## S.E. YMCA senior program director, Andy Johnson, Lowell's new executive director

Ron Nelson, General Director of the Grand Rapids' YMCA announced Wednesday that Andy Johnson will fill the executive director post at the Lowell YMCA, starting in April.

Johnson is currently serving as the interim executive director at the SE YMCA in Forest Hills. Prior to that, he served as the senior program director at the SE YMCA.

Johnson will fill the spot vacated by Doug Ybema, acting Lowell YMCA executive director. Ybema will leave the Lowell area to take the executive director position at the Wyoming YMCA (44th St.) effective April 1.

For Johnson, this will be his first executive director position. "I'm excited about the opportunity and look forward to working with the Lowell YMCA staff, the YMCA

Andy Johnson

Board of Directors, the Lowell Community and the Lowell City Council."

Johnson has been involved with the YMCA organization for eight years. The last year and a half in Michigan, and prior to that he worked at YMCAs in Georgia, Pennsylvania and Minnesota.

Johnson has some familiarity with the Lowell YMCA program. He worked with Ybema on the Lowell soccer schedule.

"I plan on continuing with the successful ways that have been established and build from it," Johnson said. "I also hope to help the Lowell YMCA grow where it is needed."

## Stoney Lakeside Park will be on daylight swimming time

The outlook for swimming at Stoney Lakeside Park this spring and summer is looking rather bright.

Swimmers will be allowed to take to the water during daylight hours.

Stoney Lakeside Park is scheduled to open to the public on May 15 and remain open through Sept. 15.

The Parks and Recreations Commission, at its Feb. 15 meeting, reviewed proposed rules for Stoney Lakeside Park. The rules were then reviewed by the City Attorney, Dick Wendt. At Monday night's meeting the City Council adopted the rules for the park after a few adjustments.

The Council changed the permitted swimming hours to daylight hours only. Originally the rules stated 10 a.m. to 8 p.m.

The Council added fishing to the rule which stated no boats allowed within the swimming area.

The Council also asked that having a lifeguard on duty be looked into. "I think having a

lifeguard on duty means something to the public," Lowell City Manager Dave Pasquale said. "Funds will be allocated for a lifeguard in the proposed budget."

Councilman Jim Hodges questioned how realistic the rule minors under 18 who are swimming must be accompanied by an adult. "You'd better start picking the kids up now," Hodges said. "I think enforcing this will be difficult."

The rest of the Council agreed not having such a rule would be risky.

Lowell Police Chief Barry Emmons said enforcement of the rule will be carried if a complaint or concern levied.

Other park rules would include:

\*Swimming within the buoy lines.

\*Glass, cans and picnicking will be prohibited on the beach.

\*Dogs, cats or other animals prohibited in swimming or beach area.

## Jurors pick & choose between 237 entries for West Michigan Regional Competition

The sixth annual Lowell Area Arts Council's West Michigan Regional Competition was unveiled to the general public on Sunday.

The art competition renders the works of 30 different artists from the west and east side of the state.

The 33 different pieces of work hung for the show include a variety of styles - three dimensional, oil, wood, ceramic and mixed media.

"This year's show includes more three dimensional work than ever before," Lowell Area Arts Center Gallery spokesman Dave Davis said.

The two jurors representing the east and west side of the state chose between 237 entries.

"I believe this year's show is dynamic in that it is repre-

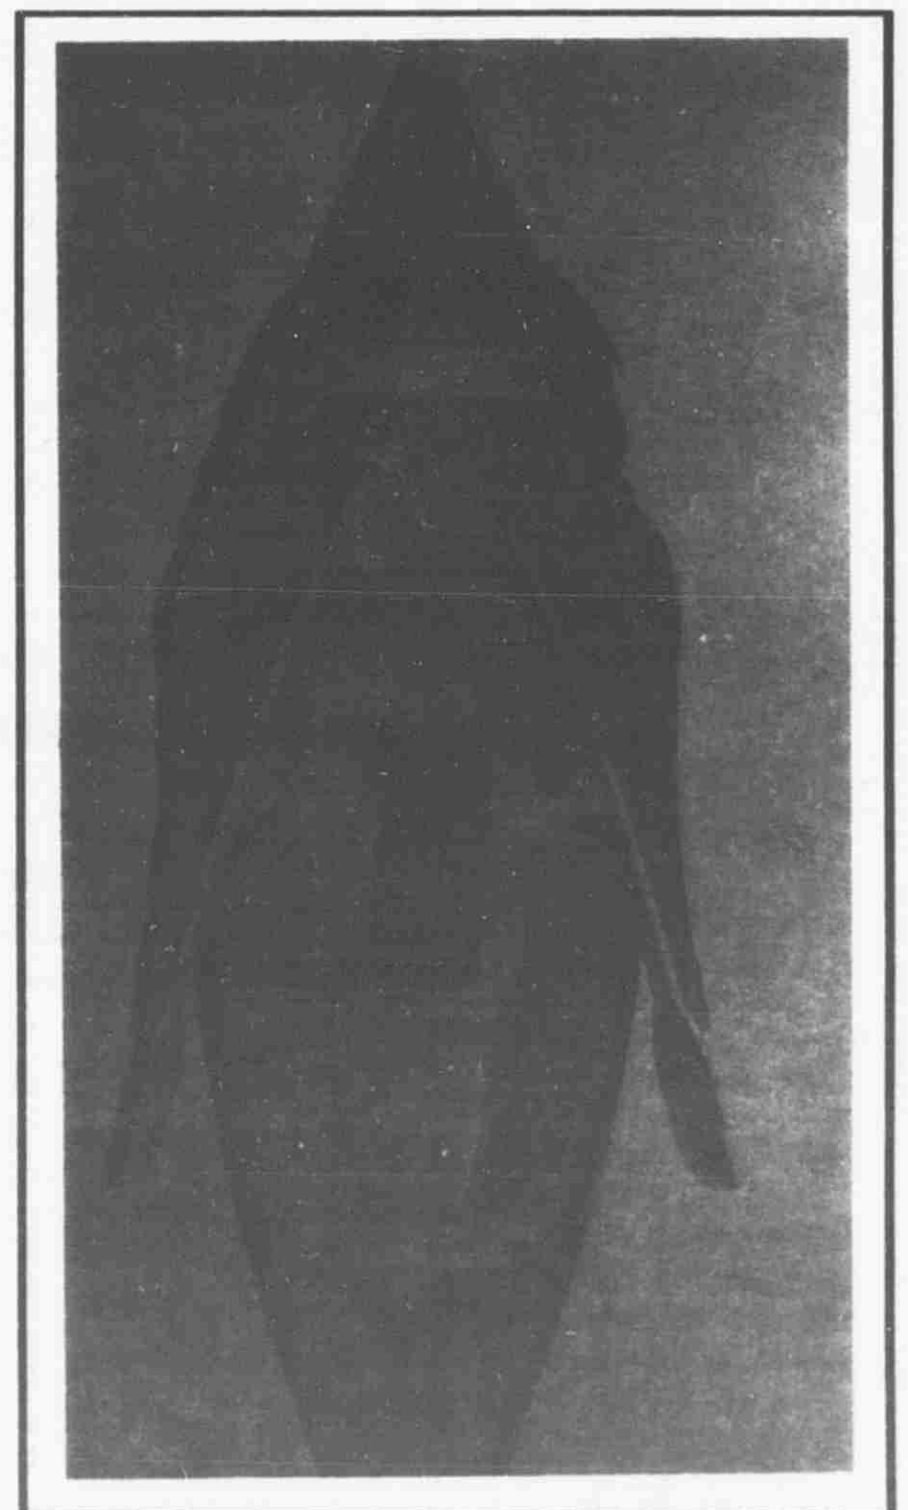

sentative of what's being done by West Michigan artists," Davis said.

Area artists were notified of the deadline to enter pieces of work roughly 45 days prior to the Feb. 21 deadline.

"This is a wonderful time for the gallery and committee," Davis explained. "It gives us a chance to make connections with lots of different artists for future shows."

The Lowell Area Arts Center Gallery is the venue for 11 different art shows a year.

There will be over \$1,000 cash awards given from the regional competition in the following categories: Kathie Quada Memorial Purchase Prize; Best of Show; Best 2-D work; Best 3-D work; Creative Use of Materials and Juror's Selection.

## LMS' Jeff Stepek readily accepts all-Star reading accolades

Jeff Stepek was Lowell Middle School's Hoops' All-Star reader.

In an effort to help stimulate middle school aged students to read more, roughly 25 schools in the Kent County area participated in the HOOPS/D&W reading contest.

The contest challenged students to 500 pages. For every student who read 500 pages, he/she received a free ticket to a Grand Rapids Hoops game.

At the end of the two-month reading contest, each school selected an All-Star reader to represent it at a HOOPS pre-game dinner and basketball game. For every 500 pages a Lowell Middle School student read he/she had their name put in the drawing - e.g. if a student read 1,500 pages he or she had their name put in the drawing three times.

