## June 8 school election will have six candidates running for three spots

### Incumbents, Byrne & Wilcox will run; Kropf steps aside

In the midst of building a new high school and renovating the existing school buildings, Lowell Schools will ask the Community to elect three officials to fill two four-year terms and one one-year term at the June 8 election.

While board elections are not new to the district, the amount of interest in serving on the board is somewhat an oddity.

The last time the number of people running for a board seat was as high as six was in 1983 when there were nine vying for a seat on the Lowell Board of Education.

So why nearly 10 years later has the interest been rejuvenated?

School financing, enrollment and school program offerings may helped to generate the interest.

Lowell Superintendent Fritz Esch explains that former school board members and community members encouraging/recruiting people to run may have played a significant role.

"People not on the board anymore still have an interest in the school district," Esch said. "Six people running for three seats is a positive for the district."

Issues that the winners of the three seats will face over the next two-four years include:

- \* School financing- as to the state and how it effects Lowell..

- \* Schools of Choice

- \* Enrollment increases - current projects have enrollment increasing by approximately 100 students per year over the next five years.

- \* Improvement of programs offered by the Lowell School District.

The Board seats opening up are those of Norm Byrne, Board President, Roger Kropf, and the unexpired term of Linda Beers, who resigned in January and was filled by Marcia Wilcox through Board appointment.

Roger Kropf will not be running again, however, Norm Byrne will be running for one of the four-year terms and Marsha Wilcox for the one-year term.

The three other candidates who are running for the four-year terms are Dennis P. Brown, Stephen Idema, and Ted Vogt.

Other than Wilcox, Ed-

ward H. Stormzand II is the only other person running for the one-year term.

What makes a good School Board member? According to Esch, it is more than knowing the issues.

"It's the ability to work together and to listen to each board member and the willingness to compromise," Esch said. "It's making a commitment to the school and not to personal issues. It's the ability to differentiate between policy and management."

The Lowell community will have to differentiate between which of these six it wants to serve on the School Board come June 8.

A Community Forum will be held on May 21, at the Lowell Middle School at 7 p.m. to give voters an opportunity to meet and hear the Board candidates discuss issues that the School Board will be confronted with over the next couple of years.

Wilcox was appointed to the Board in February to fill the vacancy created by the resignation of Linda Beers. She is seeking the one year Board seat to complete the term. Marsha has been a resident of Lowell all her life and she and her husband, Gordon, have three children (daughter, Lynn Drown, and two sons, Mark and Paul). Wilcox's schooling beyond high school includes Grand Rapids Junior College and Aquinas College.

She has been involved with such organizations as the Kent Community Hospital Board, Vergennes Township Zoning Board, and the Lowell United Methodist Church Administrative Board.

## TLC earns Gold Rule Award for voluntarism

"This community and its educational system is important to my family and me. I bring experience from a number of public service areas, which will be helpful as we make the best possible decisions for students, citizens, and employees," Wilcox said.

Also vying for the one year term is Stormzand. Ed is a life-long member of the Lowell community. He and his wife, Lisa, have a six-month old son named Maxwell. Stormzand is the assistant service manager at Vennen Chrysler Dodge Ply-

mouth in Lowell. His education includes Grand Rapids Community College and Ferris State University, and he is a member of the First United Methodist Church in Lowell.

"I am a life-long resident of Lowell and an LHS graduate. I am concerned with the gap created between the school board/administration and the community," Stormzand explains. "It has become increasingly apparent that present board mem-

## TLC, continued....

"Together Lowell Cares" was recognized for such volunteer activities, as Substance Abuse Awareness Week (last week in January) and its Family Workshop held on Feb. 1.

The Golden Rule Award Program is based on JC Penney Company's traditional belief in community service.

When James Cash Penney opened his first store in Kemmerer, Wyoming in 1902, he named it "The Golden Rule" - for the philosophy he believed should govern the way he did business.

The purpose of the Golden Rule Award is to recognize and support the work of individuals and groups who have performed outstanding service in the community.

The Award ceremony was sponsored by JC Penney and The United Way and co-sponsored by WCUZ and WZZM.

