Currently the board's options are two-fold. Acquiring a substantial northern portion of land from Richard and Shirley Cooper, and 108 acres adjacent to the Cooper property owned by Dora J. Cook.

The second option is appealing Judge Dennis Kolenda's ruling on the Oua-Ke-Zik condemnation hearing.

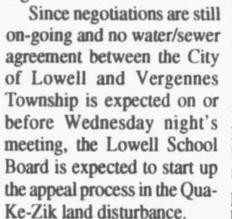

Lowell's School Board is process at any time," Esch other option open to us (appealing the Qua-Ke-Zik decision).

If the appeal process is exercised, three judges in Lansing would re-evaluate the evidence brought out in the condemnation hearing and would then either uphold the decision handed down by Judge Kolenda or reverse it.

In a related item, the school has received two proposals of sale, one by the Coopers and one by Jim and Dora Cook. Both proposals were not acceptable to the school.

Portion One is the approximate 80 acres the school would purchase from Cooper. Portion Two is the approximate 74 acres Cooper would keep for development. Portion Three is 2.3 acres which currently holds a house and a storage building.

Portion Four, 7.3 acres the school would have an option of purchasing up until Jan. 1 of 1995.

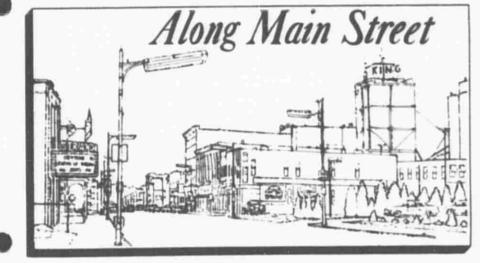

Fritz Esch said the last day the school could do that would be Aug. 22.

"If negotiations fall into place with Cooper and Cook the school can stop the appeal Proposal cont'd. pg. 2

Coopers asked that the school pay \$384,000 for approximately 80 acres. The terms of the payment were that the school make an initial payment of \$100,000 with a balance due on a land contract Lowell Superintendent with an interest rate of 11 percent, paid quarterly.

Lowell's American Canacer Society Lock-Up raises \$6,500 toward research and education

cer forever, without giving it a chance for parole.

Lowell hosted its second Great American Lock-Up on Aug. 13-15. This year the event raised \$6,500 toward the services available for those suffering from the disease, and toward cancer research and education.

"I was very happy with the final results," said Lowell's Cancer Society lockup chairman, Terri Robinson.

The American Cancer Society's Great American LockUp allowed for anyone to be arrested. All a person had to do was give the Cancer Society the name and location of the person they wished to have "locked-up" and the Cancer Society came and arrested that individual and took that person before a judge. The "judge," a local resident, then set bail for the person. The person was then asked to so-

This week I offer up to you a grabbag of items that I came across this past week or so.

Wanting to cut state funds for the arts completely, Michigan's Governor John Engler, amidst pressure, compromised much of his cuts in state funding, but arts groups in the state still sustained cuts of17-38 percent.

A week after reading this in the paper, I read that there was lobbying going on for the recall of Engler. It seems the Governor's comments to the art groups came home to roost, I paraphrase: reliance by artorganzations on state funding will have to change, with the private sector playing a larger role. If littler and larger organizations can't find adequate local support, don't come running to the state. If you can't get the people at home to take care of you don't expect the rest of the people in the state to.

It seems to me Engler was elected to serve the people of the state. Possibly the lobbying for a recall was telling Engler if

CONGESTIVE HEART FAILURE

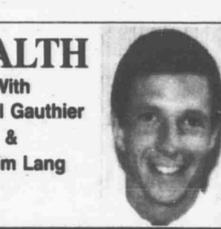

Congestive heart failure is a medical condition that occurs when the heart is unable to pump a sufficient amount of blood to the rest of the body. Patients often confuse "heart failure" with heart attack or cardiac arrest. While a heart attack may lead to congestive heart failure the two entities are entirely different heart conditions.

Item #1. ZONING BOARD OF APPEALS

A. 217 BROOK - CARROLL POTTER - FRONT YARD VARIANCE FOR A GARAGE - PUBLIC HEARING. Carroll Potter petitioned for a front yard variance so that he could construct a garage on his property at 217 Brook. His lot extends from Brook to Maple, making it double fronted. Mr. Potter has intended to construct the garage 15' from the Maple Street right of way, where a 30' setback is required. Therefore a variance was requested.