Student Council President, Elizabeth Zeeuw drew the winning ticket. As fate would have it, the winner, Jeff Stepek also read the most pages -

10,500. There were 21 tickets with his name on it in the drawing.

"I read science fiction novels. The book I enjoyed the most was 'Dragon Bone Chairs,' he explained. 'I didn't read any extra. The amount I read fit into my regular reading schedule.'"

Jeff is the eighth-grade son of Joe and Carol Stepek, 1679 Stonewood Dr.

For being selected an All-Star reader, Jeff and his parents received a free dinner prior to the game, Jeff was introduced to the crowd at halftime and was given a plaque.

"We had dinner at the Loop restaurant in Grand Rapids," he said. "We had Chicago Style hamburgers and pizza. It was very good."

Lowell Middle School contest organizer, Karen Briggs, school media specialist, said she was pleased with the enthusiasm with which the stu-

dents participated. "Roughly 300 students read 500 pages or more," she said.

Lowell Middle School Principal Mike Matlosz said the school goal was to reach 280,000 pages. The kids read 283,000 pages.

"Because they beat the goal, Lowell Middle School will hold an 'Enrichment Day' after spring break for students," he explained. "Enrichment Day will allow students to study things like syrup making, photography and collage making."

Mark MacDonald also assisted Briggs. MacDonald is a sixth-grade resource room teacher.

Of the roughly 25 schools that participated, Lowell finished second in overall pages read.

there's so little in the house to eat," Sue said after rummaging through the cupboard in search of something to snack on. But some day Sue too will learn how to cook from scratch, so to speak. She'll learn, like the rest of us have, to make a little go a long way.

Too often people are prone to despise their seemingly small talents. But it is surprising what God can do with an individual who will put himself at His disposal, who will unconditionally give himself to God.

God has never chosen only the persons with great talents to work for Him. He demands that each of us give our best—regardless of the size of our ability.

The humblest people can be used and blessed by Him. God can multiply the feeblest of efforts. His blessings added to the five loaves and two fishes fed a multitude. He can "make a little go a long way."

*Prayer:* Heavenly Father, I thank Thee for the place of service in Thy kingdom which Thou hast given to me. Bless my talent, humble though it be. Make my little go a long way. Amen.

Trust in God for great things. With your five loaves and two fishes He will show you a way to feed thousands.

## Kent County Library System sponsors K-8 student art contest

Students in grades kindergarten through eight are invited to enter a special art design contest that will help promote the Kent County Library System's 1992 summer reading club and direct attention to the environment.

Students are encouraged

to draw a picture illustrating their feelings about the environment and ways they can help to save it.

Selected designs will be compiled in an "Earth-Smart" coloring book which will be printed and distributed to participants of the library's Earth-

Smart summer reading club. The pictures will also be displayed as part of a traveling exhibit at Kent County Library branches.

Official entry forms are available at all Kent County Library branches. Completed entries are to be turned in no

later than March 30.

## "Project Pennies" raises over \$34,000 for Project Rehab's Adolescent Residential Services

On Saturday, Jan. 25 over 20,000 pounds (or 10 tons) of pennies were turned over to Federal Armored Services tank located at Studio 28. After more than 30 hours of pumping pennies through

coin counting machines, a spokesperson from Federal Armored Services reported that 3,405,355 pennies were turned in from Project Pennies, or \$34,053.55.

With additional cash donations throughout the cam-

paign, Project Pennies netted nearly \$39,000 for Project Rehab's Adolescent Residential Services, Dakota Family Treatment Center and Shiloh Family. This money has been placed in a scholarship fund and will be used to

subsidize outpatient and residential treatment costs for teens and their families who have limited or no ability to pay for services.

Project Rehab is currently submitting the campaign to the Guinness Book of Records for publishing.

## cozy corner by Roger Brown

I went ice fishing last Saturday. I go ice fishing about as often as I go skiing, snowmobiling and ice skating. That's not often enough to ever hope to become proficient, but just often enough to make me realize how cold it is out there if you're not having fun. Skiing gets pretty cold and discouraging if all you ever do is pick yourself up out of a snowdrift. Ice fishing also gets to be pretty cold and discouraging if all you're doing is standing out in the middle of a frozen lake with your back to the wind and no fish in your bucket.

I've got a problem with ice fishing from the start. I guess it's the nomenclature. We were fishing for bluegills with our little ice fishing rods and hoping to catch a northern pike on our tip-ups. At no time were we rigged to catch any ice. Even if we caught some ice, I'm not sure I'd know how to clean it, let alone cook it. I'm sure it fries down to practically nothing. I know

there are probably those purists out there who think there's nothing in the world like a nice mess of freshly caught lake ice, but the stuff that comes out of my refrigerator is good enough for me.

Another problem I have with ice fishing is the tackle. Did you ever stop to think about how tiny all the gear is. The rods are stubby little contraptions that look like they came from Toys R Us. (I know the R is backward in their name, but I don't know how to flop the dumb thing around on this computer.) The line is flimsy 2 pound test stuff that is all but invisible to the naked eye. The hooks, sinkers and bobbers are teeny, tiny little things that look more like watch parts than tackle. Even the bait is tiny. It would take a couple hundred wax worms, mousies or corn borers to make one good sized night crawler. Then you're expected to tie lines and bait hooks while either wearing insulated mittens or fumbling with fingers turned to stone by the cold. It makes no sense to me. I think we ought to use the big stuff in the winter and the teeny tackle in the summer when our fingers work.

Well, as you may have guessed, we didn't have much luck. We'd driven about 70 miles north to a private lake where they'd hauled monster bluegills out like crazy just a week prior. They must have caught them all, as we never got so much as a nibble.

In the midst of our frustration it was mentioned that we could

For the record, when the difference is less than three percent I think the City should award the bid to a local bidder.

That was the case in the police cruiser bidding. A Grand Rapids company was less than three percent lower than a local car company. The City Council went with the low bid from Grand Rapids. It's a tough call, the Council has to do what it believes is in the best interest of the taxpayers and community. I think there can be a good argument made both ways. I side with going local.

For just a couple bucks, the best entertainment in Lowell over the last couple of weeks has been the Lowell wrestling team.

Everything good about high school athletics has been wrapped up in the team's district and regional victories. What made both so good, was even if Lowell had lost either one of the matches, the matches still would have been sensational.

Wrestling is unique in that two wrestler go to the middle of the mat and square off for six minutes (three two minute periods), during this time everybody in the gym is yelling at the wrestlers as to what their next move should be. From the sounds of listening to everybody yelling, I doubt any two fans are yelling the same move.

stop at a big grocery store on the way home and buy some fresh lake perch from the fish department. I had a better idea than that. I suggested we go bar-hopping on the way home, but not for the usual reason. There is a guy who parks his pickup in front of the Ledger almost every afternoon and goes into the bar next door. He apparently goes ice fishing every morning, and there's always a nice mess of specs, perch or bluegills scattered about in the back of his truck. I figured if our timing was right, we could cruise the parking lots of some bars on the way home and come up with a heckuva a mess of fish.

The plan deserved, and received, considerable discussion. But, in the end we decided against the venture. It was either the sportsman in us or the fear of getting caught. I'm not sure which, but if I was a bettin' man I'd put my money on the later.

I went home and safely stowed all my ice fishing gear until the next time I feel the urge to spend a cold, frustrating day out on a frozen lake with the wind whistling up my parka. That oughta be sometime in the next century. In the meantime, I'll be content to satisfy my appetite for fish with something like the walleye dinner I had in a nice warm restaurant when I got home from the last ice fishing excursion.

### THAWING AND EATING MEAT-THE SAFE WAY

Is it safe to eat meat that has been thawed, refrozen, and thawed again? Well, it depends on how it was thawed the first time around. If you take a package of frozen chicken on our way out the door in the morning and have it on the counter to thaw all day, by the time you get home all its good for it the trash can. To be safe, you shouldn't plan to eat it, let alone refreeze it for later.

Any animal product, as well as foods made with milk or eggs like frozen pumpkin or custard pies, left out to thaw at room temperature for more than two hours is a breeding ground for bacteria such as Salmonella or Staphylococcus. Refreezing will retard the bacterial growth, but won't kill them off. Any intestinal infection you may get if subsequent cooking doesn't destroy the bacteria could make you seriously ill.

The safest way to thaw meat, chicken, or fish is to take it out of the freezer 24 hours before you plan to cook it and put it in the refrigerator. Place the package on a plate to prevent the juices from dripping onto other foods, raw juices can also contain harmful bacteria.

If you then decide to refreeze the meat, you probably won't run into any health problems. What you may sacrifice is the quality of your meat, thawing and refreezing reduces the liquid content of the food product which can make the food dry and less flavorful.

