## "Rooster" crows about life after the Florida racing circuit

When quality bred horses can no longer race, they are sent to stud farms. When Greyhounds can no longer race, they join the grim reaper farm.

Gail Roderick calms an excited "Rooster," left, Roderick's newest family member. "Rooster" is the greyhound Roderick adopted out of Bonita Springs, FL. Far right, sits subdued family pet, "Wally."

two years has been able to find homes for approximately 1,000 greyhounds, sparing them a deadly fate.

In 24 states around the country, greyhounds are raised, raced on a track 5-7 tenths of a mile long for pleasure and money, and then when they can no longer race competitively anymore, they are destroyed.

In many instances the dogs are bred purely with racing in mind. If the litter of puppies is labeled bad, they too are destroyed.

Every year approximately 30,000 surplus greyhounds are killed.

"Industry must be more aggressive in placement of the greyhounds after their racing days are over," said Puppy Tub owner and Rooster's new stepmaster, Gail Roderick. "They have become a by-product of the industry."

Roderick says there are roughly 100,000 greyhounds killed each year. "Greyhounds (strictly) for racing are being over produced," Roderick said.

Greyhounds that avoid being killed are either adopted or are used for medical research, Roderick explained. "Euthanizing the animal is better than having them suffer, but it's not being done humanely."

Rooster's airlift landed him in Grand Rapids where Paul and Gail Roderick picked up the newest member of their family.

"I had been looking for a breeder, because I wanted

## School Board approves a 5.5% pay raise for Lowell Superintendent

A superintendent's salary and a few eyes were raised at the October Lowell Board of Education meeting.

"I don't understand how a millage can be passed, raises can be given, and then cuts affecting students can be approved," said a Lowell resident who wished to remain anonymous.

"Superintendent Esch's contract was extended in March and his salary should have been renegotiated in May or June," Lowell School Board vice president, Ray Quada said. "With the millage just having been renewed, the timing probably isn't the best, but had it not been overlooked in June, it would have been done then."

Esch's salary was raised by 5.5 percent, placing him in the top third of superintendents in Kent County. The raise brings his salary to \$77,774.

He was eligible for a six percent raise. His salary conditions and contract extension are subject to annual negotiations.

Esch's retirement annuity was increased by \$500 to \$3,000.

What many may not understand is the fact that most of the school employees' raises are anticipated. "It is something the school budgets for," Lowell assistant superintendent Gary Kemp said.

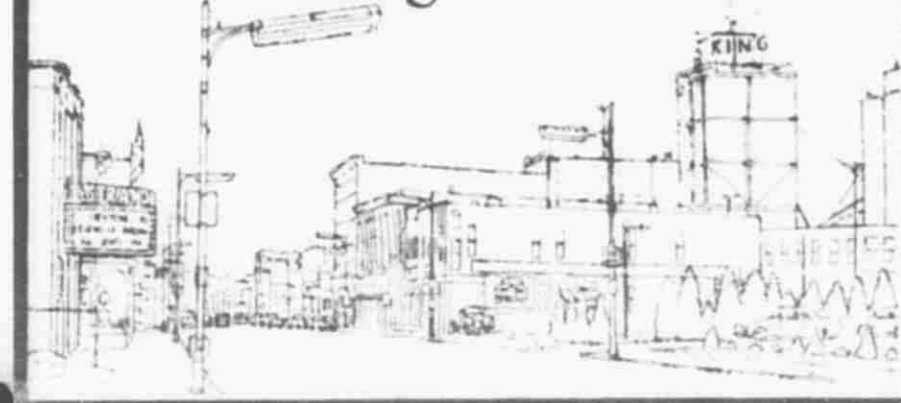

Teachers, bus garage employees and cooks negotiate salaries once every three years. Teachers are represented by the Kent County Education Association. Bus garage employees and cooks are represented separately.

Cedar Springs currently has the highest paid teacher contracts in the county. Lowell has the highest B.A. level contract. "Lowell pays top dollar for the first year and then it drops off in the second and third years," Esch said.

Requirements for a Superintendent position includes a four year college education, a master's degree and a Ph.D. Superintendents are also mandated by the state to take an additional six hours of college courses within every five years to maintain their certificate.

While industry usually pays for college courses taken by its employees, superintendents are expected to finance the costs on their own.

"Rooster," a 70-pound greyhound with deer-like coloring, wasn't in his usual three-by-three foot wire-mesh crate, nor was he in his usual stable with roughly 50 other of his racing cohorts.

Unbeknownst to Rooster, the world as he knew it had taken a life-saving airlift.

Rooster became one of a small percentage of greyhounds that avoids the grim reaper of death.

## Lowell community grieves loss of a friend; Tammy Huisman succumbs to pneumonia

Lowell's Tammy Huisman, who returned home a little less than two months ago, following nearly 50 days of intensive treatment for recurring breast cancer at Denver's University Hospital, died Thursday morning, Oct. 17, at Blodgett Hospital of pneumonia.

Huisman entered Blodgett Hospital over the weekend of Oct. 12th and 13th. She lapsed into a coma on Tuesday (Oct. 15) following breathing complications.

"It's a tremendous loss," said Brenda Clark, a local leader in raising money for Huisman's treatment. "She touched all of our lives and helped bring our community together."

Mrs. Tamara "Tammy" Huisman, aged 31, was a graduate of Grand Rapids Baptist Academy, a member of West

Cannon Baptist Church, and a member of the Lowell Jaycees. She is survived by her husband, Gerald; her children Brennan, Brittany, Nathan, Devon, and Cameron (C.J.); her parents, Wayne and Sharon Mattson; her brothers and sister, Jeffrey (Alice) Mattson, Deborah Mattson, Gregory (Vonda) Mattson, all of Grand Rapids; her grandparents, Rev. Harold and Leota McNeil of Weston, MI; a nephew, John Daniel Mattson; aunts, uncles and cousins. The service for Huisman was held Saturday morning at 10:30 at Northland Baptist Church, with Pastor Doug Crawford and Pastor Robert McNeil officiating. Interment was in Plainfield Township Cemetery.

For those who wish, memorials may be made to the Tammy Huisman Fund,

C/O FMB State Savings Bank, 414 East Main St, Lowell, MI 49331, attention Kim Gould. This fund is being used to offset the medical debt left to the Huisman family.

Memorials may also be made to the West Cannon Baptist Church - Tammy Huisman Family Fund, C/O Louise Barker, 6859 Cherrywood, Rockford, MI 49341. This fund is being used to benefit the Huisman children. It is to help defray expenses for food, clothing, and Christmas gifts.

Clark also explained that a temporary daycare service was needed for the Huisman children.

## Pioneer Days stakes out an enjoyable weekend

A very enjoyable and successful weekend was the ver-

dict for Pioneer Days in Fallasburg Village, held on Oct. 12 and 13, in spite of variable weather on Saturday. Sponsored by the Fallasburg Historical Society, the event featured crafts, food, demonstrations, a flea market and the museum. The Mankels (Blacksmiths) and the men who taught dowsing (a technique for finding underground water and foundations) drew large groups, and women doing handwork in the 1842 Fallas House, with beautiful quilts hiding the walls under construction, explained their crafts to crowds.

"It was a fun time for all. The society apologizes for the lack of horse and buggy rides. That concession was suddenly cancelled by the owner just the day before, and no substitutes were available on such short notice," said Fallasburg Historical Society President, Priscilla Lussmyer.

Winners of the Cake Contest on Saturday, for which each entrant baked a from-scratch cake from an old recipe were: First, Linda Barnes of Lowell, Black Molasses Cake; second, Doris Roth of Potters Road, Lowell, Dark Layer Cake; and third, JoAnne Miller of Lowell, Grandma Weege's Chocolate Sponge. Prizes were an antique cake stand, Fallasburg cake plate, Fallasburg recipe books and for the seven runners-up, handmade potholders.

Winners of the raffle on Sunday were: Quilt and Pillow, Dee O'Dell of Jenison, Night at the McGee Homestead, Cathy Zoerman of Lowell; Keiser's Kitchen gift certificate, Ray Onan of Lowell; Fallasburg T-shirt, Bob Kyser of Lowell; Covered Bridge placemats, Lisa Siciliano of Lowell; and Fallasburg stationery, Lisa Siciliano, M. Lammas, Ken Olson of Lowell and Janet Thering of Grand Rapids.

The following businesses contributed to the success of the weekend and we thank them heartily! Lowell: Antique Restoration, Curtis Dry Cleaners, Flat River Antique Mall, Lambert Variety, Lions Club, Westside Deli, Keiser's Kitchen, McGee Homestead, Grand Rapids: Transnational Agronomy.

"All of those persons both members and 'interested bystanders' we thank for their volunteer help; and last but not least, we thank all of the visitors who came and sampled Pioneer Days in Fallasburg Village," said Lussmyer.