The United Way's mission is to "increase the organized capacity of people to care for one another."

United Way has honored volunteers on a consistent

basis for over a decade through its Volunteer of the Year Awards.

In 1990 it joined JC Penney in the Golden Rule Awards to more effectively recognize those people who give of their time and energy to "care for one another."

"Together Lowell Cares" received a check for \$250 for its voluntarism in the Lowell Community.

"Together Lowell Cares" is a committee made up of 10 members.

"We are very pleased to accept this award," TLC's Sue Burt said. "You don't do volunteer work expecting to gain recognition. But it is a nice feeling. The committee is made up of teachers and counselors. This is done above and beyond school time."

Originally TLC started out as the Red Ribbon Committee four years ago. It was changed to "Together Lowell Cares" this year.

"I was shocked and ecstatic about the award," said TLC member Karen Latva.

bers have become complacent and non-responsive to the needs and wants of the people. The voters need to be better represented on the Board. New people and new ideas will bring a brighter future."

Dennis Brown is one of the four candidates vying for the two four-year terms.

He has lived in Lowell for 26 years and is employed by the Diesel Technology Company.

Dennis and his wife, Diane, have five children, Dennis,

Roxanne, Patrick, Jennifer and Stephanie.

Brown has attended Grand Rapids Junior College and served in the Michigan National Guard. His involvement with organizations include the Credit Committee Multi Product Credit Union, and chairman of St. Patrick's Annual Festival.

Brown says he believes the School Board needs a change. "The Board needs to be more in touch with the people they represent, so we don't have another unnecessary experience

like the Gun Club situation."

Theodore J. Vogt is also running for one of the four year terms. Ted and his wife have five children, Jesse, Tracey, Suzanne, Nicholas, and Stephanie.

He is employed by Northwestern Mutual Life/R.W. Baird and Co., Inc. of Grand Rapids and is an investment advisor and broker for both institutional and individual securities.

Vogt's education beyond high school has been at the

Grand Rapids Community College. He has served in the U.S. Army and was stationed in Heidelberg, Germany.

Involvement with organizations include: Michigan Colleges Foundation, Grand Rapids Foundation, Economic Club of Grand Rapids, Republican Party Finance Committee, and the Penn Club.

"I'd like to assist in bringing together the community for the successful completion of the new high school," Vogt says. "I

believe part of this includes attending Township meetings on a regular basis.

Vogt is also an advocate of the Renaissance Program. "It's very good, but I believe it could be expanded to include every member of the school system. Its most important purpose is to raise the students' enthusiasm toward school, thus improving overall grades," he says.

Vogt brings with him a strong business background and strong ties that will enable him to assist in lobbying for important school issues and programs.

Stephen Idema is running for one of the four-year terms and he and his wife, Peggy, have lived in the Lowell area for 16 years. They have two children, Julie and Jennifer.

Steve is employed by Idema & Keyser, P.C. and is an attorney in general practice.

His education includes the University of Michigan and the University of Michigan Law School.

Idema's involvement with organizations include serving on school millage committees, Lowell Academic and Athletic Boosters, YMCA Fund Raising Campaign, Lowell Township Zoning Board of Appeals, member of the Lowell Area Arts Council, past member and president of the Alto Lions Club, and past member of the Alto Parent-Teacher Club.

As a School Board member he would like to follow through on certain Strategic Planning recommendations developed by community members over the last several years, including the promotion of computer and technological literacy, develop private funding sources beyond public financing, and expanding the availability of school facilities for the community.

Idema also looks forward to:

- \* Continuing recent efforts to assure Lowell Schools have a sufficient college preparatory curriculum.

- \* Improving the communication between the administration, Board, and com-

munity in new ways.

\* Call upon the administration to become more creative in improving our educational system by exploring new concepts, such as a 210 day school year.

Norm Byrne has been a member of the school board since 1986. He attended Lowell High School and is a life-time resident of the district. The Lowell graduate has served on numerous committees while being a board member and has developed a wide range of knowledge on school financing, curriculum, academics and policies. Byrne is currently chairman of the Building and Site Committee as well as being a member of the Curriculum Committee and Transportation Committee.