For any more information regarding freezing and refreezing foods, contact the United States Department of Agriculture's Meat and Poultry Hotline, 1-800-535-4555.

Dear Editor,

In the "Town Talk" editorial of Feb. 26 (concerning the City's purchase of a police vehicle) some very pertinent information was omitted that would completely change the inference.

The article suggested that the bid from Thomet Chevrolet & Buick was \$423 higher than the winning bid. In fact, the bid from Thomet Chevrolet & Buick for the purchase of the police vehicle was \$76.58 less than the winning bid. The difference in cost was reflected in the appraisal of the trade-in. Our appraisal reflected values obtained from national traders

Sincerely, Denny Thomet Thomet Chevrolet & Buick Inc.

Hip Dysplasia is an inherited condition involving the hip joint. Because of the lack of X-ray facilities in earlier veterinary practices, it was not identified until 1935, although the condition had existed for many years. It has been identified in over half of all the AKC breeds, especially the large breeds, as well as in mixed breeds.

The basic defect can be one of or a combination of three factors: 1.) A shallow acetabulum, the socket part of the joint. 2.) A flattening of the head of the femur. 3.) A decreased angle

## Lowell Area Fire Department blood drive, March 11

The Lowell Fire Department and the Grand Valley Blood Program are sponsoring the Lowell Community Blood Drive, Wednesday, March 11, from 3 p.m. until 7 p.m. The drive will be held at the Look Memorial Fire Station, 319 South Hudson, in Lowell.

Anyone in good health, who is at least 17 years old and weighs more than 100 pounds, may donate blood. You may donate every 56 days. For more information, or to schedule an appointment to donate, please call Frank at 897-7736.

The Grand Valley Blood Program is the sole supplier of blood and blood components to patients in Kent County hospitals. This year approximately 35,000 pints of blood will be needed for major surgeries, trauma cases and in the treatment of diseases.

**Item #1. ZONING BOARD OF APPEALS**  
**A. 1601 W. MAIN - BERNARD'S TRUE VALUE - PARKING VARIANCE RELATED TO BUILDING ADDITION - PUBLIC HEARING.** Charles Bernard (owner of Bernard's True Value) had petitioned for a parking variance on his proposed 3960 square foot addition to his building. It was noted that the Zoning Ordinance requires 39 parking spaces for the addition. Mr. Bernard is requesting a variance to provide six (6) added spaces. He stated that on an average customers are in and out within five minutes. Further, Mr. Bernard compared his overall parking with neighboring True Value Stores and found his establishment had more parking.  
The Planning Commission reviewed a site plan for the proposed 3960 square foot addition. As part of the review, the Commission noted the parking variance request. Presently, 36 spaces are furnished currently on site. The Commission would not waive the parking requirement nor provide a recommendation to the Zoning Board (4 to 4 vote). It was noted that in May of 1987, the Board did grant a parking variance allowing 26 spaces where 48 are required for True Value.

Bob Pfaller of Pfaller's Clothing (2173 W. Main) stated that he helped write this off street parking ordinance in 1980. He felt it is too restrictive and should be reviewed by the Council. Deputy City Clerk Betty Morlock said she received a telephone call from Jim Sowle of Lowell Water Works (1941 W. Main) stating he had no opposition to the variance. Mr. Sowle said that he has never seen the current parking lot full. At anytime he patronized the business, he never parked more than a parking spot or two away from the entrance door to the business.

Councilmember Thompson said that he had received a letter opposing this petition because it would be the second variance allowed for this site. Concerns involving the design of the parking lot and access considerations were mentioned in the letter. Mayor Maatman asked if the variance follows the use. City Manager Pasquale said that if there would be different use under different parking requirements the City could then change the variance.  
Councilmember Fonger questioned if granting a variance would set a precedent. City Manager Pasquale stated that each application for a variance stands on its own merits.

IT WAS MOVED BY HODGES and seconded by GREEN to approve the parking variance request from Bernard's True Value (1601 W. Main) of six additional parking spaces where 39 additional spaces are required.

**Item #2. RESOLUTION TO ACCEPT MONROE STREET EXTENDED (CEMETERY ROAD) INTO THE LOCAL STREET SYSTEM AND ACCEPTANCE OF PORTION OF ATTWOOD PROPERTY INTO THE MONROE STREET RIGHT OF WAY.** At the January 20 City Council meeting, it was proposed that the cemetery perimeter road be accepted into the City's Local Street System. This would provide additional State transportation funding to the City. The road would not change physically because of this action, except for the asphalt paving as planned this Spring.  
It was discovered while surveying the road, that a parcel of the property, approximately 30' X 180' owned by Attwood Corporation, intrudes into the cemetery road. City Manager Pasquale asked Don Rocheleau, President of Attwood, if he had any problem with deeding this to the City. He foresaw none. Therefore, a deed is being prepared.

IT WAS MOVED BY GREEN and seconded by HODGES to approve a resolution that the cemetery perimeter road be accepted into the City's Local Street System as Monroe Street extended.

IT WAS MOVED BY GREEN and seconded by FONGER to approve the resolution to accept the property transfer from Attwood Corporation of a parcel of property approximately 30' X 180' that intrudes into the Oakwood Cemetery road.

**Item #3. STRIKING OF DELINQUENT PERSONAL PROPERTY TAXES.** City Treasurer Judy Noonon requested in form of a letter, that the Council strike 1986 personal property taxes in the amount of \$11.82 (City portion, \$53.14 total) from a business known as Misty Valley Canoe Rentals (formerly located at 1120 E. Main). The business is no longer operating in the City and the persons involved no longer reside in the community. She has exhausted all efforts to collect this delinquent personal taxes. The City may strike personal property taxes which are five (5) years old or more.

IT WAS MOVED BY THOMPSON and seconded by FONGER that the City strike the 1986 personal property taxes in the amount of \$11.82 from Misty Valley Canoe Rentals.  
YEA: 5.  
NAY: 0.  
ABSENT: 0.  
MOTION CARRIED.

The Council requested that a policy be set that any personal property taxes of \$50.00 or less be struck from the Roll without Council approval.

**Item #4. PURCHASE OF 1992 POLICE CRUISER.** As part of the 1992-93 operating budget, it has been proposed that a police cruiser be purchased. In order to receive this vehicle in July with the new fiscal year, the order needs to be placed by this month. As with the previous cruiser purchase, advertisements were carried out on a county wide basis. The following bids were received:

Berger (Grand Rapids)	
1992 Chevrolet Caprice Sedan	\$14,456.58
trade in 1988 Ford Crown Victoria	-2,000.00
net	\$12,456.58
Kool (Grand Rapids)	
1992 Chevrolet Caprice Sedan	\$14,143.00
trade in	-1,500.00
net	\$12,643.00
Thomet (Lowell)	
1992 Chevrolet Caprice Sedan	\$14,380.00
trade in	-1,500.00
net	\$12,880.00
Harold Zeigler (Lowell)	
1992 Crown Victoria	\$15,832.00
trade in	-1,400.00
net	\$14,432.00

Councilmembers Hodges and Fonger believed that the City should forego the policy of awarding to the low bidder since Thomet's bid is within \$500 of that figure. Councilmembers Thompson and Green felt that the City should adhere to the policy. Mayor Maatman questioned the legality of not following policy.

IT WAS MOVED BY HODGES and seconded by FONGER to accept the bid from Thomet Chevrolet of \$12,880.00 for the purchase of a 1992 Chevrolet Caprice police cruiser with trade in.

## Esch's yearly extension may include system goals

Lowell Superintendent Fritz Esch will be graded just like the students in the school district he presides over.

The Lowell School Board

will use an outcomes based review strategy in 1992 to evaluate Esch's performance.

Esch, who has been with the district since 1983, will

have his contract extended a year in all likelihood at the March 9 meeting, according to personnel committee chairman Jack Lane.

"In the coming year, Esch will have goals to meet," Lane said. "The goals will be developed to coincide with the

Strategic Planning Commission."

Last year Esch's contract was renewed in the end of February beginning of March, with his raise negotiations coming in June.

Lane and the Board want to see that change. "We want the Superintendents negotiations to set the tone for teacher and administrative negotiations," he explains.

The school received flak for the lateness and untimeliness of Esch's raise last year. Lane said there is a growing movement that a six percent increase will not fly with the current economic situation.

Last year Esch received a 5.5 percent increase. Lane said this year's percent increase still needed to be worked out by the personnel committee.

of the neck of the femur.

When one of these three conditions exist, hip dysplasia is present. A certain amount of strain will be put upon the hip, depending upon the weight and activity of the dog. Gradually the joint will "wear" and become arthritic.

Hip dysplasia has been segregated into four grades, depending upon the severity as indicated by radiographs (X-rays), but the physical appearance is also affected by environment and the strain put on the joints with varying activity levels. Regardless of the grade of hip dysplasia the dog exhibits, he remains a genetic carrier and should not be used for breeding, likewise, before purchasing a puppy, the breeders should be questioned as to any hip dysplasia in the dog family.