## Homespun Devotions

By Pauline Spray

... blessed are all they that wait for him (Isaiah 30:18).

It was fun watching my neighbor Doris take a snapshot of her visiting nephews. The four of them gave her a difficult time. Each is "all-boy." First, they shoved. Then they fought. They made funny faces, tugged at their shirts, and chased each other around the yard. All in all, they offered the least possible cooperation. When three of them were still enough to take the picture, the fourth one ran into the house. Boys are full of life. It is "work" for them to remain quiet for any length of time. Many girls are active, too. And many energetic boys and girls grow into adulthood never learning the value of quietness. Activity is good, for inactivity can be a tool of the enemy. But sometimes adults

overdo a good thing. Everyone needs to take time out of a busy life for quiet meditation. Every individual needs to grow still in his spirit and wait often in the presence of the Lord. It is there, Christians, we can find strength for the rigors of the day and confidence to face the uncertainty of the future. Though it may not be easy, we must listen and "wait for Him."

Prayer: O Lord, teach me to grow quiet before Thee. Give me Thy illumination. Make me to do Thy will. I wait for Thee. Amen.

Silently now I wait for Thee, Ready, my God, Thy will to see; Open my eyes, illumine me, Spirit divine! CHARLES H. SCOTT

## Letters to the Editor

Editor,

I am writing this as sort of a final notice and appeal to ALL area veterans. The final notice is just that. A final notice that the deadline for having a friend or loved ones name inscribed on the back of the World War II Memorial Stone is Nov. 5. We intend to have this stone erected before Veterans Day (Nov. 11). So far there have been donations made in the name of the following five vets: Robert "Bob" Ellis, Lynn C. Gardner, Ervin, L.F. and Oscar Nummer.

To reiterate; There are to be five more stones erected. One each to commemorate ALL Lowell area veterans. One each for World War I, World War II, Korea and Vietnam. The fifth stone will be

the most unique as it is to recognize the service of all those men and women who served or are serving their country during The Peace, or in all the little "brushfire wars" or "armed interventions" and receive no recognition otherwise. (By Lowell area we mean also Parnell, Saranac, Ada and surrounding townships in Eastern Kent and Western Ionia counties.)

Once again, a \$100 donation will allow you to have a name inscribed. Only deceased veterans names will be inscribed on the back of the five stones. Corporation and other donations will be on the back of the big stone.

I must say here that I am sorely disappointed in the veterans of the Lowell area. My last update letter (and ap-

peal for funds) to you, the Lowell area veterans and their families, brought in a whole \$25 in three donations. I must also say that this lack of response was not totally unexpected.

There is a track record of apathy when it comes to matters concerning Americans 'Citizen Soldier' veterans. One would hope that the veterans at least would be the first to step forward with a couple of bucks and see to it that this project is funded. People, if we don't do it ourselves, then shame on us, for then we have no right to expect the civilians to do it.

Most of them can't understand what we went through and many don't care. Shoot, look how fast they have forgotten Desert Storm. Where

are the yellow ribbons for the thousands of men and women still over there?

Who in your neighborhood flies the black POW/MIA flag from their flag pole? Most don't even own an American flag, let alone fly it. At the least, on the four national flag days (Memorial Day, the Fourth of July, Veterans Day and Flag Day) Patriot is not a four letter word!

Get involved! Join the American Legion, V.F.W., AmVets, Vietnam Veterans of America or whatever you are eligible to join. They all have worthy projects in the various communities. Be sure to make a donation to the Lowell Area Veterans Memorial Project. c/o Chief Barry Emmons, Lowell Police, East Main St., Lowell

49331. Sincerely, Gordon E. Marshall, Co-Chairman USCG Vietnam Veteran

To the Editor,

I am writing to express my dissatisfaction with your School Board's decision to give Dr. Esch a 5.5 percent increase in his salary and benefits increase at this time.

I feel their timing is very poor with the principals and PTA's trying to figure out how to get our children to and from field trips, as well as all the other cuts, and they're giving out a several thousand dollar raise. In any other business no raises would be given when the company isn't doing well and our school is not doing

well! We wouldn't be making cuts if we were.

You may argue that he deserves a raise, but this was indeed true, but this was not the time. The Headlee override and .55 increase failures on Sept. 24 were the majority of voters trying to send the School Board a message. This salary increase should have been put off until at least spring.

I feel like they are "kicking us while we're down" because we, as taxpayers, not only get to pay for this salary increase but interest on the loan to pay for this salary increase!

Thank you for allowing me to voice my opinion.

Sincerely, Chris Jastifer

STD'S

STD is the acronym when one refers to sexually transmitted diseases. Also known as venereal diseases, these are infections spread by close sexual contact. Currently STDs affect 40 million Americans with about 12 million new cases annually. The most common STDs are Genital Warts, Chlamydia infections, Herpes, Gonorrhea, Trichomonas and of course, AIDS. Most STDs can be effectively treated or cured except

for AIDS. If not recognized and treated early, some of the STDs can damage the reproductive system leading to infertility, transmission to newborns, or other serious damage.

All of the STDs have one thing in common. They are spread by sexual contact. They can be spread from man to woman, woman to man and homosexually. It has been estimated that, in the United States, one in every six adults has a STD. If you have sex, you are at risk. The more sexual partners you have, the higher the risk of contracting a STD. You are at no risk if you don't have sex. You're also at no risk if you have sex only with one partner who is free from infections and has no other partners.

You can prevent the spread of STDs by using condoms if you are unsure of the infection status of your partner. Birth control creams that contain a spermicidal agent, when used along with condoms provide an extra measure of protection. Often STDs have minimal symptoms, especially in

the female. Some symptoms, which may indicate a STD are listed below.

- Women:
- 1) Unusual or foul vaginal discharge
  - 2) Pain in lower abdominal region during sex
  - 3) Burning or itching around the vagina
  - 4) Abnormal bleeding
- Men:
- 1) Drip or discharge from the penis
  - 2) Pain in the testicles
- Both sexes:
- 1) Sores, bumps, blisters or swelling around the sex organs
  - 2) Burning or pain during urination

Often there are no signs or symptoms. If you've had unprotected sex with someone that may have a STD, it is probably wise to be checked by your physician. Untreated STDs can cause lasting damage to the female reproductive organs leading to ectopic pregnancy, miscarriage and infertility. STDs usually do not go away without treatment.

## Book Review by Joan Wittenbach

It was his face that attracted me. The beautiful color of his

skin, his deep, brown eyes looking at me, and yet away. A red head-band pulled his black hair tight to his head, and the grey-white feather attached to it looked like a light breeze was blowing it. "Oh yes," I murmured to myself, "he could have looked like that-Hiawatha could have been that boy."

My reactions to the cover and the credit page of HIAWATHA by Henry Wadsworth Longfellow and illustrated by Susan Jeffers was so stirring, that I knew I would have it someday. Some months later, it came as a birthday present, and it was then that I set up a plan to read it to all my grandchildren.

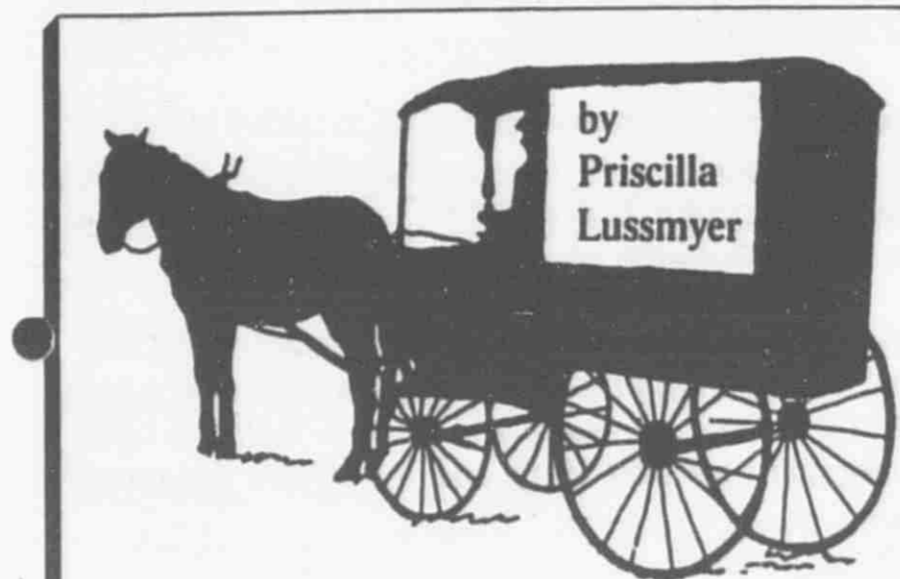

Just before they are four, I show them the book, but we only talk about the pictures. And then I slowly begin to "rhythm the story," a page at a time; not too much at a time. We begin to feel the joy together of this special book. Our oldest granddaughters have met HIAWATHA, and

now it is almost time for our grandson to come to the shores of Gitche Gume, and be introduced to a tiny Indian baby and his grandmother, "Nokomis, daughter of the Moon, Nokomis." Really, I can hardly wait to take him there.