At its regular meeting of July 22, the Planning Commis-

sion voted to recommend the variance (5 to 1 vote) to the Zoning Board. There were no public comments during the hearing before the Board.

Councilmember Hodges asked Mr. Potter how close the Fund Contingency Account with no impact on the fund back corner of the garage would be to Cherry Creek. Mr. Potter responded that it would be approximately 15 to 20 feet.

Item #3. STONEY LAKESIDE PARK - REVISED BUD-GET PROPOSAL. At the July 15 meeting, the City School. Council awarded the Stoney Lakeside Park construction project to Ken Shaler and Son Excavators. This award Mr. Christoff stated that trading of property involving was contingent upon the maintenance of the existing budget for the project (\$113,310). Since Shaler's low bid was \$142,834.30, DPW Director Siciliano and City Manager Pasquale reviewed the proposed work to determine what quantities could be cut. After review, the following had been proposed:

- a. reduce the finish course of asphalt for the -\$2,000 parking lot from 3 1/2" to 3"
- b. reduce the gravel base for the parking lot _\$2,000 from 6" to 4"
- c. reduce rerod bars from three to two for the -\$500 curb and gutter
- d. topsoil (for the 5 acres on grass area) has -\$6,081 been diminished from 4" to 3"
- e. reduce beach sand from 3000 cubic yards -\$2,750 to 2500
- dredging work reduced from underwater <u>-\$7,000</u> sand item
- <u>-\$1500</u> . waive bid bond

The total amount of deductions was \$21,831 reducing the overall project cost to \$121,003.30. This left the cost \$7.693.30 over budget with the integrity of the project ntact

It was recommended that an additional \$2,700 be allo cated from the Lee Fund and \$5,000 from the General

balance.

IT WAS MOVED BY THOMPSON and seconded by DOYLE to approve the Stoney Lakeside Park revised ITWASMOVEDBYDOYLE and seconded by FONGER budget of S121,003.30 as proposed above with an additional \$2,700 be allocated from the Lee Fund and \$5,000 from the General Fund Contingency Account.

Item #4. REQUEST FROM CHADALEE FARMS TO PURCHASE A PORTION OF CREEKSIDE PARK -**CONSIDERATION OF ELECTION.** Wendell Christoff, PROJECT. DPW Director Siciliano stated that as part of President of Chadalee Farms, has requested to purthe Wellhouse No. 4 project previously approved by chase a 75' X 325' section of Creekside Park. This .56 Council 1, approximately 360 feet of twelve (12") water acre of undeveloped park property is located north of Cherry Creek.

> A letter from City Attorney Richard Wendt stated that since this is dedicated park property, the City may not sell or trade until the Planning Commission deletes this parcel as designated park from the master plan. The Commission has scheduled a public hearing on August 26 to consider this action.

The Park and Recreation and Planning Commission had initially reviewed the request. Both Commissions have recommended trading properties with Chadalee Farms rather than selling. It was felt that the City should not allow an overall loss in park property. A suggested trade involved the acquisition of a 15' wide path from Foreman to the park immediately east of Chadalee Farms. The property, currently owned by Root-Lowell, could be purchased by Chadalee Farms so that a path could be created for children's use in particular from the Middle

Root-Lowell would not fit in his time schedule and also the legal costs could outweigh the value of the half acre. It was suggested that Chadalee Farms expand to the west of the existing facility. Mr. Christoff responded that all the utilities were constructed on that side of the building. Therefore it would be too costly. If that were the only option in Lowell, he mentioned that he would have to expand at the Des Moines facility. By expanding in Lowell, Mr. Christoff said more tax dollars are generated as well as possible more jobs in the future.

Councilmember Thompson stated concerns on the appearance of the back of the facility. He also felt that since this is park land, the issue should be brought to the vote of the people. Mr. Christoff responded that the appearance of their facility has always been a priority. He also mentioned that there was no problem with the petition placed on the November 5 ballot. This way, if approved

by the people, the Chadalee Farms still would have that option as well as exploring all other options.

IT WAS MOVED BY THOMPSON and seconded by FONGER to have the issue of selling a 75' X 325' parcel of Creekside Park north of Cherry Creek adjacent to Chadalee Farms on the November 5, 1991 municipal election ballot

Bob Myren leans his col- he exclaims. ored stained hand up against the counter, and breathes a and Kevin Ferguson, started sigh of relief. "I'm just glad we finally got things rolling,"

Myren and partners, Keith work in the middle of May so

that Fergies' Party Store could open its doors in Lowell. "Now, Fergies' Party Store

has two locations to serve

you," laughs Myren. The party store, 209 W. Main (formerly Iceman's Outlet) officially opened in Lowell on Friday, Aug. 26. "Friday was kind of like a garage sale, people came in and picked what they liked from boxes," he says.