Treatment of hip dysplasia can be either medical or surgical. If overt signs of discomfort are intermittent and infre-

quent, then medication treatment is generally recommended. Drugs are given to reduce inflammation and relieve pain, along with rest and weight reduction. If pain is chronic, then surgery should be considered. Many options are available, depending on the particular case. Total hip replacements, with artificial hips, are now done for severe cases.

The prognosis of this disease is good in many cases with occasional medication and certainly the prognosis is very good with surgery.

## Lowell City Council Proceedings

There was discussion on how the specifications were written explaining bid award.

IT WAS MOVED BY HODGES and seconded by FONGER to withdraw the motion to accept the bid from Thomet Chevrolet of \$12,880.00 until further information could be obtained.

**Item #5. LETTER OF INTEREST FROM C-TEC CABLE SYSTEM TO PURCHASE LOWELL CABLE TV.** A letter was received from C-TEC Cable of Traverse City expressing interest to explore the possibilities of purchasing Lowell Cable TV. Councilmember Hodges, as a member of the Cable TV Board, said that the Board discussed this issue at their meeting earlier in the evening. The Board felt that they preferred to maintain control of the Lowell Cable System and are not interested in pursuing its worth. All monies received from subscribers and franchise fees stay within the Lowell area. The only expenditures from Lowell Cable that leave are those used for satellite usage. Councilmember Fonger stated that any franchise fees will stay within the area even if the City decides to sell Cable TV.

Several Councilmembers felt that the City needs to keep an open mind and allow a bid process as long as there is no cost to the City. It would not hurt to investigate the market value. Councilmember Thompson raised concerns about the City keeping up with the changing technology of Cable Television.

IT WAS MOVED BY THOMPSON and seconded by GREEN that the Lowell Cable TV Board respond by letter to C-TEC Cable System of Traverse City, keeping an open mind for sale and providing that there is no cost to the City during the bid process.

**Item #6. DISCUSSION OF UTILITY EXTENSION ISSUES AND NOTICE OF COMMUNITY BLOCK GRANT ALLOCATION.** City Manager Pasquale presented cost for a booster station and mains on Shepard and Grindle only, as well as sanitary sewer and street improvements for James Street on the northeast side. He mentioned that the total construction cost of a booster station with mains on Shepard and Grindle to James is estimated at \$275,000. The City is responsible for \$210,930 while property owners on Grindle would be assessed \$64,070 or \$31.55 per lineal foot. On James Street, the City would pay to upgrade the water mains to eight (8) inch. The sanitary sewer is estimated at \$32,000 or \$20.84 per front foot. Road replacement would cost \$52,000 with curb and gutter amounting to an additional \$24,000. Pasquale said that Community Development Block Grant funds totalling \$27,000 could be used for street improvements. The Councilmembers expressed some reluctance to do this. They instructed Pasquale to find out what property owner share for street improvements for the sewer separation program in the 70's.

Also presented were cost allocations between the City, Lowell Township and the Schools involving water service extensions on the west side. Lowell Township

Supervisor John Timpson was present during these discussions.

The consensus of the Council was to handle the James Street and Grindle Street projects separately and hold two informational meetings with the property owners involved. Also a work study session with the City, Lowell Township and Schools needs to be scheduled for the April 6 City Council meeting.

**THE COUNCIL RESUMED ITS DISCUSSION OF ITEM #4, PURCHASE OF A 1992 POLICE CRUISER.**

City Manager Pasquale said that the City's current policy and ordinance on purchasing give the City the right to accept a bid higher than the lowest bid, if the City's interest will be better served. After reviewing previous specifications for police cruisers, it was stated, "that the City reserves the right to waive any discrepancy in the bid". Councilmember Thompson questioned whether the City can adhere to the current policy and ordinance if it was not stated so on the specifications that were sent out.

IT WAS MOVED BY HODGES and seconded by FONGER to accept the bid from Thomet Chevrolet of \$12,880.00 for a 1992 Chevrolet Caprice Sedan police cruiser and trade in.  
YEA: Councilmembers Hodges and Fonger.  
NAY: Councilmembers Thompson, Green and Mayor Maatman.  
ABSENT: 0.  
MOTION DEFEATED.

Mayor Maatman stated that the City should make every effort it can to support local business. The City should not use the bid process if it is not going to follow through on it. Also, he questioned the legality of not taking the low bid which was why he voted against the motion.

IT WAS MOVED BY GREEN and seconded by THOMPSON to accept the low bid from Berger Chevrolet of \$12,456.58 for the purchase of a 1992 Chevrolet Caprice police cruiser and the trade in of the 1988 Ford Crown Victoria.

YEA: Councilmembers Fonger, Thompson, Green and Mayor Maatman.  
NAY: Councilmember Hodges.  
ABSENT: 0.  
MOTION CARRIED.

**Item #7. MONTHLY REPORTS.** No comments received from materials presented.

**Item #8. CITIZENS COMMENTS.** Bob Pfaller (2173 W. Main) stated that the City, Townships and Public Schools should consider assisting local businesses, as major taxpayers, in purchasing their products. Local businesses should be considered also because the majority of the people that they employ live in the area.  
Mayor Maatman stated that the City is not going to accept a low bid from outside the community, then no bids should be solicited outside the community.

Councilmember Thompson responded that companies outside the City of Lowell also support Lowell in wages paid to many city residents.

**Item #9. COUNCIL COMMENTS.** Councilmember

Fonger asked if the City is going to continue the sidewalk program without city participation. City Manager Pasquale said that the City could set up special assessment district for sidewalks. The Council requested that the City staff update what has been done in the past three years and provide it as a report to the Council. Councilmember Green said that he enjoyed the Michigan Municipal League conference he attended today in Lansing for newly elected city officials.

**Item #10. MANAGER'S REPORT.** City Manager Pasquale reported on the following:

1. City Treasurer Judy Noonon had requested to add the firms of Edward D. Jones & Co. and Merrill Lynch to the City's approved list of Securities Broker/Dealers. These firms meet the criteria of the City Investment Policy.

IT WAS MOVED BY THOMPSON and seconded by HODGES to add the firms of Edward D. Jones & Co. and Merrill Lynch to the City's list of Securities Broker/Dealers.

YEA: 5.  
NAY: 0.  
ABSENT: 0.  
MOTION CARRIED.  
2. KING MEMORIAL POOL. Doug Ybema of the Lowell YMCA inquired whether the City is interested in having the King Memorial Pool open under the same agreement as previously adopted. The City would split the repair costs and operating deficits with the Y and provide a \$6,000 subsidy.

The Parks and Recreation Commission recommended that the pool be re-opened again this year based on the need to provide a local facility for swimming lessons. They also recommended that the City enter into the same previous contract with the Y. If it is infeasible to re-open the pool, a subsidy should be provided to the Y covering transportation costs for city residents to swimming lessons. The Commission recommended that the City initiate conversations with the YMCA, Public Schools and the Township regarding the construction of an indoor pool.

The consensus of the Council was that they would need to know the cost of repairs before a decision could be made on the re-opening of the pool. The Council also stated that the Parks Commission could investigate the interest of an indoor pool.

3. Pete Douse, a part time Police Officer for the past year and a half with the City's Department, has been appointed Police Chief for the City of Grant. Pete, who spend a number of years with the Grand Rapids P.D. provided the City with exceptional service. City Manager Pasquale, on behalf of the City, extended congratulations.

4. On February 10, the Planning Commission spent about three hours on reviewing the site plan checklist. Amendments were provided to clarify the process to future applicants.

IT WAS MOVED BY HODGES to adjourn at 9:30 p.m.

DATE: APPROVED: March 2, 1992

Seniors Rich Depew (left) and Dave Stouffer (right) will lead Lowell against Sparta Friday night at 5 p.m. against Sparta in the state quarterfinals.

## Depew and Stouffer use desire in making their senior year a "Dream Season"

Controlling the movement of your opponent.

That's a pretty good formula for success on the high school wrestling mat.

Lowell senior co-captains Rich Depew and Dave Stouffer have done that as well as any two Lowell wrestlers over the past three years.

The Red Arrow wrestlers have used that formula to produce 213 match victories between the two of them.

Both Depew and Stouffer have both enjoyed senior seasons of which dreams are made of.

"It really has been a dream-like senior year for Dave and I," Depew says.

Depew has recorded 36 wins without a defeat in 1991-92. Stouffer has posted 34 wins with just three defeats.

Through their leadership and control of the team focus,

they have led a primarily young Lowell squad to the team state tournament.

"Dave and I liked the focus on team togetherness shown by Portland. We wanted this team to come together like that for our senior year," he said.

While the two co-captains are separated in weight classes by approximately 30 pounds, their approach, in this their senior year, is similar.