Oliver Wendell Holmes said that the poem was "full of melodious cadences." It seems to me that those are the magical beats that a child hears with his heart. And there is no better place to hear this music than on a parent's lap, or with a grandparent in the quietness of being together. You will not be disappointed in this book!

It can be found in your local libraries and bookstores.

### Item #1. ZONING BOARD OF APPEALS

**A. 2400 W. MAIN - SAM'S SERVICE CENTER - SIGN VARIANCE - PUBLIC HEARING.** Councilmember Thompson, as Chairman of the Zoning Board of Appeals, opened the public hearing. Sam Lombardo, owner

of Sam's Service Center, stated that he had petitioned for the sign variance so that he could display the services his business offers as well as identification. City Manager Pasquale mentioned that the Planning Commission reviewed this petition at their September 23 meeting and provided the following recommendations:

1. the west building: remove the 96 s.f. sign on the east side leaving 192 s.f. overall. Also, remove the two Goodyear signs in the rear with one identification sign remaining.
2. the east building: the sign on the east side of the building should be removed (approximately 96 s.f.) with the six existing signs remaining.

There were no comments received from the public. Councilmember Thompson closed the public hearing.

IT WAS MOVED BY HODGES and seconded by MAATMAN to grant the sign variance to Sam's Service Center, 2400 W. Main for 192 s.f. of signage, plus the identification sign in the rear for the west building and the six existing signs on the east building as recommended by the Planning Commission.

**Item #2. AMENDMENT TO COST RECOVERY ORDINANCE RESOLUTION FOR FEES.** On May 7, 1990, the City Council passed an ordinance charging fees for cost relating to police, fire, and rescue services involved to those arrested while under the influence of alcoholic beverages and/or controlled substances. With the ordinance, a resolution was enacted outlining the various costs. It had been recommended by the city staff that the actual labor and vehicle costs be referenced in the resolution rather than specifically mentioned. This would eliminate the need to constantly update resolutions before the Council.

Chief Emmons stated that 124 drunk driving arrests have been made since the approval of the ordinance in which twenty-one were billed. Out of the twentyone, eleven have been paid amounting to \$713.55. It has been quite cumbersome to collect and he felt that the City should probably seek the services of a collection agency. Chief Emmons recommended the approval of the cost recovery ordinance resolution for fees.

Councilmember Doyle commented that as always, those who have the money will pay and those who do not will not pay. He questioned how other cities are handling this and is it going to be worth all the effort.

Chief Emmons responded that the City of Wyoming is attempting to enact the same type of an ordinance. The City of Kentwood does have this policy and their collections are proceeding the same as Lowell's.

IT WAS MOVED BY THOMPSON and seconded by HODGES to approve the amendment to the Cost Recovery Ordinance resolution for fees based on current costs.

**Item #3. PURCHASE AND INSTALLATION OF CHAIN LINK FENCE FOR STONEY LAKESIDE PARK AND THE WATER TREATMENT PLANT.** Bids were solicited for the purchase and installation of 1000 lineal feet of chain link fence to separate Stoney Lakeside Park from the Water Treatment Plant for security purposes. Also, 385 lineal feet of fence would be placed in front of the plant property along with two gates. Water Treatment Plant Superintendent George Regan stated that this would provide an extra measure of security for the plant and wells.

The bids were as follows:

Good Fence Inc. (Wyoming)	\$11,914.00
Cedar Springs Fence Co. (Rockford)	11,993.94
K & L Fence Builders (Hersey)	12,152.27
Fence Consultants of West Michigan (Grand Rapids)	12,840.00
Freedom Fencing (Grand Rapids)	13,725.00
Ace Hardware (Wyoming)	16,916.00

It was recommended that the bid be awarded to the low bid from Good Fence Inc. for \$11,914.00. The cost would be allocated to the Water Fund (\$8,544) and the Lee Fund (\$3,370).

IT WAS MOVED BY FONGER and seconded by THOMPSON to award the project to Good Fence Inc. at a cost of \$11,914.00 to purchase and install a chain link fence for Stoney Lakeside Park and the Water Treatment Plant.

## LHS recognizes National Merit Scholarship commended students

Principal, Jim DeWeerd of Lowell High School announced that Jennifer Wieland, Clay Pelon and

Lowell High School recently recognized three of its seniors for being named commended students in the National Merit Scholarship Program. Pictured, from left to right, are Clay Pelon, Melanie Kaeb, Jennifer Wieland and Lowell student counselor, Barb Pierce.

Melanie Kaeb have been named Commended Students in the National Merit Scholarship Program.

About 35,000 Commended Students throughout the nation are being honored for their outstanding performance on

the 1990 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test, which was the route of entry to the 1992 Merit Program.

Commended Students have shown exceptional academic promise by placing among the top five percent of

more than one million programs' entrants, but their qualifying test scores are slightly below the level required to continue in the 1992 competition for Merit Scholarships.

"The high performance of the young people honored as Commended Students in the

Merit Program is indicative of their outstanding scholastic ability," DeWeerd said. "I hope that the recognition of these students will increase their motivation to make the best use of their talents and to develop skills that our nation will need in the future."

## Springtime swimming and picnics scheduled for Stoney Lakeside Park

Show me your best side? For the City of Lowell, come next spring that may very well be Stoney Lakeside — Park, that is.

The land was purchased back in 1985. Application for park funding was sought in 1989. Construction of the park was initiated in July of this year. Swimming, picnics and fun should start in the spring of 1992.

"The City does a lot with people's money that cannot be seen, that is not tangible," Lowell City Manager Dave Pasquale said. "The new park is very tangible. It is some-

thing people can use." Pasquale came to Lowell in 1987. He considers Stoney Lakeside Park one of the bigger projects that has been completed under his tenure.

"The Park, the new Fire Station and the new traffic light/city parking," he says.

Contractually all that remains to be done is the hydromulching and asphalt. Both are expected to be completed within the month.

Next spring a rail fence will also be erected in front of the property and along the east side of the park.

Pasquale said more im-

provements to the park will be looked to in the future. That would include hiking trails, boat launch and someday a possible community center on the west side of Stoney Lakeside Park.

The beach and swimming area have been sectioned off.

"The swimming area was cleaned and sand was out into the lake as well as onto the beach," Pasquale said. "The beach will provide the community with a passive, recreational place to picnic."

Pasquale adds that he has

and E. Main and Lafayette; and Avery between E. Main and N. Monroe. Work would involve curbing, drainage work, milling of existing pavement and asphaltting these streets. In addition, the perimeter of the road around the Cemetery will be paved as part of the project. The following bids were received:

Lee's Trenching Service (Jenison)	\$62,360.80
Ionia Construction (Saranac)	65,532.00
Mardic Construction (Grand Rapids)	71,235.00
Diversco Construction (Grand Rapids)	74,034.50
Youngstrom Contracting (Ionia)	77,172.00

After review from consultant engineering firm OMM Engineering, Inc. of Grand Rapids, Lee's Trenching Service was recommended for project award. It was noted that \$68,000 had been allocated to the project and recommended that these remaining funds of approximately \$5,600 be allocated for spot inspections and testing by OMM Engineering. DPW Director Siciliano will also be inspecting work, but the engineer is needed for such tasks as compaction test and shooting grades.

It is anticipated that this work will be completed in approximately three weeks and should be finished before winter. But if there is a delay with the project proceeding into the next year, the cost will remain the same.

IT WAS MOVED BY HODGES and seconded by DOYLE to award bid to Lee's Trenching Service for \$62,360.80 for street improvements and \$5600 for OMM Engineering for inspections and testing.

**Item #6. CITY HALL SECOND FLOOR WINDOW REPAIR AND SEALING.** Three bids were received for rebracing the west windows for the City Hall second floor. The work will involve resetting one sash and repointing, caulking and sealing. Upon further inspection, there may be added caulking and masonry work on the building.

The bids were as follows:

Rapid Construction	\$1,808.00
Batchelor Restoration	1,980.00
JWK Construction	time and materials

IT WAS MOVED BY FONGER and seconded by DOYLE to award contract to Rapid Construction for \$1,808.00 for City Hall second floor window repair and sealing.

**Item #7. BIDS FOR SALE OF PARK PROPERTY.** As instructed by Council, the City advertised for the sale the one half acre of Creekside Park property in the Lowell Ledger. One bid was received by letter from Wendell Christoff of Chadalee Farms stating his intentions to purchase the property for the appraised value plus the cost of the appraisal.