Byrne is the owner of Byrne Electrical Specialists, Inc., which is located in Rockford. Mr. and Mrs. Byrne established the first industrial on-site day care facility for employees in southwest Michigan. The state has given Byrnes' awards yearly for the excellence of their day care program. Byrne's wife, Rosemary, and daughter, Kathy Scudder, manage the facility.

Byrne's involvement with the community includes serving as a member of the Rockford Area Chamber of Commerce for eight years and as President for three years. He is a board member of the Rockford Area Economic Development community, and past member of the Lowell Excellence in Education Committee. Byrne has served on many community service projects both in Rockford and Lowell.

"I'm running for the Lowell School Board because my four children and I have received a good education from the school system, and I would like to continue serving the community. I see a need to promote a more cooperative and understanding relationship between the administration and parents. I feel a board member should be a liaison between the community and the administration to ensure that the administration will not only listen to input from parents, students and taxpayers, but also take their

views into consideration," Byrne said.

"I feel we've moved too fast on some policy and curriculum changes. I believe that changes should be made in an orderly and progressive manner and only after the administration has received input from all levels of the community. Abrupt changes in policy only lead to chaos and dissatisfaction. I'd like to have moved slower on curriculum changes (such as the Chicago Math Program) which would have allowed more teacher training prior to implementa-

tion."

Currently chairman of the Building and Site Committee, Byrne believes that he has contributed to keeping the building costs down and getting as much value for each tax dollar as possible. Byrne said, "As a business owner and taxpayer, I am aware of the tough economic times and realize that it is difficult for taxpayers to pay for increased taxes. I will do everything I

can to keep taxes in line. I am a strong supporter of alternative financing for schools and believe that we have to relieve property owners of this tax."

**WILL MOUTHWASH CURE BAD BREATH**

**Question:** I have used four brands of mouthwash and (according to my wife) I still have bad breath. Is it the mouthwash or is it me?

**Answer:** I'm afraid it's you, my friend. Although some mouthwashes may be advertised as cures for halitosis, the best they can do is to camouflage the condition temporarily. The only sure way to cure the problem is to cure the cause. Mouth odor may be caused by plaque in the mouth, decayed teeth, gum disease or infection. If the mouth is clean and healthy, yet unpleasant breath persists, a physician should be consulted. Indigestion, diabetes, lung cancer and other serious conditions can cause halitosis.

## Cozy Corner by Roger Brown

I believe it was Ben Franklin who said, "Necessity is the mother of invention". On the other hand, maybe it wasn't Ben Franklin. If I were playing Trivial Pursuit, that would be my guess. But, there's one thing we ought to consider here... I'm lousy at Trivial Pursuit. That game makes no sense to me. Take the above quote for example. If the game card asked you said it, you'd probably think along the lines of Ben Franklin, Alexander Graham Bell or Thomas Edison. But, when you turn the card over you find out it was Mae West, or some equally illogical person. It was probably Ben Franklin who first said, (in a sultry voice) "Hey big boy, why don't you come up and see me sometime?"

Ignore all the above gibberish, as it has absolutely nothing to do with what I intend to tell you about, except for the necessity part. The necessity is still there because my invention didn't work, and I do believe an invention has to work to be qualified as such. The mother part is irrelevant, unless Saddam Hussein had been present. He would have dubbed this the "Mother of all fiascoes!"

I've been toying with the idea of extending the dock at our

cottage out to the boat lift. Wading out to the boat with the supplies necessary for a day on the water is startlingly familiar to WWII combat footage of a beach invasion shown in reverse. The water must have been warmer in those island invasions though. You don't see guys tippy-toe for those last few inches before the "private parts" go under. Actually, wading to the boat isn't so bad when the water is warm. I just wish the water would be warm longer than from July 4 through July 7.