"Both Rich and Dave are in control when they are out on the mat," Lowell coach Gary Rivers said. "Both mix together strength and the knowledge of moves."

Stouffer was the ninth Lowell wrestler ever to record 100 or more victories. Depew was the 10th Lowell wrestler.

Both have earned their wins over a three-year span. Although, Depew did win one

varsity match his freshman year.

Along with their coach, both wrestlers realized they had what it took to be better than the average high school wrestler.

Lowell's coach explains that both wrestled free-style as young kids. "Rich and Dave also had that self desire that separates the real good from the average wrestler," Rivers said. "I saw that in them as sophomores."

Depew points to when he was a sophomore and lost to Jason Wright 7-2. "Wright had a pinning streak of 30 consecutive matches, and I stopped the streak," he explains.

Stouffer, who posted 38 wins his sophomore year, said that was the turning point for him. "Everything clicked for me that year. I took off as an

individual. Now in my senior year, I've been able to achieve most of my goals."

Rivers has talked to both seniors about wrestling at the college level and believes both are capable. "I think both boys could wrestle at the MIAA level."

Lowell's coach says both have made excellent co-captains. "I'll be honest, I wasn't sure at first how they'd work out. They are not real vocal, but they have the respect of the underclassmen."

Depew still hopes to place in the state individual meet like his father (Roger) did in 1962 as a heavyweight. Roger Depew placed fourth.

Stouffer would also like to place in the state meet. "It's going to be difficult, there are a lot of good wrestlers in my weight class," he says.

## Lowell seniors advance to state individual wrestling tourney

Rich Depew became the 10th wrestler in Lowell wrestling history Saturday to post 100 victories at the varsity level in the individual regional at Godwin Heights.

More importantly for Depew, that was just one of three victories on the day that eventually led to a regional crown.

Depew, wrestling at 171 pounds, opened the day with a 4-0 win over Sparta's Cory Aune.

He followed that win up with a 10-5 decision over Portland's Casey Gloden.

In the finals he met up with a familiar foe, Northview's Don Pierce. At the finals in the conference meet Depew defeated Pierce, he repeated his winning ways as he decided Pierce in the finals

Saturday at the regional, 10-7.

"Once again, it was an excellent match," Rivers said. "Rich is wrestling well. He's going after people."

Dave Stouffer will join Depew at the state individual meet as he placed second in the 140 pound bracket.

The top four wrestlers from each weight division earned a spot to the state meet on March 13 and 14.

Stouffer started the day by pinning Big Rapids' Steve Pickett at 1:27 of the first period.

In his second match, Stouffer pinned Eric Edwards from Muskegon Orchard View at 4:28 of the third period.

The victory advanced

Stouffer to the finals against Cedar Springs' David Wright.

"It was a great match where both wrestlers would try something only to have the other counter it with something else," Rivers said. "Afterwards everybody watching applauded both wrestlers."

Wright, who pinned Stouffer earlier in the year, decided the Red Arrow on Saturday 4-2.

Chad Chertos, Cory Kirkbride and Rich Stouffer made it to the regional but failed to advance to the state competition.

Chertos, 119, won his first match of the day defeating Jeremy Lucas, Ludington, 10-8 in overtime. He was then defeated by

Tyler Youngs by way of pin at 2:51 of the second period.

A 9-7 defeat at the hands of Shawn Carrel, FHN, knocked Chertos out of the tournament.

Kirkbride faced two common opponents in Chad Kik, Sparta, and Brian DenBleyker, Zeeland. The

Red Arrow lost to Kik 19-2 and the was eliminated from the tournament with a 9-6 loss to DenBleyker.

Rich Stouffer won one of three matches at 160 pounds. He defeated Mark Kramer of Belding by a count of 6-4. He was pinned by Cedar Springs'

Phil Scheer at 4:59 of the third period. He was eliminated from the tourney when Ionia's Jason Tate pinned him at 3:22 of the second period.

"I expected Depew and Stouffer to advance, and I was hoping one of the other three would," Rivers said.

Rich Stouffer won one of three matches at 160 pounds.

He defeated Mark Kramer of Belding by a count of 6-4. He was pinned by Cedar Springs'

Phil Scheer at 4:59 of the third period.

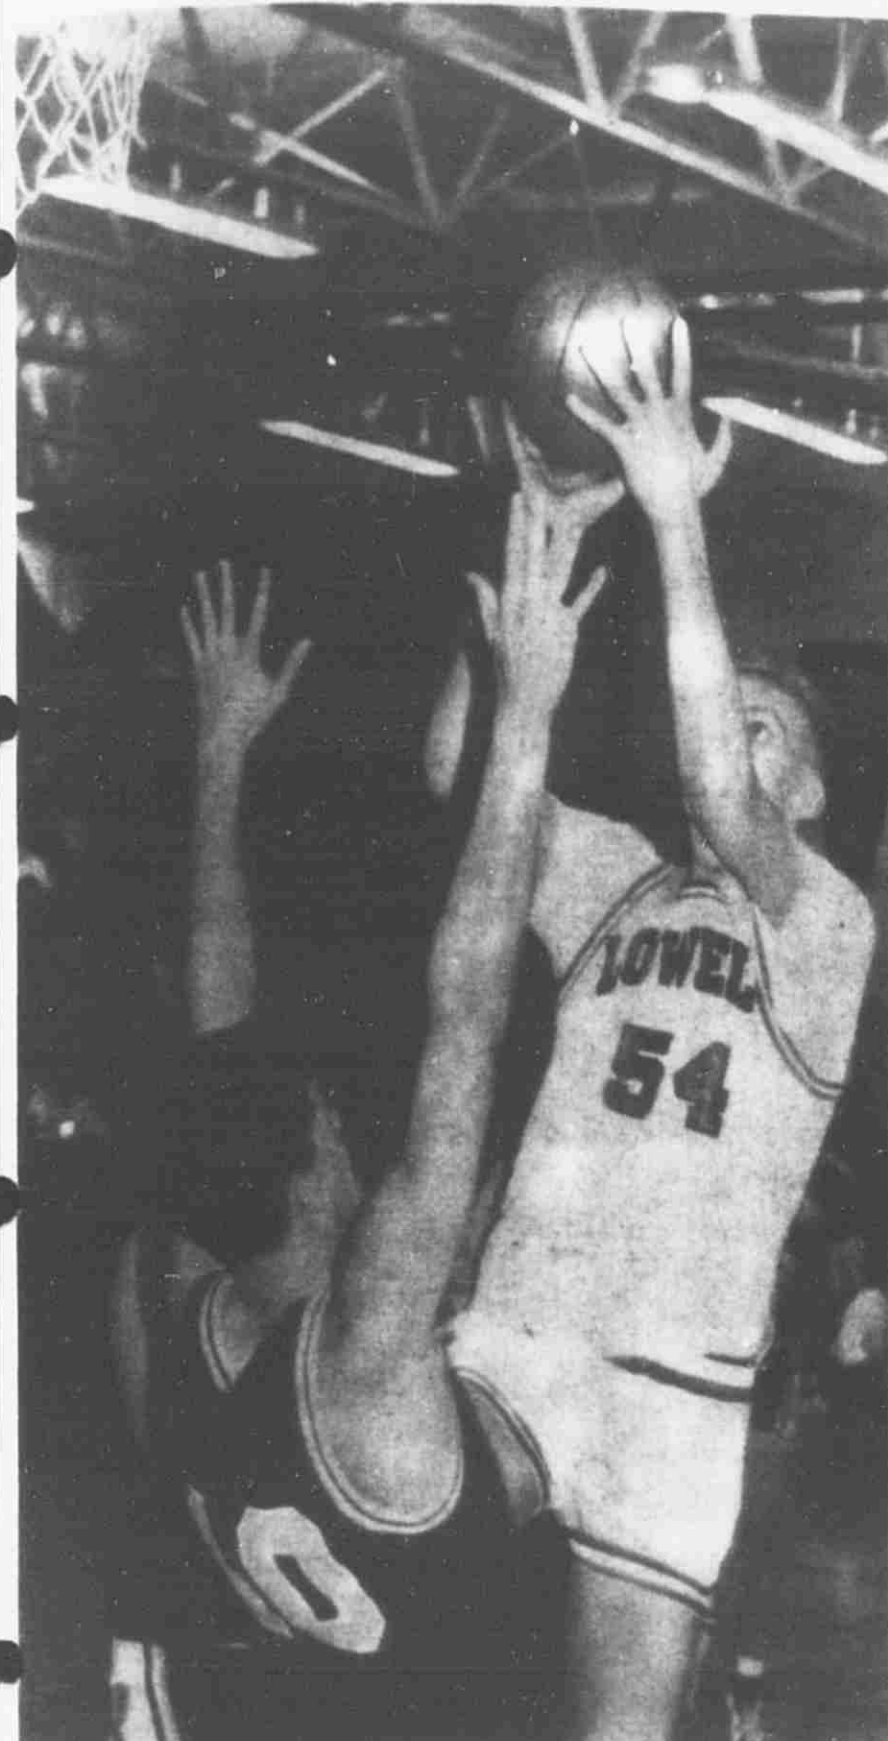

He was eliminated from the tourney when Ionia's Jason Tate pinned him at 3:22 of the second period.