The property was appraised at \$6,500 by Bruce Broersma of Grand Rapids. Therefore, it was recommended that the former Creekside Park property be sold to Chadalee Farms for \$6,500 plus the \$500 appraisal fee.

IT WAS MOVED BY THOMPSON and seconded by HODGES to accept the bid from Chadalee Farms for the appraised \$6,500 plus the \$500 appraisal fee to purchase of the former one half acre of Creekside Park.

**Item #8. CITIZEN COMMENTS.** None.  
**Item #9. COUNCIL COMMENTS.** Councilmember Thompson asked for an update on the Main Street trees. City Manager Pasquale stated that there was a meeting on September 19 with Tony Siciliano, Dan Des Jarden, Ron and Laura McCollum and himself regarding the trees. A map was given to the McCollums outlining exactly where the trees were to be planted in the parks and cemetery. DPW staff would be available at any reasonable time to assist. The McCollums were made aware of the Council's intentions regarding the October 15, 1991 deadline.

Councilmember Thompson also mentioned that his daughter's first grade class went through the police department, fire department and post office. The children really enjoyed the tour. He also wanted to insure that the \$6,500 for the property sold to Chadalee Farms would go into the funding for parks.

Councilmember Doyle stated that Gus Tree Service is doing a good job and asked if the firm is finished. DPW Director Siciliano responded that the tree service is having a piece of machinery repaired so that the work can be completed soon.

Councilmember Doyle also thanked the Council for sending him to the Michigan Municipal League Convention at the Amway Grand Plaza in Grand Rapids. It was very educational and informative.

**Item #10. MANAGER'S REPORT.** City Manager Pasquale reported on the following:

1. In talking with Tom Byle of the The Kent County Road Commission, it would appear that Fun Street improvement project will most likely take place in the Spring.
2. As requested, a schedule of sweeping as well as time spent each month from April to September was attached in the Council agenda packet. Also a map showing areas where weed and grass cutting by the curb has been completed as of October 3 was included.
3. The Lowell Airport Board met on September 24 and were informed that the State intends to have a completed Airport Master Plan draft at their October meeting. A public hearing meeting will be scheduled shortly thereafter.

IT WAS MOVED BY DOYLE to adjourn at 8:05 p.m. APPROVED: October 21, 1991

# TOWN TALK

During the televised battle between Clarence Thomas and Anita Hill hearings did you get a feeling for who was telling the truth or was more believable? Do you agree with the decision to nominate Thomas to the Supreme Court?

**Kelly Lovell**

I have mixed emotions. I watched all of the hearings and found both to be convincing. No, I don't think Thomas should have nominated to the Supreme Court. Not because of anything Hill said, but because of his view on key political issues such as Roe vs. Wade.

**Ken Hecksel**

I agree with the decision to nominate Thomas to the Supreme Court. Both are lawyers and are skilled at talking to people and sounding convincing. I thought there was believability and distrust both ways.

**Jeanne Arehart**

I thought Hill was more believable than Thomas. I am not happy with the decision to nominate him to the Supreme Court. I think Thomas should have withdrawn.

**Diana Williams**

I don't think someone's personal life should be put on television. From what I heard, I think Hill was in the right. I disagree with Thomas' nomination.

**Mike Shalander**

I think Thomas will make a good judge. Most of Hill's charges were from 10 years ago, and there was no basis for them. He was more believable.

**Helen Kuiper**

Of what I did see, I couldn't determine innocent or guilty either way. I did not see or hear anything to prove him guilty. If sexual harassment has been an issue why wasn't it brought up earlier?

**Mike Hayden**

I watched the hearing all the way through. I felt Thomas was more believable. Why did she wait 10 years to bring the sexual harassment charge forward? She didn't accuse, all she made was allegations.

**Val Walker**

I thought Hill was telling the truth. She sounded much more believable. I don't think Thomas should have been nominated. I don't think the issue was investigated enough.

heard positive comments on the \$124,693 recreational project which was originally budgeted for \$117,000, of which just \$5,000 was used from the general fund contingency account. The Look Fund generated \$60,000. The City received \$47,000 from the State Recreational Bond Fund and \$12,700 from the

Lee Fund. Pasquale said the upkeep would be included in the yearly budgets. The Lowell Rotary Club will donate \$9,000 over the next three years toward the purchase of trees for park landscaping. This fits the environmental project theme of Rotary International.

# Skelding's veterinary clinic - "Remembers to care"

Dog is man's best friend. Grand River Veterinary Conversely, Sue Skelding, Clinic, may very well be area owner of the newly opened dogs' best friend.

Veterinarian Sue Skelding, of the Grand River Veterinary Clinic, opened up business in Lowell on Monday, Oct. 14.

Her outpouring of affection for dogs, cats, birds, and any other small animal you dare to mention, is infectious to those who work around her. For the small animals who visit Skelding, she makes the Grand River Veterinary Clinic seem like a Nirvana for small animals.

Skelding credits caring for any success she has earned as a veterinarian. "It's important to care about the animal and

it's important to remember to care, and not lose sight of that after eight, 10 or 20 hours of work."

Skelding says she cannot think of anything else she'd rather do. The Grand River Veterinary Clinic owner enrolled at a veterinarian technician school in Glenwood Springs, CO. "From there I

went on to earn a degree from Colorado State," she explains.

As a child she was heavily influenced by her family. The Skeldings raised Percheron - big draft horses.

Her family was also a major influence as to why she returned to the Saranac area after living in Colorado for 10 years. "Colorado is wonderful. The sun always shines there. But my family and my grandmother live in the Saranac area," she explains. "The economics are not as good in Colorado either."

Skelding opened up her veterinary clinic on Columbus Day (Oct. 14). She was joined in her venture by business associate Kay Estes.

The Grand River Veterinary Clinic marks the second animal clinic in Lowell. "Sure Lowell is big enough for two veterinarians. That's part of the reason I chose Lowell. It allows me to draw from Saranac and Grand Rapids. It's centrally located," Skelding explains.

Prior to her new business adventure, Skelding ran an animal house-call business.

"I'm not worried. The Grand River Veterinarian Clinic will work. I have no doubt," Skelding said. The veterinarian added that she did more than hang a shingle and say a prayer before undertaking the business venture.

Grand River Veterinarian Clinic will offer extended hours. On Monday, Wednesday and Thursday it will be open from 8 a.m. until 5:30 p.m.; on Tuesday and Friday it will open at 8 a.m. and close at 6:30 p.m.; and on Saturday it will be open from 8 a.m. until noon.

Skelding will be helped by five part-time employees. "I find my job rewarding and challenging. Every day is different," Skelding said.

Skelding needed a little help lifting this big lab up onto the examination table. The Grand River Veterinary Clinic will be open six days a week.

Lowell Police Chief Barry Emmons and Lowell assistant principal Scott Vashaw enjoyed a "Business Partners Breakfast" at the Lowell Middle School last week.

## Siciliano presents street sweeping schedule to City; rebuffs street cleaning questions

In response to the City Council's inquiry about street sweeping, Department of Public Works Supervisor, Tony Siciliano, presented the Council a schedule of sweeping as well as time spent each month from April to September.

The question of how often City streets were being swept, was brought up by councilman, Jack Fonger at a September meeting.

"City streets are being swept once a week. This is not

as often as we would like, but the DPW does not have enough manpower to sweep the streets with more frequency," Siciliano said.

There are seven men in the public works sector. Three are assigned to streets and there is one assigned in each of the other four sectors - parks, water, cemetery and mechanical.

"However, in an emergency, all are counted on to flow into the other areas to

help out," Siciliano said. "An example of this was the storm. The DPW spent four weeks cleaning up. Employees had to be pulled from water, parks, and cemetery."

The DPW supervisor says currently 34 operational hours per week are spent sweeping the city streets. An additional six hours are spent on sweeper maintenance.

"The biggest problem we face in sweeping the streets, Sweeping cont'd pg. 26

## "Business Partners Breakfast" brings business and school officials together for Renaissance update

Lowell assistant principal, Scott Vashaw, raised an important and somewhat self-critical question to school administrators and himself about their commitment to excellence.

"Each year we applaud and reward the top 10 percent of the academic class," Vashaw said. "But what do we do for the 90 percent that know, after their first semester as a freshman, they are not going to be a top 10 student? We don't do spit for them."

Vashaw believes wholeheartedly Renaissance can reverse that trend.

"Everyone can achieve relative to their potential," he said.

The framework of the Renaissance program is based on business principles such as motivation, recognition, rewards, and incentives for all students. "The top 10 students are already motivated. We want to provide incentives and motivation for 100 percent of

the students." At a academic ice cream social dessert last year, students who received all A's on their semester report card and/or improved their grade-point average by .5 from one semester to the next were recognized.