In order to estimate the cost involved, I have to determine how long this dock has to be. Which in turn means, I need to know how far it is from the shore to the drop-off. The temperature was in the low fifties on Sunday, there was a chilly north wind blowing in off Lake Michigan and I have no idea what the water temperature was, but I'm sure the ice fishermen haven't even stowed their gear away. Of course, my waders were stored warm and dry in the furnace room at home. There-in lies the necessity for invention. How to measure this estimated 150 feet without risking an agonizing death by Charlie horse from trying to tippy-toe those last few inches.

Are you ready for this? I got a spool of nylon cord from the workshop. It was about the size of chalkline, and very strong. I tied the end to Thor's collar. Thor is my big, robust yellow Labrador retriever. I then threw Thor's tennis ball as far out in the lake as I could heave it. Are you getting the picture yet? The idea was to reel off line as Thor went after his ball, then tie a quick knot in it when he reached water deep enough to make him begin swimming. I thought it was absolutely brilliant!

I threw the ball, Thor took off at a full gallop and things were

going pretty much as planned until the line became tangled around two of my fingers. Like I said, this was strong line, and Thor is certainly a strong dog. In an instant it became quite clear that I was going to sacrifice my dry clothes or a couple of digits from my left hand. Since I'm right handed, and the water was so cold, I did consider sacrificing the fingers for a moment before succumbing to the pain and running into the lake.

My wife was watching from the cottage, and roared with laughter. I waded back to shore after untying the cord from my fingers. Thor was bounding and splashing in circles around me with the tennis ball in his mouth and the cord still tied to his collar. I gave some thought to refining the idea, but cold, wet and disgruntled, I headed for the warmth of the cottage. Fortunately, Thor had reached his tennis ball before I was towed to deep water. Otherwise I'd either be typing this minus a couple fingers or speaking in a high pitched voice.

I realize that giving up is not in the true spirit of the American inventor. Where would we be if Edison had given up on his light bulb or Bell had called it quits on his telephone? But, I do know one thing, if Ben Franklin had his kite string tangled around his fingers and was being towed into a frigid lake, we'd probably be watching kerosene TV's today.

Dear Editor:  
May 10-16, 1992 is national "Nursing Home Week" and this year's theme, "Celebration of Quality" is intended to honor the truly loving individuals who daily care for the sick and frail. Americans are living longer than ever before. In fact, two out of every five people who live beyond 65 years of age will spend part of their lives in nursing homes. Some 51,000 Michigan citizens reside in nursing homes. Today's modern nursing home care teams include professionals in medicine, nursing, nutrition, social, spiritual and personal care. These people, along with the many volunteers who participate in our community nursing homes, should be commended for their commitment to helping make other people's lives happier, more comfortable, and more enjoyable. Most people do not know very much about life in a nursing home. They're unaware of the professional services involved, as well as the fun and stimulating activities available daily to help residents reach their full potential. And we sometimes forget how much the loving touch, smile and conversation with staff and volunteers means to our community citizens now living in nursing homes. This special week offers an opportunity to give thanks to these caregivers in the

**SNORING**  
Snoring is a common dilemma, affecting up to 25 percent of adults on a regular basis. In fact, recent evidence suggests that approximately 25 percent of adults snore at least occasionally.

Any heavy, loud snoring, should be brought to the attention of your physician, to rule out any possibility of obstructive sleep apnea. Obstructive sleep apnea is a disorder whose only manifestation may be that of persistent, loud, obnoxious snoring, that which typically chases a spouse from the sleeping quarters in search of a restful night's sleep. Since this type of sleep apnea has been linked to heart failure, heart attack and stroke, loud snoring bears investigation.

If you are an average snorer, one who snores occasionally or who snores with a steady mild drone, here are some tips which may help lessen the likelihood or intensity of your snoring:

- Exercise regularly and lose weight if necessary. Heavier people snore more often.
- Avoid alcoholic beverages and heavy meals within three hours of going to bed.
- Establish regular sleeping patterns and avoid getting overtired.
- Sleep on your side instead of on your back. To encourage yourself to do this, sew a pocket on the back of your pajamas and put a tennis ball in it.
- Avoid taking tranquilizers, sleeping pills, or antihistamines before bed. These preparations can cause the muscles of the tongue and throat to relax too much and collapse into the airway, which can result in snoring.