"I expected Depew and Stouffer to advance, and I was hoping one of the other three would," Rivers said.

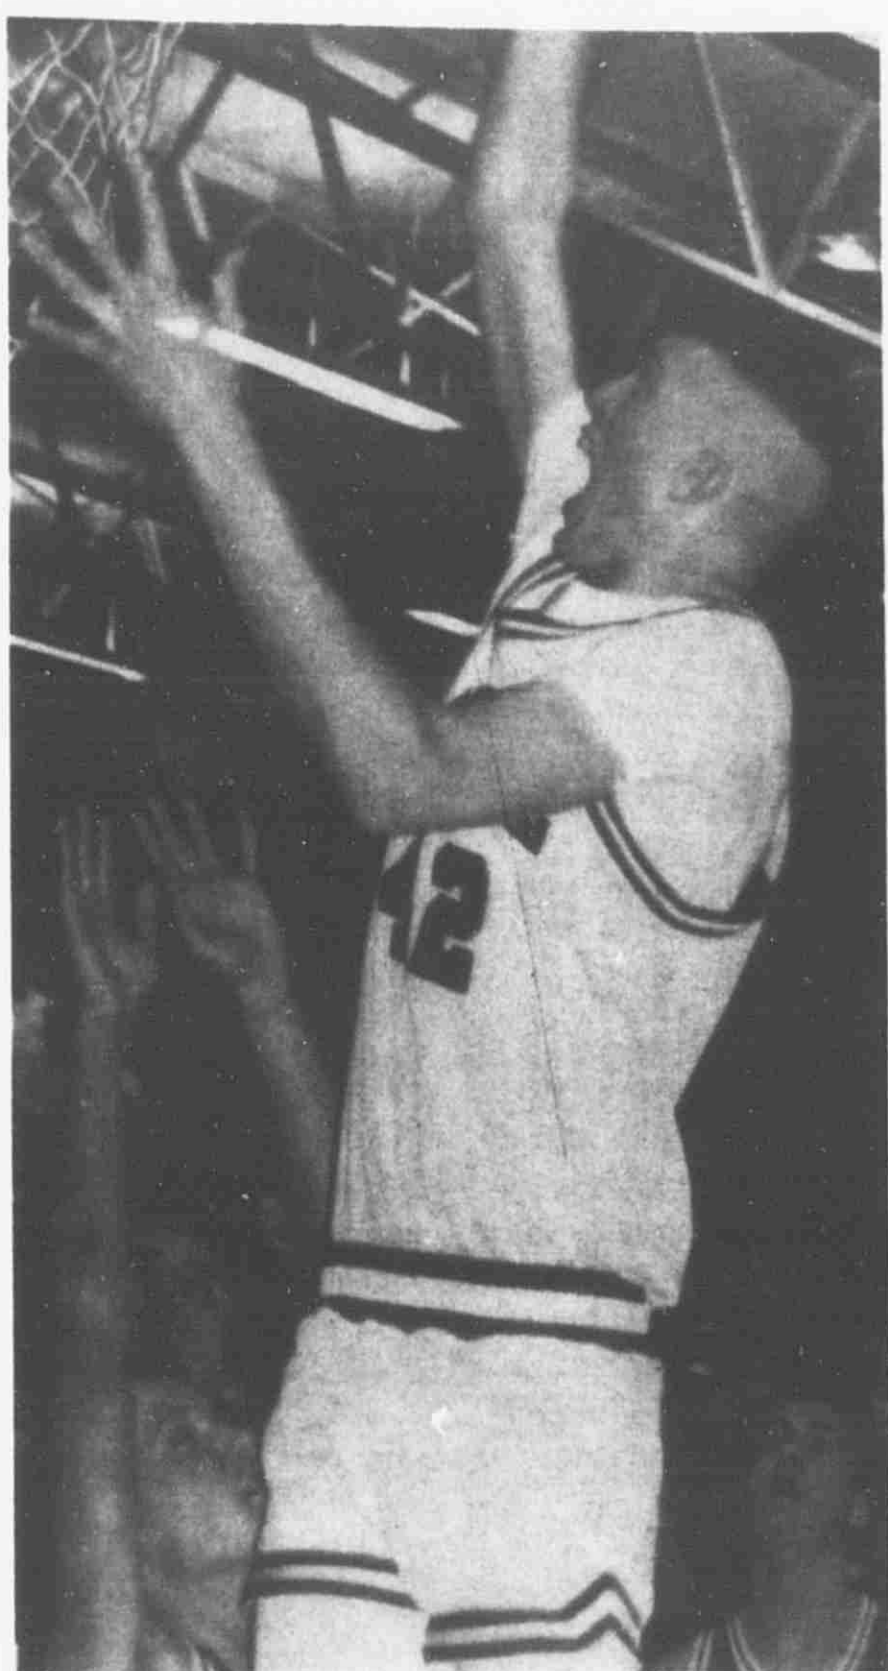

Rich Stouffer won one of three matches at 160 pounds.

He defeated Mark Kramer of Belding by a count of 6-4. He was pinned by Cedar Springs'

Phil Scheer at 4:59 of the third period.

Jon Amundsen scores two of his 16 points against the Hawks from Rogers.

Lowell's Nate Janes skies high for one of his two slam dunks Friday night in the Red Arrow's 67-48 win over Rogers.

## Lowell makes it four in a row with a surprising 67-48 thumping of Rogers

Minus its leading scorer, Lowell played its finest 32 minutes of basketball Friday night in its final home basketball game of the season.

The Red Arrows, a 25-point loser to the Golden Hawks from Rogers back in January, played like a team with only three losses in the O-K White and not a team with just three wins.

Lowell turned the tables on the visiting Hawks as it dominated from start to finish in a 66-47 win over Rogers.

The win, stopped a Rogers 15-game winning streak over Lowell, since the Red Arrows joined the O-K White. The win marked the first time in 16 tries in league play that Lowell defeated a Rogers' basketball team.

"Lowell played great. We

did not play well," said Rogers coach Perry Paganelli. "Lowell took it to us for 32 minutes. It's that simple."

Rogers led 2-0 and 15-14. It was all Lowell the rest of the way.

Trailing 15-14, the Red Arrows scored the final six points of the first quarter, gaining a 20-15 lead.

Lowell extended its lead to 29-19 at halftime, outscoring Rogers in the second quarter 9-4.

"The real test for us came at the start of the third quarter," Lowell coach Phil Beachler said. "It was important for us to come out in the third quarter and establish the momentum."

The Red Arrows did just that on a bucket by Jon Amundsen and a three pointer

by Matt Kemp, propelling Lowell on a 5-0 run and extending its lead to 34-19.

"Amundsen did a heck of a job in the middle for us at both ends," Beachler said. "His defensive play allowed us to match-up with their shooters on the outside."

Lowell's match-up zone held Rogers' leading scorer Justin Berkley to just seven points.

"Offensively, we showed a lot of patience and did a good job of finding the open man going to the basket," Beachler said.

Lowell outscored Rogers 24-14 in the third quarter, building a 53-32 lead going into the final eight minutes.

The Red Arrows got a game-high 22 points from

David Jones. Kemp tallied 17 and Amundsen contributed with 16 points.

Rogers had two players in double figures, Chad Bolema tallied 11 and Ryan Cook contributed with 10.

"This is a big win for us," Beachler said. "It helps to give the boys some confidence, by beating a team in the upper bracket of the league."

The victory pushes Lowell to 6-13 overall and 3-10 in the league.

Rogers drops to 7-11 overall and 6-7 in the league.

Behind a career-high scoring explosion by Lowell junior Chad Dunn, Lowell ran its winning streak to three

Poor serving and poor passing made Lowell easy fodder for the Pioneers from East Grand Rapids.

"The girls just did not play well," Kuna remarked.

Lowell/FHC "We served incredibly well against Forest Hills Central," Kuna remarked.

Lowell played the co-champions of the O-K White extremely tough in its two-game defeat at the hands of the Rangers. FHC won the match 15-13, 15-10.

"It was our best serving match of the year," Kuna stressed.

Lowell had eight aces in game one. Gowen led the Aces served four straight aces. "That doesn't happen very often against Central," Kuna lamented.

Lowell's coach was also very happy with her club's placement. "We made their best player, Lori Wolff, set the ball."

Nugent led Lowell in assists with five. Gowen led the Arrows in digs with seven. Lowell plays Forest Hills Northern in the districts on Saturday at Northern. Play will start at 10:45 a.m.

Earlier in the season Lowell lost a three-game match to the Huskies.