"What was neat, is the fact that the class valedictorian who earned all A's was sitting next to a student who went from getting all F's to a report card that had two D's and three F's, improving the student's GPA by .5," Vashaw said. "The student told me afterwards that was the first time in 13 years of schooling she had a teacher or school administrator recognize her or say something positive about work she had done."

On Monday, Oct. 15, Lowell Schools held a business partners breakfast. Local businesses were updated on the progress of the program.

Businesses were also asked to verbalize their needs with

regards to education and training.

Tangible rewards reap by business through the Renaissance program include increased sales, support and advice from the school, an employee training and training.

Vashaw says the program affects grades, attendance, at risk students, dropout rate, discipline problems, teacher morale, staff turnover, parental involvement and community support.

Simply stated, Renaissance is looked at as a new commitment to excellence in education. The mission of Renaissance is to help every school (K-12) in America promote and achieve academic excellence. The program believes that "what gets rewarded, gets accomplished."

"By turning out a better product, we create a better community," Vashaw concludes.

The first ferris wheel was erected at the 1893 Columbian Exposition in Chicago.

# Red Arrow girls drop last-second thriller to Rogers, 45 - 44

At what point does a girls' high school basketball game turn into a chess match?

For Lowell coach Ken Akers, it happened in the second quarter of Thursday night's 45-44 defeat to O-K White Conference leader Wyoming Rogers.

"From the second quarter on, I don't think I ever had the lineup out on the court that I wanted," Akers said. "With our foul trouble it was like a chess match moving people

around."

In Akers juggling match of players, he nearly pinned a checkmate on the league's top team.

"It was a good and exciting ballgame," Rogers coach Jeff Hudson said. "We were never able to get our leading scorers, Brandi Kogler and Heather Brown off, but sophomore guard, Marcie Harmsen played a wonderful game."

It was Harmsen who executed the biggest play of the

game with less than 15 seconds remaining.

Lowell led 44-43, with roughly 15 seconds to play. Red Arrow guard Amy Stauffer went to the line for a one-and-one. The sophomore missed the front end, a scramble for the rebound ensued with Rogers' Harmsen picking the ball up near midcourt and taking it down court before netting a short jumper with eight seconds to play.

"It was a great play by Harmsen. Lowell's defender did a good job of getting back on defense and taking away an uncontested layup," Hudson said. "If Harmsen would have went right to the bucket, she probably would have been called for charging."

Lowell led 26-25 at half-time. Rogers used a 5-0 run to end the third quarter, earning it a 35-34 lead to start the final stanza.

Lowell senior forward,

Renee Nugent was the Red Arrows' featured scorer in the first four minutes of the fourth quarter. Nugent tallied two of Lowell's three buckets as the

## FAMILY FARE Athletes of the Week

**Eric Claypool**  
The Red Arrow scored his first varsity goal in Lowell's exciting 1-0 win over the Pioneers at East Grand Rapids. Claypool was assisted on the score by junior Jason Graber and Ryan White. The win enabled Lowell to finish third in the conference.

**Ryan White**  
White has been a steady influence all year for Lowell. His ball handling skills and direction on the field has helped to guide the young Red Arrows to a 4-2 record in the O-K White Conference.

**Chad Dunn**  
The Red Arrow fired a round of 80 at the regional in Alma to gain a birth to the state tournament in East Lansing over the weekend. Dunn placed in the middle of the pack as he shot an 86.

**Stephanie Ward**  
Ward strung together two strong performances against Rogers and Wyoming Park to end the season. Her effort against Park helped Lowell post their only conference win of the year. She placed 31st at the conference in a time of 24:03.

# Zeeland earns league title; Lowell boys place 4th

In 16 years of coaching cross country, Zeeland's Bob Carigon, a Lowell graduate, could count on one hand the number of conference championship teams he'd coached.

Following Monday's O-K White Conference run at Johnson Park, Carigon increased that number by one, from two to three.

"Next year may be my final year of coaching, so winning the conference championship this year is really sweet," Carigon said. The cross country league title is Zeeland's first in the O-K White. Its last title came in 1985 in the O-K Gold.

The Chix showed on Monday that if your top five runners are strong enough, depth doesn't necessarily play a role. Forest Hills Central, the

defending champion, was the favorite to win the league title again in 1991, because of its depth.

The Rangers could not overcome a couple of Chix clusters, as it finished two points behind Zeeland. Zeeland finished with 49 points. It was followed by FHC with 51; Sparta 76; Lowell 102; Rogers 109; East Grand Rapids 126; Wyoming Park 150, and Northview 219.

Zeeland's James Serne was third in 17:17 followed by teammate, Mike Tubergen, fourth, 17:30. The Chix second cluster came in at 11 and 12. Ryan Schroterboer and Aaron VanderWege were both clocked at 18:05.

Conference meet medalist was FHC's Matt Kenney, coming home in 17:03. Five

seconds off the pace was Park's Jeremy Hurley, 17:08. Lowell received another gutsy performance by senior David Stouffer. He stopped the clock at 17:57. Jason VanderWarf was 14th in a time of 18:14.

Running his best race of the year, Sergio Saldivar finished 22nd in 18:41. Dede Kanoza was 28th at 18:57 and Tom Mull placed 30th in 18:58.

"Stouffer and VanderWarf ran outstanding races and Saldivar was great," Lowell coach Tom Harper said. Lowell, with its fourth place finish, ends the year tied for third with Sparta.

Following Kenney were Justin Schuhardt, fifth, 17:37; Aaron Havenga, ninth, 18:00;

Doug Duffin, 16th, 18:16; and Ryan Minkus, 20th, 18:35. Sparta harriers came off the course like this, Gary Austin, seventh, 17:47; Aaron Kamphuis, 13th, 18:12; Lee Bower, 15th, 18:15; Chris Shelner, 18th, 18:27; and Brett Bunker, 23rd, 18:44.

EGR's top 30 finishers included Pat Crawford, last year's conference champion, 10th, at 18:03; Marcus Zarafonitis, 26th, 18:52. Mike Machiorlatti was 31st and Brian Davis was 32nd.

Leading the charge for Rogers was Scott Benton, sixth, 17:41. Dan Swiger was 17th, 18:21; Steve Hill, 21st, 18:40; and Matt Lenger was 25th at 18:45. Joe Lystad placed 40th.

Other than Hurley, Joe Wilson was the only other Viking to place in the top 30. He came home in 18:45. Brian Jirous was 34th, Damir Tokic was 44th and Tom Dombrowski was 46th.

For Northview, Sam Quantz was 35th, Tim Fillmore was 38th, John Dillenbeck was 47th, Brian Skudre was 49th, and Ryan VanderZwart was 50th.

Lowell runs in the Bath Regional on Saturday.

Lowell was paced by the running trifecta of David Stouffer, Tom Mull and Jason VanderWarf.

Stouffer was second behind Park's Jeremy Hurley, who came off the course in 17:07. The Red Arrow came home in 17:53.

Stouffer was followed by Mull who was clocked at 18:20. VanderWarf, third, came off the course in a time of 18:30.

Park's Joe Wilson was fifth at 18:36. Brian Jirous came home in sixth in a time of 18:42.

Sergio Saldivar was seventh just eight seconds back in a time of 18:50. Dede Kanoza was eighth at 19:04.

Vikings' Damir Tokic placed 10th in 19:43 and Tom Dombrowski was 11th in 20:03.

# Oliver claims individual honors; EGR #1 again

Michelle Oliver won every O-K White Conference race she ran in during the regular season.

However, there were still those who doubted her ability. There were those who thought she paled in comparison to Zeeland's Tonia Koppenaal. The Chix was ranked the league's top runner entering into Monday's Conference race.

Some even preferred East Grand Rapids' Mandy Nichols, who was ranked third in the individual conference standings.

Oliver turned doubters into believers Monday at Johnson Park as she ran away from EGR's Nichols in the final 200 yards to earn top individual honors in the O-K White in 1991.

"Michelle has confidence that if she hangs tough, she can win a race at the end," Lowell coach Tom Harper said. "Today, she ran with

Nichols throughout much of the race, but as the two runners approached the finish, Oliver pulled away."

The Red Arrow finished in a winning time of 21:13. While individual honors went to Oliver, Nichols and her teammates basked in the glow of another O-K White Conference Championship, the Pioneers fifth straight league title.

Tonia Koppenaal and the Chix celebrated a second place finish. East Grand Rapids was first with 44 points. It was followed by Zeeland 64; Sparta 85; Forest Hills Central 87; Lowell 124; Rogers 148; Northview 165; and Wyoming Park 182.