### OFF THE BLOTTER

Kent Holst, 33, of Lowell was involved in a property damage accident, April 24, on Main near Amity Street when he changed lanes and struck a vehicle driven by Jeffrey Henriksen, 29, of Greenville.

Lowell officers investigated 20 accident complaints in the month of April, three of which incurred injuries to the vehicles occupants.

Arrested May 2, for driving under the influence of alcohol, driving while license suspended, and a total of five outstanding warrants issued out of Grand Rapids, Ionia and Wyoming, was Richard Hill, 24, of Grandville.

Arrested on a warrant issued out of a Grand Rapids court was Dale Wilcox, 19, of Lowell.

A 15 year old juvenile from Lowell was apprehended by store employees, April 27, in the 7-Eleven store on West Main Street for shoplifting.

Two juvenile brothers, 16 and 15, from Lowell will be referred to probate court, at a later date, after confessions were obtained from the two. The two confessed to stealing at least six vehicles and committing numerous larcenies from residences in the City since the first of the year.

Arrested on a warrant, April 29, by Lowell officers, was Kenneth McBain, 24, of Grand Rapids.

A 16 year old juvenile female from Ada, was involved in a property damage accident, May 4, when she struck a parked vehicle while attempting to back from a parking space at the Lowell High School.

# Lowell Area Arts Council offers Louise Harper Scholarship

Once again this year the Lowell Area Arts Council will award the Louise Harper

Memorial Scholarship to a student who has graduated before July 1, 1992. The ap-

plicant must plan to enroll and major in an area of fine arts or crafts, visual or per-

forming, arts management, or education at a college or university before December 31, 1992.

The scholarship is awarded to an outstanding student of the arts in the amount of three hundred and fifty dollars for the academic year 1992-93.

The Louise Harper Memorial Scholarship Fund was started in memory of Louise Harper, a resident of Lowell, and a member of the Lowell Area Arts Council, who died of cancer in February 1982. The fund which was established in her memory by money donated by her family and friends has continued to be awarded since that time. The LAAC, and the relatives and friends of Louise Harper are proud to offer this opportunity to a student wishing to further Harper's love of art.

Anyone who wishes to apply for this scholarship must be a high school graduate by July 1, 1992 and be enrolled in the academic institution indicated on their application.

Applications may be obtained from the Lowell Area Arts Council, 149 S. Hudson,

1 to 5 p.m., Monday through Friday, or the Director of Student Services; Lowell High School.

All applications and supporting references must be received or postmarked no later than May 14, 1992 to be considered.

Item #1. PUBLIC INFORMATION SESSION - GRINDLE DRIVE WATER IMPROVEMENTS. A public information session was held to consider the installation of a water main on Grindle Drive from Shepard to James. The project would affect eight properties with the total cost estimated at \$249,000. A total of \$40,000 would be allocated in special assessments. The following was a proposed breakdown of costs between the City and property owners:

CITY	PROPERTY OWNER
Booster Pump Station	\$167,000 Main (8') \$21,000.
12" main from B.P.S. to Shepard (250 l.f.)	9,000 Fire hydrants 9,000.

12" main along Shepard to Grindle (600 l.f.) 11,000 Road repair 10,000. \$40,000.

Over sizing of Grindle Drive water main (from 8' to 12") 7,000

Pressure reducing vault 15,000 \$209,000.

Based on 1804 l.f. of assessable frontage, the cost per foot would be \$22.17. Also, a charge of \$1,077 is placed to each property for the booster pump station.

It was questioned where the water line would be placed on Grindle Dr. Tony Siciliano, Director of Public Works, responded that the water main will be installed on the north side of the road. It will be in the city right of way, not crossing any private property.

Lonnie Collins, 701 Grindle, questioned whether one or both sides of Grindle will be assessed for these water improvements. Collins noted that he has his own well and does not foresee the use of these improvements. City Manager Pasquale responded that both sides of the street will be assessed except for those that currently have city water.

