WW2), THE FORGOTTEN WAR (KOREA), all the little wars and interventions and THE WAR THAT WON'T GO AWAY (VIETNAM).

A VIETNAM VET BUT MOSTLY JUST A PROUD AMERICAN

Don Welch
716 N. Amity St.
Lowell

To the Editor:

I am writing in regards to Item Number 5 of the Lowell City Council Proceedings of June 3, 1991.

It has always been my understanding that the City is required to solicit bids on these types of projects. The new computer system that the City has purchased or is about to purchase seems extremely over-priced. But then you have to expect to pay full price when there is no competition, don't you?

Judy Noonon sent me a copy of the equipment that is being purchased. It appears to me that the city is paying for some things twice without knowing it. I put together a package of equipment that should be compatible with what the city is buying. I used all the top of the line equipment our company sells, marked it at Manufacturer's Suggested Retail and still beat the price by almost \$7,000! It's kind of like the Pentagon paying \$25,000 for a toilet seat.

Praise goes to Councilman Hodges for his concerns about only dealing with one vendor. He seems to be thinking like a businessman. The rest of them...

Sincerely,
Pat Harkness

Fun had by all at St. Patrick's Festival

Auction, Las Vegas games, raffle, Bingo and food keep patrons happy

Young children kept face painters plenty busy on Sunday

The "Duke" came riding into town Sunday at the St. Patrick's Festival.

What's a festival without a few moments on the swing.

But Dad, wouldn't this make a nice house pet?

Stuffed animals could be won, but 50/50 raffle tickets had to be purchased.

With the weekend heat, this gentleman was begging that contestants hit the target.

Many enjoyed a friendly hand or two of "Black Jack."

The music at St. Patrick's was festive.

TOWN TALK

What kind of restaurant would you like to see come into Lowell in the old Hardees location?

Chris Bartrum
I'd like to see a Wendy's or a Burger King. I like both of their breakfasts more so than McDonald's. I also like Wendy's 99 cent menu and their baked potatoes.

Gary Blough
Kentucky Fried Chicken. I like their chicken and their salads and cole slaw.

Mary Yakes
Wendy's. I like their chicken sandwiches and milk shakes.

Barb Roth
Wendy's or Burger King. Wendy's has a good salad bar. It's a good restaurant. It's different from Mac's.

Ursula Mayhan
Wendy's would be excellent. I love their super salad bar. It includes regular salads, taco salad and pasta salad. I also like sandwiches.

Helen Vezino
Wendy's. I like their chili. I also like their hamburgers.

Charlene Yeiter
Wendy's. I like it because of its salad bar and its chicken sandwiches.

Angie Bethel
Wendy's. I'm sick of the same thing for lunch everyday - Pizza! Wendy's hamburgers are great.

Say "Yes" to Michigan's beaches

Imagine a vacation destination designed for families, but also perfect for singles. A place that tempts couch potatoes to sit and snack, while beckoning active folk to hike and explore.

Visitors can find secluded spots or settle in with thousands of others. And the price is right—no more than a couple bucks. This ideal place—the beach.

Michigan has 378 public beaches scattered across the state. With that many choices, it may be difficult to decide which beach to visit this summer.

AAA Michigan has compiled a list of 25 premier beaches in the state, including some perfect for swimming and sunning and others best suited for sightseeing and strolling.

The list is based on recommendations from Michigan Living magazine readers, interviews with beach experts, personal visits and geographical location. If your favorite is not listed, don't be upset. It'll remain your secret.

Some of the best beaches can be found at the state's two popular lakeshores.

Sleeping Bear Dunes National Lakeshore in northwest Lower Michigan is a 32-mile-long beach. One of the state's most popular attractions, the park includes two islands,

stunning views, dunes, bluffs and miles of hiking trails along Lake Michigan.

Cliffs colored in browns and reds rise 200 feet from the Lake Superior shore in Pictured Rocks National Lakeshore. The Upper Peninsula site includes "12 Mile Beach," numerous waterfalls, a lighthouse and shipwreck remains. However, few venture into the frigid Lake Superior waters.

The bulk of Michigan beaches are in Michigan State Parks, which feature 115 miles of frontage on the Great Lakes

and 200 miles on inland waters. At the busiest parks, rangers recommend arrival before noon to secure a spot, especially on weekends and holidays.

State park beaches along Lake Michigan at Van Buren near South Haven, Holland, Grand Haven, Ludington, Petoskey, Warren Dunes near Bridgman, Hoffmaster near Grand Haven, Muskegon and Wilderness near Mackinaw City in the Lower Peninsula earn high marks. The stretch of beach parallel to US-2 in the Upper Peninsula also is a popular draw.

Holland, Grand Haven and Warren Dunes are among the most popular parks in the state and draw upward of 10,000 day users each on a nice summer weekend.