Sara Lesky put forth a strong showing as she placed ninth in a time of 22:27. Lowell's Stephanie Ward was 31st, stopping the clock at 24:03. Angela Smith was 40th at 25:17 and Jenny Kerman

was 43rd, coming off the terrain in 25:46. For the Pioneers, Nichols was clocked at 21:17, placing second; Leslie Budde was eighth at 22:22; Stephanie Sarvardi was 10th in a time of 22:34; Sarah Vaughn was 11th, stopping the clock at 22:36. EGR's fifth runner came home in 22:48, finishing 13th.

Zeeland placed three runners in the top seven, but the gap between its third, fourth and fifth runners was too wide to compete with the Pioneer depth.

Becky Gemmen was the top Chix runner, placing third at 21:34. Koppenaal was fourth in 21:45; Amber Lamer came home in seventh at 22:10. The next Chix home was Lisa Overzet, 21st, at a mark of 23:36. Zeeland's fifth runner was Michelle DeJong, 29th, 23:54.

Sparta was led by Kristen Polakowski's fifth place finish, 21:48. She was followed by Trisha Dunn, 17th, 23:22;

Jenny Getting was 23rd at 23:38. Filling team three through five were Michele Molen, 32nd; Anne Baxter 33rd; Trang Phan, 38th.

Courtney Hartmann was Northview's top harrier, finishing sixth, in 21:58; and Stephanie White placed 24th at 23:42. Northview's Cindy Pomeroy was 44th; Rachel Snedeker was 45th; and Renee Garbowitz was 46th.

Tami Zwiers was Rogers' team medalist, finishing in 22nd, at a time of 23:36; and

15th at 23:07. Jenny Buist was 28th in a time of 23:52. Melissa Fisher placed 41st; Julie Herman came home in 48th and Jenny Weller was 50th.

Lowell's girls' cross country team avoided being shut out in the O-K White in 1991, as the Red Arrow girls posted their first league win in their

# Ailing Red Arrow soccer team shuts out EGR, 1 - 0

Lowell soccer coach John Turkal referred to his club at season's end as the "Ramblin Wreck."

Why not, Jon Kohler, Troy Addington and Aaron Snell were all playing injured in Lowell's final two games against DeWitt and East Grand Rapids. "Our striker line and midfielders missed action against DeWitt because of the flu," Turkal explained.

They cleaned their system of the flu in time to finish up the regular season against the Pioneers.

Lowell started strong against East Grand Rapids and tallied the game's only goal. It came in the first half off the foot of Eric Claypool. He was assisted on the score by Jason Graber and Ryan White.

Lowell was outshot in the contest by the count of 21-5.

"It wasn't until the last 15 minutes of the contest that we began to tire and EGR began to take control," Turkal said. "Strong pressure by our midfield and strikers helped keep EGR at bay. We were able to keep them outside the penalty, forcing most of their shots to go high and wide."

Turkal praised the defensive efforts of Ryan Peel on the Pioneer striker line. He also recognized Casey Brown and Addington for their defensive prowess against EGR's Brian Kropf.

"Our midfielders of Roudabush, Graber and Schuster did a good job in transition. They shut down East repeatedly from 30 yards out," Turkal said.

# Calvin ranked among nations best colleges & universities

Calvin College has been named one of the nation's top regional universities in an annual survey of America's most esteemed institutions of higher learning.

The exhaustive study, published in the Sept. 30 edition of U.S. News & World Report, ranked Calvin in the top 15 universities in the Midwest region.

The news magazine, in compiling the 1992 ratings, cited Calvin's academic reputation and the high quality of its pool of freshman applicants as key reasons for the college's standing among the country's elite educational institutions.

Calvin College President, Anthony J. Diekema said he was gratified by the national news magazine's recognition of the college, asserting that it underscores the commitment of faculty and administration to provide a comprehensive and academically challenging program of Christian liberal arts training.

Calvin College, founded in 1876, is affiliated with the Christian Reformed Church in North America, and has enrolled more than 4,000 students for the 1991-92 academic year. It also is ranked as one of the top 50 liberal arts colleges in The National Review College Guide.

Lowell battled to a 1-1 halftime tie, but were outmanned in the second half by a stronger DeWitt squad.

"We were not healthy and I didn't want to do anything that would minimize our chances against EGR or in the tournament," Turkal said.

The Lowell coach removed Kohler, Snell and Addington from the game at halftime.

Lowell will open up tournament play against the winner of Caledonia and Hastings.

There will be a \$2 entry fee.

# YMCA shooting contest, Nov. 5

The results of the contest will be compared to those of other participating YMCA's in the United States.

The top winners in each category will be invited to the Harlem Globetrotters game in Springfield, MA on Saturday, Dec. 21 to shoot it out during the halftime show. All expenses will be paid.

Local winners will receive a T-shirt. For more information call the Lowell YMCA office at 897-8445.

The Lowell YMCA Leader's Club will sponsor a basketball shooting contest at the Lowell Middle School gym on Tuesday Nov. 5 from 6:30 until 7:30 p.m.

# Girls continued

last conference match of the season on Wednesday at Johnson Park.

For the first time this year, four of Lowell's harriers placed in the top seven. Stephanie Ward and Jenny Kerman finished five and six in the race against the Vikings. They also beat their race against time, as they posted their seasonal best times.

Ward was fifth at 24:41. Kerman was on her back heel at 24:42. Angie Smith placed eighth, stopping the clock at 26:47.

Red Arrow harriers Michelle Oliver and Sara Lesky took top honors as they finished one and two respectively. Oliver the meet medalist with a time of 21:36. Lesky was second at 22:40.

The Vikings were paced by Jodi Hurley, who finished third at 23:06. Liz Shaver was fourth at 24:17. Jenny Buist came home in seventh at 24:44. Julie Herman was ninth, stopping the clock at 29:16 and Jenny Weller placed 11th at 31:56.

The win pushes Lowell's league record to 1-6.

# Financing a key question in water/sewer projects

John LeFevre, an engineer with Fishbeck, Thompson, Carr and Huber, presented the Lowell City Council with estimates on what it would cost to create a high pressure water district on the northeast side.

The project estimate was broken down into five areas with various options to include sanitary sewer and street improvement work. This could allow the City to initiate a range of projects dependent on the interest of the proposed condominium development as well as neighborhood residents.

What the cost estimate could not account for was how the project and its various options would be funded.

"It would be a shame to tear everything up and not do the whole thing (water, sanitary sewer and curb and gutter)," Lowell Mayor, James Maatman said. "The cost though is scary."

The cost for water would include a \$2,300 special assessment per lot and a special assessment of roughly \$8,200 per lot for sewer. Special assessment could take up to 15 years to pay back.

Area one would call for a \$204,000 water service to the proposed condominium site. Estimated costs to replace all pavement, subgrade and to improve drainage is \$280,000.

Alternate II site work would include replacing pavement, sub-base, installing storm and sanitary sewers, and installing sewer extension along Grindle Drive at a cost of \$384,000. An outlet at the intersection of Grindle/Hillside and Grindle/James Street would be installed for future expansion.

Area II would extend water main on James Street between Grindle and High Streets and extend the water main on High Street from James Street to the proposed condominium site. The estimate cost is \$28,000.

Alternate site work in area two is estimated at \$224,000. This would include replacing pavement, sub-base, improving drainage, replacing pavement, installing curb and gutter and storm and sanitary sewers.

Area three would complete a water main loop by extending an eight-inch water main along Division Street between Grindle and High Streets and along High Street and Division and James Street. A sub total for the water system is estimated at \$33,000.

The estimated cost for alternate site work in area three (replacing pavement, sub-base, drainage improvement, installation curb and gutter and storm sewers) is approximately \$236,000.

To extend the water main on Grindle Drive from Grindle Street to Fun Street, it would cost \$30,000, according to the estimate. Alternate site work costs would total \$284,000 (would include replacing pavement, sub-grade, install curb and gutter and storm sewers and drainage improvements).

To extend the water main on Hillside Court from Grindle Street to the end of the cul-de-sac, and to extend main through the cul-de-sac to provide a loop to Shepard Street, it would cost \$40,000.

Alternate site costs would total \$249,000. That would

include replacing pavement, sub-grade, drainage improvements and installation of curb and gutter and storm sewers.

The City's portion would be 25 percent of the cost. Those cost could be met in a variety of ways - through increased water and sewer rates (through a special assessment bond); a general obligation bond which would call for a vote of the people (people would have to vote on it) or borrowing money and the people paying it back.

"With the times, I'm not sure people in the area can take a \$8,500 hit," Councilman Bill Thompson said. "The work has to be done. The cost will never be any less than it is now."

Dick Bryan, a prospective condominium developer, said the water/sewer project would open up other development possibilities along Grindle, James, High and Division Streets.