In 1989, the Fergusons opened the first Fergie's Party Store at the Beltline and 28th St. "We liked the Lowell area. and heard the store was available," Myren explains.

Keith, a former salesman and Kevin, a former mortician, have been joined by Bob in their second party store venture. "I had been waiting to get into partnership," said Myren, a former radio ad salesman.

Why would a person go from a steady job where the hours are few and the money is pretty good, to a job where the hours are long and the

money is not nearly as good? That's a question Myren has asked himself a few times within the last couple of months. The answer that always turned up was, it was a chance to share in the ownership of a business.

"I'm not sure I was as nervous as I was excited," Myren says. "I feel better now that things have started to roll."

The key to keeping things rolling, according to the threesome, is treating customers nicely and giving the store a clean look.

"Keith and Kevin know what we have to do to make this work," Myren said. "Hard work is the thing that will ensure that everything falls into place."

Fergies' Party Store will offer a full selection of beer and wine.

"We've started with what Myren concludes.

Fergies' PARTY STOR

we thought people would want. As people come in and tell us what they are looking for, we will add," Myren said.

Another key element which the tri-owners believe will enhance their success is their late hours. Fergies' Party Store will be open from 9 a.m. 'til_ midnight on weekdays; from 9 a.m. 'til 1 a.m. on Friday and Saturday and from noon 'til 9 p.m. on Sunday.

With background in the deli business, Fergusons and Myren intend to offer customers a deli which will have fresh sandwiches daily and pizza by the slice.

Myren said they hope to have their shelves packed with merchandise within a year.

"If a customer comes in and doesn't find what he/she needs we encourage them to tell us, so it can be ordered,"

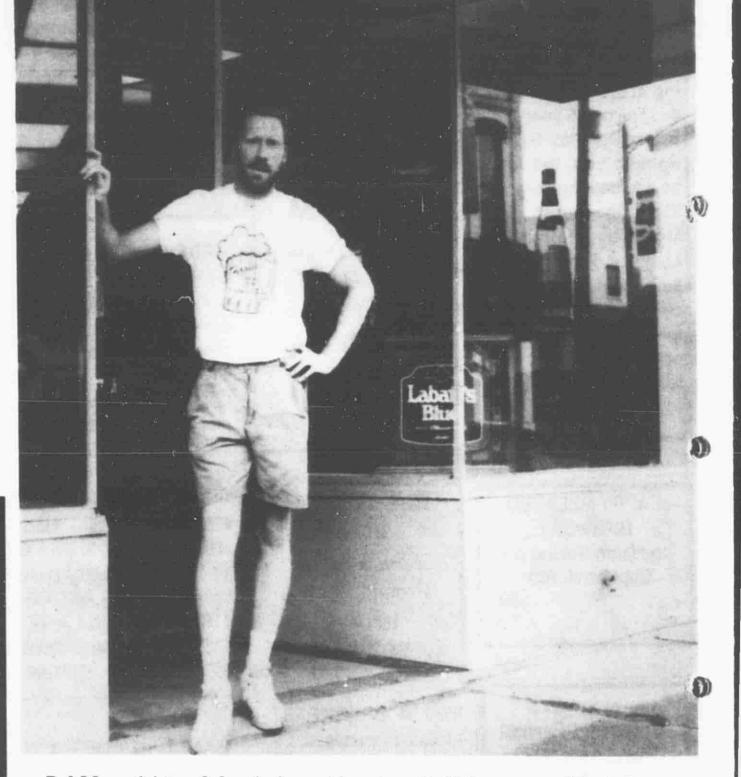

Retirement Open House Honoring Herman J. Stukkie

Will be held at FMB State Savings Bank 414 E. Main Street, Lowell, Michigan 9:00 a.m. to 5:00 p.m., on August 28, 1991

FMB-State Savings Bank is a special place to bank for many reasons. But the most important is our people, like Herman Stukkie. Herman began his career in 1960 as the Assistant Cashier, when FMB-State Savings Bank only had 10 employees. Today, Herman is the Mortgage Department Manager.

Now it's our pleasure to recognize Herman's service to the bank and the community. Please join us at our open house in honor of his retirement.

Bob Myren (pictured above), along with partners Keith Ferguson and Kevin Ferguson opened Fergie's Party Store at 209 W. Main.