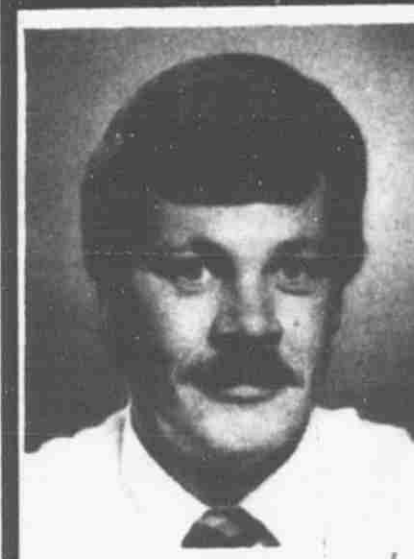

Welcoming new neighbors is the least we can do...

to make new families feel right at home in our town. Getting To Know You is THE newcomer welcoming service that delivers a gift from sponsoring merchants and professionals to new homeowners right after they move in. Getting To Know You programs can bring new business, new friends and new sales to your door.

Reagan honored as distinguished alumna

Jane Reagan Jones (left) of Williamston recently was honored by the Ferris State University Alumni Association with receipt of a 1991 Distinguished Alumna Award. Jones, dental health consultant with the Michigan Department of Social Services, received her associate degree from FSU's College of Allied Health Sciences in 1973. Ferris President Helen Popovich presented the award during the Alumni Spring Reunion Banquet in recognition of Jones' public service and career accomplishments. Jones is the daughter of Carol and Dr. Robert Reagan of Lowell.

Five percent commission has buyers shaking their heads

McGruff is notorious for taking a "Bite Out of Crime." Commissions are notorious for taking a "bite" out of a home owner's equity.

Many home owners would like to see the latter change. To that end, they are seeking to sell their homes on their own and/or through cut-rate firms which offer lower commission rates.

According to Don Reedy Sr. of Reedy Realty, the cut-rate firms' lower commission rates also mean fewer services in most cases.

In an effort to listen to the consumer, Reedy Realty offered a five percent commission rate for the month of June. "I really thought this would help the average home owner whose home is valued between \$60-\$80,000. However, we've got the biggest response from the executive type homes valued over \$100,000," Connie Reedy said.

Reedy said such a campaign also helps put more properties on the market which is good for all realtors in the area.

"We've received so many responses about the five percent commission during the month of June we've decided

to extend it into July," Connie Reedy said. "We've had people walk in and ask what's the gimmick? That's what's nice. We're a small firm with very little overhead and thus there is no gimmick."

Another reason people have hesitated in selling their homes is houses haven't appreciated. "People are lucky if their home appreciates one percent a year," Don Reedy said. "Homes used to appreciate faster."

For Reedy's, the five percent commission rate has also helped get out the word that Reedy Realty is here in Lowell and is aggressively seeking business. "Reedy Realty is here in Lowell operating as a small company with full MLS services," Don Reedy Sr. said.

Both Reedy's said the value of homes in Lowell will drop drastically if the renewal millage is not passed. "We have a lot of people who look to buy homes in Ionia County that have the benefit of the Lowell School System, trying to avoid the high taxes," Connie Reedy said.

The City millage tax is 66.79083. However that is

misleading according to City Manager Dave Pasquale, because only 13 mills of that 66.79083 is for the City. Pasquale explains that 42.45 is for Lowell Schools, 4.1248

mills is for the Kent Intermediate School District, 5.4370 mills is for Kent County and 1.8965 mills goes to Grand Rapids Community College. The total millage is up from

last year's 63.8853. Pasquale said the increase came as a result of passing the new jail, new high school and Grand Rapids Community College proposals.

"The bottom line is still money. People get excited about saving money on commission," Connie Reedy said. "I am also excited about the program."

Charlton Park celebrates 9th annual Old Fashioned 4th of July

The 4th of July is one of America's most popular holidays and this year you can celebrate it as your ancestors did.

The "good old days" come to life as Charlton Park celebrates the 9th Annual Old Fashioned 4th of July on Thursday, July 4th. Festivities begin at 11:30 PM with a flag raising and a ceremony honoring Barry and Eaton County Veterans of Desert Storm and all other previous military engagements.

Beginning at 12:00 noon, children of all ages can run in the three legged or sack race, toss a water balloon, raw egg or straw bale, see how much watermelon they can eat, and save the seeds for the seed-spitting contest. Search for a

needle in the haystack, enter your freckles in the most freckles contest, and, be sure to save room for the pie eating contest.

At 1:00 PM Veterans and their families are invited to a chicken barbeque at the Park pavilion provided by the American Legion and VFW.

A pie judging contest and auction will please the palate. Bring in a home-made pie and the baker gets in free. After the contest, the remainder of the pies will be sold to the highest bidder. At the Village stagecoach stop visitors will be served rootbeer from the taproom. The Village carpenter will demonstrate his craft.

In addition, the recreation area provides a sandy beach,

boat launch, and picnic facilities. The snack bar will also be open.

Admission to the special event is free to Barry County residents and veterans, Eaton

County veterans, and all children 15 years old and younger. Non-resident adults 16 years and over are \$3.00 each.

Charlton Park is located just off M-79 between Hastings and Nashville.

These Children Achieved DENTAL HYGIENE EXCELLENCE For The Month of June, 1991