Other teams in the district include Northview, Belding and East-Grand Rapids.

defeated Rogers 15-11, 15-13. However, serving as bookends to that win were losses to Zeeland (11-15, 5-15) and East Grand Rapids (11-15, 7-15).

"I was glad to see us avenge a regular season defeat to Rogers. It's a team I thought we could beat," Kuna said.

Lowell's coach said her club served real well and played with a strong desire.

Alison Zillmer tallied seven service points in game one, all of which were aces.

Heather Gowen contributed with eight service points in the two games.

Kerry Nugent had a team-high six assists.

Erin Nausieda recorded six kills and six digs.

Against Zeeland, Lowell play well in game one, losing by four (11-15), but unforced errors were the demise of the Red Arrows in game two.

The second game against Zeeland was not pretty," Kuna said. "We couldn't maintain the momentum we had built in game one."

Nausieda led Lowell in service points with eight. Zillmer added five. Gowen was the team leader in kills with six and Nauta contributed with three assists.

games with a 67-62 win over the Huskies of Forest Hills Northern.

Dunn, who netted 43 points, also claimed five rebounds, three blocked shots and two steals. The junior was 17 of 20 from the foul line. Down the stretch he connected on 13 of 14 shots from the charity stripe.

Both teams struggled offensively in the first eight minutes, finishing the first

stanza tied at 10-10.

The second quarter belonged to Lowell. A full-court press and a changing zone defense quieted the Huskies offensively. The Red Arrows meanwhile, were running on all cylinders, as they opened the first five-and-a-half minutes of the second quarter with a 20-2 run, building a 30-12 advantage.

Dunn started the explo-

sion with two triple-tries, within 17 seconds of each other, that found nothing but twine. The junior tallied 14 of his 43 points in the second period.

"Defensively we did a poor job. We let Dunn shoot and didn't contest his shots. Give Dunn credit though, he shoots the ball extremely well," Forest Hills Northern coach Blair Peterson said. Lowell built a 32-18 half-

time lead. The two teams traded buckets in the third period, as they both scored 16 points. Lowell carried a 48-34 lead into the fourth quarter.

The Huskies trimmed the Lowell advantage to nine with a 10-5 spurt in the first three minutes of the fourth quarter.

Forest Hills Northern didn't get any closer until the final minute of play. The Hus-

kies cut the lead to seven at 65-58 with 19 seconds to play. A Scott Savin three-pointer at the buzzer pulled FHN to within five.

"I was very happy with the success we had with the press," Beachler said. "The full-court press was responsible for 15 first-half turnovers by Forest Hills Northern."

Northern's only lead came at the start of the game. The

Huskies opened the contest on a 6-0 run. Lowell closed the low-scoring first-quarter on a 10-4.

"They hurt us early with their transition game," Beachler said. "I was happy with the way the boys ran our motion offense. We used it to set up plays. The boys also did a good job of realizing their roles out on the floor."

In junior action, Lowell's Red Arrows needed overtime, but pulled out a thrilling 84-81 win over Forest Hills Northern.

Ryan Boersma led the way with 31 points and nine rebounds. Ryan White netted 18 points and grabbed five caroms. Joe Minier tallied 11 points and grabbed six boards. George Ponchaud contributed with nine points.

## City approves lawn mower bids

Lawn mower bids were awarded by Lowell's City Council for utilization in the parks and at the Water Treatment Plant grounds.

In reviewing bid specifications for purchase of lawn mowers for utilization in the parks, only one bid complied with providing 72 inch cutting width decks.

Thus the bid was awarded to George Hofacker, Grand Rapids for \$6,139 per lawn mower.

As for the bids solicited for the purchase of a riding lawn mower for the Water Treatment plant, the bid was awarded to Nelson Speed Shop, Greenville at \$4,695 with a two year warranty.

The bid was awarded based on low bid and length of warranty.

Arnold's Equipment, Inc., Kentwood, also came in with a bid of \$4,695, but with a one year warranty.

## Freshman basketball in review

Scott Breslin and Brandon Eisentrager were the only two Red Arrow freshmen to reach double figures as Lowell defeated Rogers 61-53.

The victory improved the Red Arrows record to 14-4 overall.

Breslin netted 21 points and Eisentrager added 15 to pace Lowell.

Lowell led 54-33 at halftime and then coasted to the win in the second half.

Brad Holtz and Tim Stencel contributed with eight and seven points respectively.

Lowell/FHN Earlier in the week, Low-

ell built a 52-32 halftime lead over Forest Hills Northern, in running to a 59-52 win.

Scott LaHaie led the way with 13 points. Breslin tallied 12 and Stencel added nine.

Lowell/Sparta Eisentrager's 19 points helped push Lowell past Sparta 61-56.

The pesky Spartans led 29-28 at halftime. The Red Arrows outscored Sparta 33-27 in the second half to earn the five point victory.

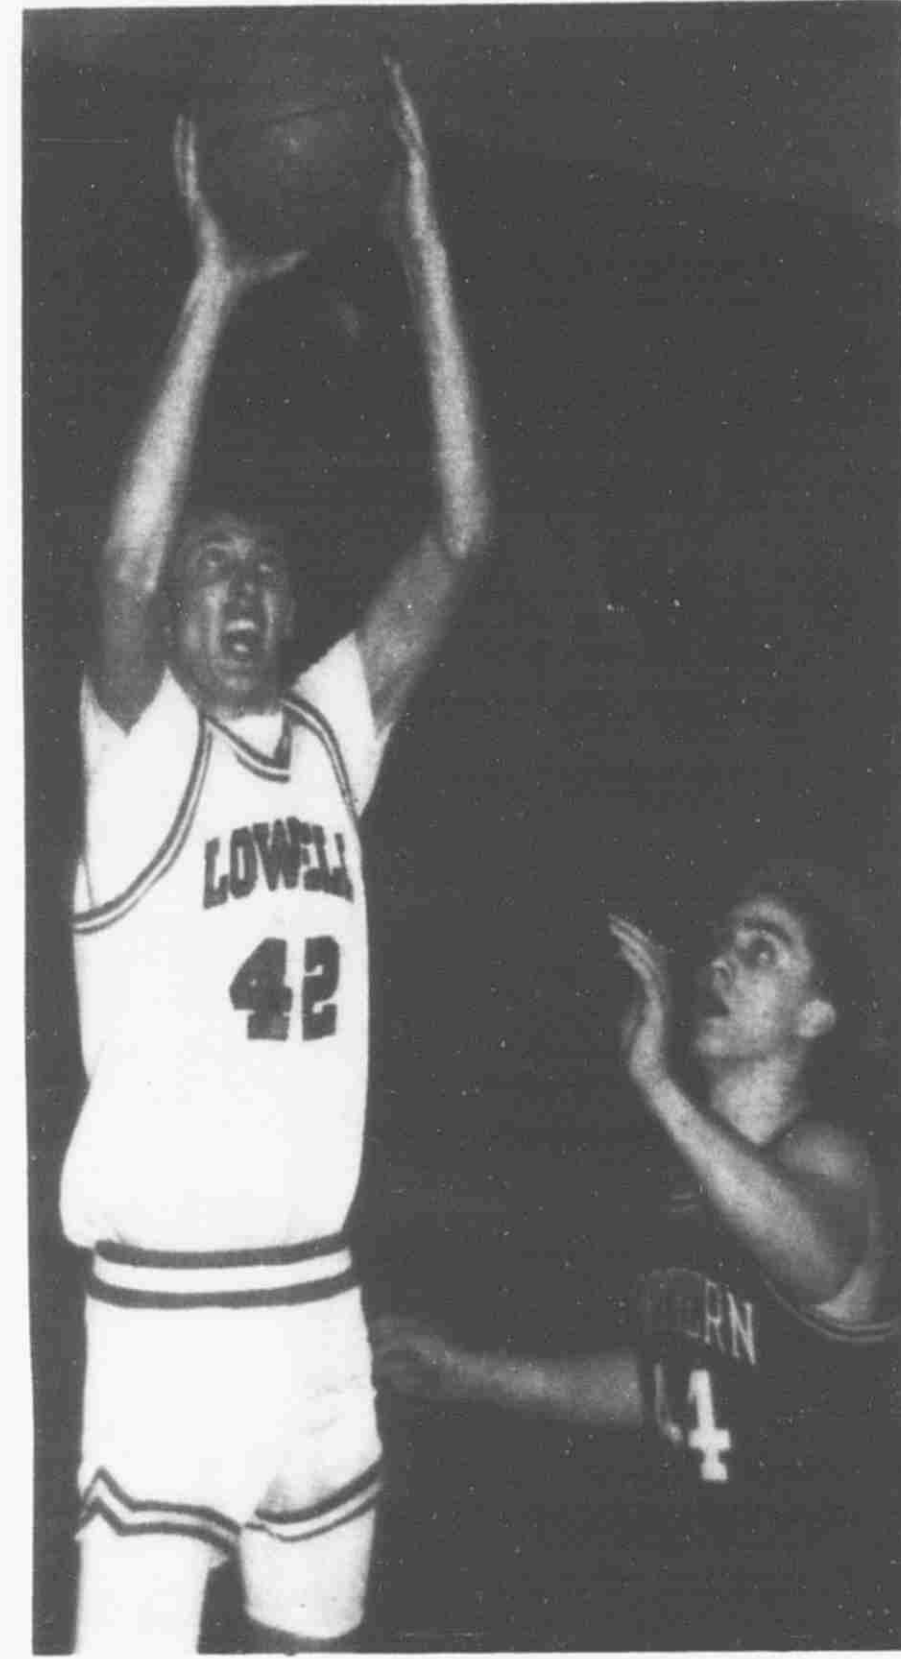

Holtz chipped in with nine and Stencel and Breslin each added eight points apiece.