"Just water would not do developers any good. They would then have to go to M-21 for sewer," Bryan said.

Pasquale said the City's budget includes upgrading the water main on James Street to six inches come spring.

Bryan asked the Council that it look to serve the people in the City and not just the proposed condominium project.

Bryan was asked how much the condo developers are willing to spend toward the project? "We're willing to put in a lot of time discussing the matter," he said. "The City needs to decide whether it can provide water and sewer. Then we will decide what to pay."

LeFevre said the project could be completed in one construction season (spring to fall).

# Children & drivers need to be alert on Halloween

Parents need to equip their trick-or-treating youngsters with more than a cute costume and pillowcase to carry home treats, according to AAA Michigan.

While no children were seriously injured last year trick-or-treating in Michigan, the combination of kids, cars and costumes is dangerous for children and motorists who ignore safety rules, said Robert V. Cullen, AAA Michigan Community Safety Services manager.

Children must remember to cross streets at corners and

look for traffic in all directions before stepping off a curb," Cullen said. "And drivers must be extra vigilant and limit their speed in residential areas to 15 mph during trick-or-treating hours."

To encourage safe trick-

or-treating, "Light Up A Life" program provides free book-marks listing Halloween safety tips at all Auto Club branches statewide.

Safety tips include: Trick-or-treat before dark • A mask obstructs vision so use

makeup instead • Wear bright costumes with reflective tape so drivers can see you • Plan your route with your parents and select streets that are well-lit • Never cross between parked cars or in the middle of the block • If there is no sidewalk, walk facing traffic

well off the road • Parents or older children should chaper-

one young trick-or-treaters. Others should travel in groups.

New Year's Day has its origin in Roman Times, when sacrifices were offered to Janus, the two-faced Roman deity who looked back on the past and forward to the future.

# Fillman's 4th-grade students forego television for books, family and education

"TV Busters." Mike Fillman's fourth grade Alto Elementary Class has put aside 20 school nights of television for reading, family activities and educational shows.

Fourth-grade students foregoing Doogie Howser or Bart Simpson for a good book or the news on CNN?

It sounds preposterous. But folks, it's actually happening. Pat Marker's (Hutchinson, MN) "TV Buster" idea to have students read more books, do more activities with their family, to be more selective of what they watch on television, is being practiced by 50,000 fourth-grade students around the country. Included in that figure is Mike Fillman's Alto Elementary fourth-grade class.

"The class voluntarily started the 20-school night exercise last Monday night and have really got wrapped up in it," Fillman said.

Just the students Mr. Fillman? "No, the students insisted that if they were going to forego those silly, non-intellectual television shows, the teacher should too," Fillman said. "Students do not have to do this. I had a student come in one morning last week and say he didn't make it. He watched a Detroit Pistons basketball game the night before.

Another student suggested Bart Simpson was educational television. "I asked him how he figured? He said, 'It teaches you how to be a smart aleck,'" Fillman smiles.

The T.V. Buster activity is practiced, if a student so desires, Monday through Thursday. On these nights, students are to try not to watch television unless it is educational. Better yet, students are encouraged to read or to do something with their family. Each night before they go to bed, students have their parents write on a slip of paper what they did that evening instead of watching television. For each slip that is returned to Fillman, the student gets a check by their name on the big tote-board like display in the classroom. Furthermore, the slip then serves as a raffle ticket as it is stuck in a jar. At the end of the "T.V. Buster" activity, Fillman will draw out door prize winners. So, if a student participates in the activity on each of the 20 evenings, his or her name will be entered into the drawing 20 times. If a student participates

once, then the name will be entered only once.

"Students must return the slip the next morning. They cannot bring in Monday's slip on Wednesday," Fillman said. "The slip must also be signed by their parents."

Fillman has asked his fourth-grade class to share the alternative activities they have done instead of watching television. "What's been interesting, is a student will say 'I played this with my mom or dad last night.' Another student will think that's a good idea and go home and try it," Fillman explains.

The classes' initial reaction was that the activity would be difficult. But with each passing day, difficulty has faded into fun.

Caleb Grummen's mother, Bee Grummen, writes, Caleb had a pillow fight, listened to the radio, got beat up by his brother Lucas and went to bed early. Next to pillow fight, Caleb inserted the fact his mother participated.

Steven Adams' mother, Val Adams writes Steve helped his mother dig up flower bulbs and went to McDonald's.

After hearing about the plight of the greyhound through Janie Bolin, Ada, Roderick contacted Banks in Bonita Springs.

"Banks told me she had a dog she had to get rid of in one week," Gail explained. "One week later Rooster was with us."

There was no charge for Rooster. Rodericks did have to pay for veterinary work, the flight fee, and all homes that take in greyhounds must agree to have the dog spayed or neutered.

The greyhound is a healthy dog. It has no genetic health problems. Its temperament is very mild and passive, according to Gail. "It's a comfort creature."

So, why aren't more taken in as pets? "I believe it's because people are not aware that they are available or of what happens to the animal after their racing days are over," Gail said.

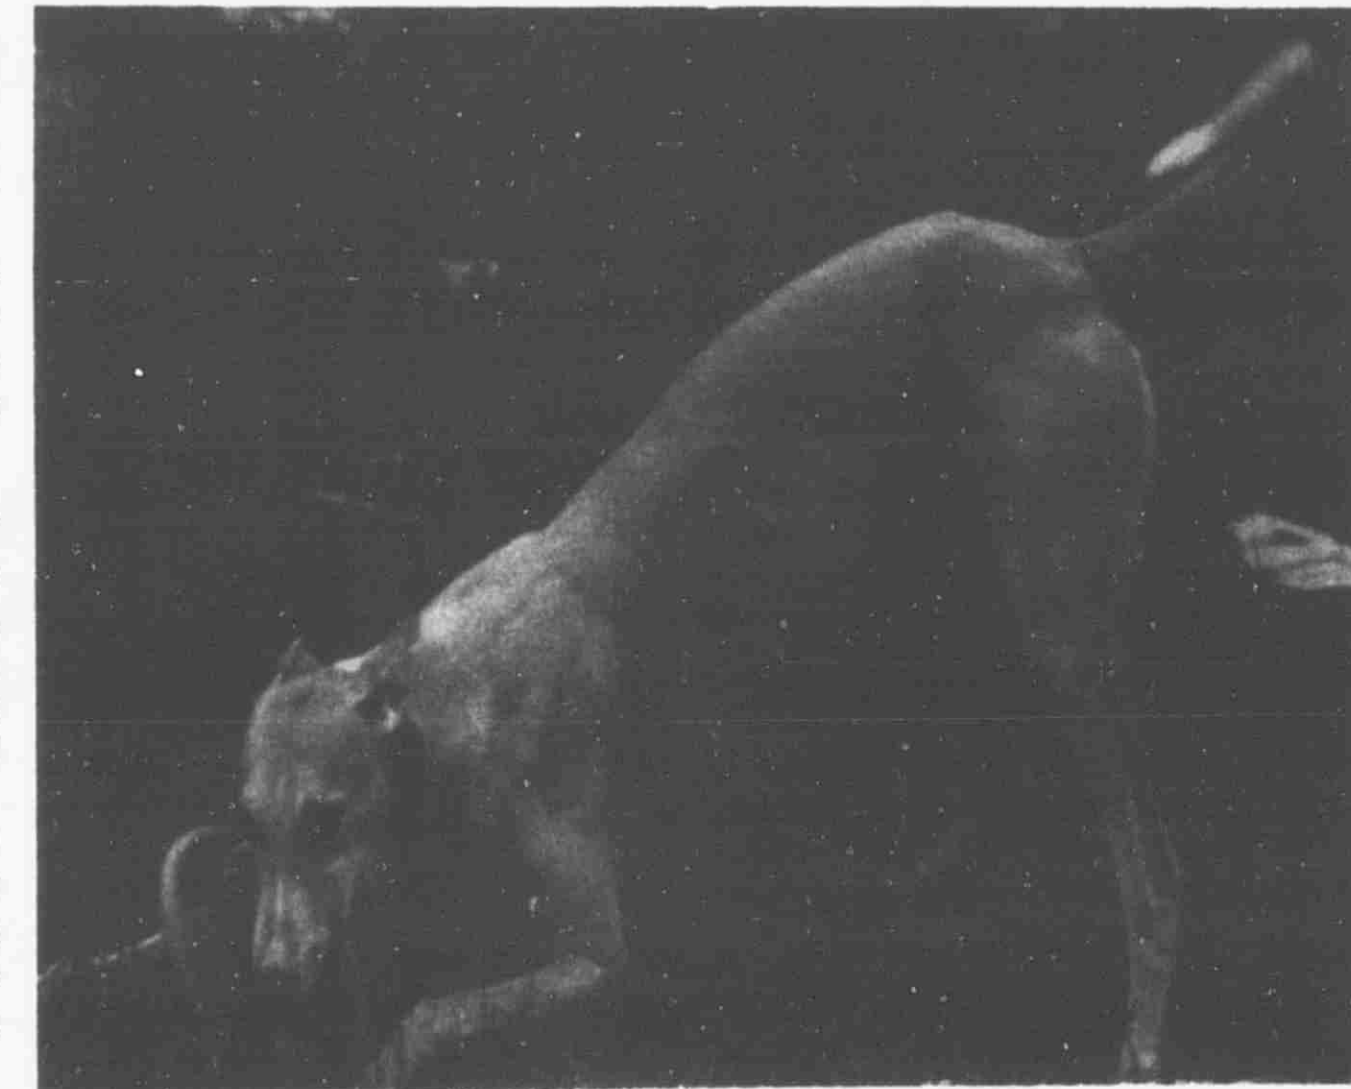

There are some stipulations when taking in a greyhound as a pet:

Lowell's Runciman/Bushnell 5th grade students sell pumpkins at area schools

## Runciman/Bushnell 5th grades harvest & sell pumpkins

Fifth graders at Runciman and Bushnell Schools planted pumpkins last spring and sold them at the schools. Dottie Roth, who is a fifth grade teacher at Runciman, says, "It was a great day to sell pumpkins, and they went fast." I also think it was a great project for the fifth graders because it

helped them get involved in our community."

Patty Sanborn, her assistant, wished that the bees would just go away! Dylan Cole, one of our vendors thought it was great!

Landon Graham, a fifth grader from Runciman says, "It was a great opportu-

nity." And Max Heiman who was just watching, says, "The kids faces really lit up when they got their pumpkins." We asked one of our kindergarteners what he thought, and he said, "It sure was hard to find the right one."

## Brandt, Hartley, Walker & Reagan win Chamber golf scramble

The Lowell Area Chamber of Commerce held a four-person scramble at Deer Run, Oct. 10. The event was held in conjunction with the Person of the Year Banquet. The winning score was two under par 70 by the team of Guy Brandt, Steve Hartley, George Walker and Jim Reagan.

A cash prize was awarded the winners from a \$5 pool from participants. There were ten teams. Second place at 71 was Green, Hines, Miller and Siciliano; third place at 72 was Biggs, Day, Kloosterman and Miller. Twenty five percent of the pool was donated to the Chamber, according to organizer Sylvia Taylor.

The Chamber of Commerce would like to thank all the businesses who donated door prizes, participated in the scramble, and attended the Banquet. Steve Doyle won the 50/50 drawing of \$100. Door prizes were donated by: Lowell Granite Co., Bob's Body Shop, Showboat Automotive, King Milling Co. FMB State Savings Bank, Bernard's True Value, Consumers Power Co., Lambert's Variety, Little Caesars, McGee Homestead, Pfaller's Clothing, Family Fare, Front

Row Video, Flat River Snowmobile, YMCA, Hahn Hardware, Wittenbach, Harold Ziegler Ford, Flat River Antique Mall, State Farm Insurance, Curtis Cleaners, Chadlee Farms, Cousin's Card and Gift Shoppe, Fairchild's Oil, Faro's Pizza.

Long time Chamber Member, Ivan Blough was erroneously omitted from last week's Chamber Membership list. If you would like to join the Chamber call 897-9161 for more information.

## In the Service

Marine Pvt. Mark E. Richmond, son of Jerrold R. and Diane Richmond of Lowell, recently completed recruit training.

During the training cycle at Marine Corps Recruit Depot, San Diego, recruits are taught the basics of battle-

field survival, introduced to typical military daily routine, and personal and professional standards.

All recruits participate in an active physical conditioning program and gain proficiency in a variety of military skills including first aid, rifle

marksmanship and close-order drill. Team work and self-discipline are emphasized throughout the cycle.

The 1991 graduate of Lowell Senior High School joined the Marine Corps in June 1991.

The weaverbird, a relative of the sparrow, lives in large nest colonies—with as many as seventy birds populating a single tree.

## TIPS FOR SAFE TRICK-OR-TREATING

- Trick-or-treat before dark.
- A mask obstructs vision so use makeup instead.
- Wear bright costumes with reflective tape so drivers can see you.
- Plan your route with your parents and select streets that are well-lighted.
- Cross streets at corners and look both ways before stepping off the curb. Never cross between parked cars or in the middle of the block.
- If there is no sidewalk, walk facing traffic well off the road.
- Parents or older children should chaperone young trick-or-treaters. Others should travel in groups.
- Adults should inspect all candy before it is eaten.
- Carry a flashlight so you can see and be seen.

# Landscape architect: "We'll preserve the natural characteristics."

Landscape architect for the new Lowell High School, Darwin Feuerstein, completed his presentation by asking if

the Board had any other questions or comments?

Lowell Board member, Charlie Kohler looked directly

at Feuerstein and, with the future neighbors of the new high school and the desire of the board in mind, responded

"Yes, save the trees."

Not only will as many trees be saved as possible, but those that are cut down, will be cut up into wood chips and used at the site.

"If any of you here tonight have seen the work we did at Comstock Park, you'll notice we preserved the natural characteristics of that land. The natural characteristics look the same. We intend to do the same thing with the new Lowell High School site," Feuerstein said. "The entrance going into the school from Alden Nash is not going to be an airport runway. Instead it will be a path winding through the woods."

Feuerstein said he proposes the new high school be located in the dead center of the southern 100 acres. "The reason for this, is that the slope will allow us to set the two-story school on the land without changing the design," Feuerstein said. "The school is a 30-acre element that will be fitted onto the site. When we're through, students on the second floor of the school will be able to look out their classroom window and see tree tops."

The sketch shown by Feuerstein shows that there will be berms and buffers screening all sides of the new school. "Some vegetation will be disturbed, most of it will be left alone," he assured the board.

The flat area which is north of where the school is projected to sit, will accommodate the physical education fields. An agricultural plot will also sit north of the school.

The schedule called for the site development concept to be completed by Oct. 14; the topography survey results completed and returned by Oct. 16; its review was scheduled for Oct. 18; a Vergennes Township public hearing on a property use permit is scheduled for Oct. 23; perceptual plans will be presented Oct. 30; and a utility cost estimate and an environmental site assessment is expected by Nov. 1; the site schematic design is scheduled for review on Nov. 11.

The design development budget for the Bushnell renovation was projected at \$30,000 in June. Owen-Ames-Kimball updated that projection to \$44,000, at the October Board of Education meeting. The reason for the increase was fire protection. Lowell administrator Jim White said the need for a new sprinkler system was not anticipated.

The Alto design development budget was within less

than a \$1,000 in June. Owen-Ames-Kimball representatives said they expect it to

finish within \$5,000.

The construction document phrase of the new high school will begin the second half of February. It will take 12 weeks to complete. There will be a five-week bidding process. A one-week award period should begin approximately April 14. The construction period is scheduled for 108 weeks.

The construction document for the Middle School is expected to be complete by the end of October. There will be a four-week bidding period. The job will be awarded before Christmas break. In the summer of 1992, renovation will begin on the northwest and southwest wings. This will be completed by Sept. 1 of 1993. In the summer of 1993, the middle section of the Middle School will be completed. In the summer of 1994 the east section will be finished.

Bids will be awarded on the elementary project in the third week of December. Work will start in the summer of 1993.

## T.V. Busters, cont'd.

Billy Stouffer's mother writes that Billy got home from school and watched the news, went to football practice, studied math facts, read a while, spent 20 minutes on "Hooked on Phonics" and played Uno. "I think it has been fun," Billy Stouffer said. "I've been raking leaves and jumping in them. I've also been spending more time with my family. Normally, I probably would have watched cartoons, or a movie like "Robo Cop."

Cherie Gillman's mother, Barb Gillman writes that her daughter exchanged ghost stories with her Dad.

"I miss my favorite television shows, 'The Cosby Show' and 'T.G.I.F.'" But it has also been fun doing activities instead. My Dad and I like ghost stories," Cherie Gillman said.

Fillman said if the "T.V. Buster" activity goes well the whole school will try it in March as part of reading month.

"T.V. Busters" went over so well in Minnesota, the Governor declared a certain month, "T.V. Busters Month," Fillman said.

Fillman first learned of the activity through a article in the NEA Newspaper this past summer.

Prizes students will be eligible to win at the end of the activity include an AM/FM cassette walkman, an aquarium, AM/FM Clock Radio, playground ball, telescope, \$20 gift certificate, a \$10 gift certificate, markers.

Other prizes being awarded during the activity include free french fries at Burger King, two-liter bottles of Pepsi, and a free night of bowling.