Lowell/Caledonia The Red fell behind by nine after eight minutes of play against Caledonia, but recovered in the second stanza with a 23 point quarter as it gained a 33-32 halftime lead.

Lowell went on to earn a 60-56 win.

Scott LaHaie led the club with 14 points. Holtz and Eisentrager followed with 11 points each. Breslin added nine.

# Pool repair, is it cost prohibitive? City asks for Health Dept. report

Editor's Note: Due to errors in the layout of the King Memorial Pool story last week, The Ledger is re-running the story in this week's edition.

Discussions were held at Tuesday's Lowell City Council meeting about the issue of whether or not to re-open King Memorial Pool.

That's a sure sign that Spring can't be far away.

The Parks and Recreation Commission recommends the pool be re-opened again this year based on the need to provide a local facility for swimming lessons.

Lowell YMCA director,

Doug Ybema, went before the City fathers asking if the City would split the repair costs and operating deficits with the YMCA while also providing a \$6,000 subsidy.

The Council's response was it would need a report from the Kent County Health Department detailing the condition of the pool and costs incurred before the pool could be licensed to be opened.

"The key in the whole matter is repairs. It is not known whether required repairs would be cost-prohibitive," Parks and Recreation Commission member and City

Councilmember Don Green said.

Green added that the Parks Commission stated that if it was infeasible to re-open the pool, a subsidy should be provided to the YMCA covering transportation costs for swimming lessons.

The Commission also recommended that the City initiate conversations with the

YMCA, the Public Schools and the Townships (Lowell and Vergennes) regarding the construction of an indoor pool. This has been felt by the Commission as a long-term solution to the pool dilemma.

If the pool is determined unusable, kids will be transported to the Southeast YMCA for lessons.

## "Spoon Man" applauds students' fund-raising effort

St. Mary's students capped off two weeks of fund-raising by treating themselves to a luncheon break with Jimmy "The Spoon Man" Crews.

St. Mary's pre-school through fifth-grade students sold candy bars and recycled paper products through the first two weeks in February as part of a Home and School Association project.

Money raised by the students totaled roughly \$3,000.

Home and School Association chairperson Lee Feusse said the money raised will be used toward the purchase of school books, utensils and other school needs.

"I'm extremely happy with the work the students did and the money raised," she said.

Jimmy "The Spoon man" Crews entertained students from St. Mary's Friday.

## Educational Fair a looking-glass for incoming freshmen

Lowell High School counselor Bob Van Belois works with next year's freshmen on their schedules.

Over 400 eighth-grade students and parents attended the second annual Educational Fair at the High School gymnasium.

The Fair served as an informational night for both students and parents. It introduced them to what's ahead for the incoming freshman next year.

Each high school department, and local clubs and organizations had tables set up with displays of what each has to offer.

"It gives us the opportunity

to talk to students and parents about the different class offerings available to them," Lowell High School guidance counselor Barb Pierce explains. "It provides students with an opportunity to anticipate and prepare for their four years of high school."

Pierce says in 1992-93 there will be 250 freshman. The graduating senior class has approximately 172 students. "I fully anticipate we'll have more than 250 freshman," Pierce states.

The High school guidance counselors spent last Wednesday and Thursday scheduling next year's freshman class.

For the first time, Lowell High School is using the new Mac School computer system. The computer will determine the hour of each class and the teacher for each student.

"The computer will be used basically for record-keeping such as scheduling, report cards and attendance," Pierce said.

## Happy Birthday

Cold weather can often put a chill on the most enthusiastic of spirits and the best laid plans. If a cold and dreary day keeps you indoors, here's a hot idea. Get the fireplace going, if you have one, or just light a few candles to give your room a happy glow. Curl up in your favorite easy chair or on your sofa with a good book,

Television is chewing gum for the eyes.

**Sun Light, And Sun Right**

Medical experts today are recommending responsible (and moderate) use of sunlight for a variety of ills. Everyone needs sun to produce vitamin D, but how much they require may depend on age and other factors.

"Vitamin D is essential for the life-long development and maintenance of the body's skeleton," explains Michael F. Holick, Ph.D., M.D., co-chairman of the Light Symposium Foundation's Biologic Effects of Light conference.

Aging, sunscreens, the season, time of day, degree of air pollution and latitude limit the skin's ability to produce the vitamin D hormone.

To fully enjoy the beneficial effects of sunlight, Dr. Holick is convinced sensible guidelines relating to responsible use should be developed. "We need guidelines for more even-handed appreciation of this natural resource," he continues.

The more northern the latitude, the more sunlight the individual requires. For older, fair-skinned persons living in New England, about ten to 15 minutes of exposure a day in the mid-morning to late afternoon several times a week is recommended.

For persons living in the South, just two or three minutes may be adequate, depending upon the person's sensitivity to sunlight. The darker the complexion, the more sunlight he or she

listen to a favorite record or perhaps pop a video you really love into the VCR. Then settle back and slowly sip a soothing cup of hot tea. You can flavor it with lemon or sweeten it with sugar if you like. Now is the time to unwind and enjoy yourself. Spending a pleasant hour or two this way may make you wish the weather would keep you indoors more often!

# Council votes "no" on awarding local bid

The City of Lowell had to determine if a difference in price of \$423.42 constituted foregoing the lowest bid policy in order to support local business.

That was the dilemma facing the Council as it discussed awarding the bid for the purchase of a 1992 police cruiser.

Berger Chevrolet's net price of \$12,456.58 was roughly \$423 less than Thomet Chevrolet's bid of \$12,880.

Other bids received were from Kool Chevrolet in Grand Rapids, \$12,643 and Harold Zeigler Ford, \$14,432.

Councilman Jim Hodges, in favor of foregoing the lowest bid policy, made a motion to accept Thomet's bid. The motion was turned down 3-2, with Hodges and Jack Fonger voting "yes."

The "no" votes came from Bill Thompson, Don Green and Jim Maatman.

A motion to accept Berger's bid was then accepted in a 4-1

vote. The only "no" vote came from Hodges.

"For such a small difference I would like to see the Council lean the way of supporting local business," Hodges said. "I could see if the difference was \$1,800-\$2,000, but it's only three percent.

Councilman Bill Thompson had a difference of opinion. "I like Thomet Chevrolet, but I believe the City's bid process has merit. It also helps to save the City money. The difference in the two bids was the trade-in value."

Berger Chevrolet gave the City a \$2,000 trade-in value. Thomet offered \$1,500.

Thomet's actual bid on a new cruiser was \$14,380.00, Berger's was \$14,456.58.

The policy states the Council may accept the lowest bid, which leaves room for variance.

"I agree the Council should do what it can to support local business. But I also think

we shouldn't use the bid process if we're not going to follow it," Maatman said.

The policy was revised so that the City garnered more bids and thus had a more com-

petitive market and better chance of receiving lower bids.

"We shouldn't take in the bids if we don't intend on considering them," Maatman said.

The next regular meeting of the Lowell Showboat Garden Club will be held Monday March 9 at 7:30 p.m. at the Congregational Church in Lowell. Guest speaker will be Lois Wier.

Wier will give a presentation on "Josephine's Garden," a world renown rose garden located in Malmaison, France. The garden is named after Josephine Bonaparte, the first wife of Napoleon Bonaparte. Her garden surrounded the chateau that she received as part of the divorce settlement from Napoleon. She started the gardens in 1795, with 260 varieties of "old garden roses, which were all of the known varieties at that time.

Anyone interested in learning more about "Josephine's Garden" or anyone interested in other Garden Club activities is encouraged to attend the meeting.

## Off the Blotter

Charles Noll, 17, of Lowell was injured in an accident Feb. 20. The accident occurred on Hudson Street just north of Main Street when a car driven by James Manion, 17, also of Lowell, struck Noll's car from the rear.

A 14 year old juvenile female was turned over to her parents early Sunday, March 1, for violation of curfew

Lowell officers investigated 19 accident complaints in the month of February. Of these complaints, two incurred injuries to the vehicle's occupants.