Richard Cook, 750 Grindle, inquired whether if a property owner would choose not to hook up to the City water, what expenses will incur at a later date? City Manager Pasquale mentioned the only expenses deferred would be tap in charges of \$625 plus the plumbing costs for a service line. Cook questioned if a tee in front of each house could be installed so property owners wouldn't have an excessive cost in the future. City Manager Pasquale responded that this would have to be brought before the council.

Clark Vredenburg, 480 Hillside Ct, asked if the City was going to improve Grindle Dr. City Manager Pasquale responded that the road will be repaired as part of the water main work. Councilmember Thompson mentioned that residents were given the option of the pavement and the curbing but responded that only very minimal costs were wanted.

The residents then questioned about the next step in the water improvement project. City Manager Pasquale responded the Council would need to set hearings to establish a special assessment district. Specific costs would be given on the water main improvements and then the Council would have a final determination on the special assessment district.

IT WAS MOVED BY HODGES and seconded by FONGER to establish a special assessment district through a public hearing process on the Grindle Dr. water improvement project.

City Manager Pasquale mentioned that engineering services must be secured for the water improvement project. Plans and specifications should be reviewed for public inspection.

Item #2. CONSIDERATION OF DISTRICT LIBRARY AGREEMENT. At the March 2, 1992 meeting, the Coun-

cil approved a resolution of interest to join the District Library. An agreement to formally join the District was presented before the Council.

Bruce Robinson, District Library Project Manager, has stated to City Manager Pasquale that 18 of the 26 eligible communities have either passed resolutions of interest or signed agreements. Once this process is completed, an election will be scheduled where a millage will be requested.

Shirley Bruursema, Chairperson of the Kent County library system, was present to answer any questions concerning the District Library System.

IT WAS MOVED BY HODGES and seconded by GREEN to adopt the resolution to approve the District Library Agreement.

Item #3. REMOVAL OF FUEL TANKS AT THE DPW GARAGE. Currently, the City has three 1,000 gallon underground fuel tanks behind the Public Works building. In order to comply with federal EPA requirements as enforced by the State Fire Marshal's office, upgrading of the tanks must be accomplished for leak detection (by December, 1993) and spill/overflow (by December, 1998). WW Engineering and Science provided alternatives to the City in a report published February, 1990. The alternatives included: (a) upgrading the tanks (est. \$38,000 - \$53,000, with yearly operation and maintenance between \$18,989-\$23,489), (b) removal and replacement of existing system (\$44,000-\$54,000, with yearly operation and maintenance between \$18,989-\$23,489), (c) tank removal/purchase fuel from local firm (est. \$14,000 and yearly cost of fuel \$16,622 at 1990 prices).

It was felt by staff that cost savings could be achieved by removing the tanks and purchase fuel through Fairchild Oil's card system available on a 24 hour basis. Also, the future liability of gas leaks could be avoided. Thus, the following quotes were received for removal:

North Garfield Excavating (Wyoming)	\$3900.00
Gillhespy-RV Seaman, Inc. (Grand Rapids)	4335.00
Rohr Gasoline Equipment (Grand Rapids)	4976.20

The low bid of North Garfield included the removal and dismantlement of the tanks, clean site assessment, removal of asphalt or concrete and back fill to grade with sand and top soil. The work would be performed in accordance to EPA and State Fire Marshal regulations. Councilmember Fonger questioned what the difference per gallon cost for fuel will be with the card system as opposed to having it delivered. DPW Director Siciliano responded that there will be a \$.05 savings per gallon.

IT WAS MOVED BY THOMPSON and seconded by GREEN to accept the North Garfield bid for the removal of the fuel tanks behind the DPW garage and to purchase fuel by the card system through a local vendor.

YEA: 5.  
NAY: 0.  
ABSENT: 0.  
MOTION CARRIED.

Councilmember Thompson questioned who is authorized to use the fuel cards. DPW Director Siciliano responded that the City has devised a system through Fairchild's whereby the fuel card will contain a certain number which corresponds with a particular vehicle. Every card will have a mark so only authorized personnel can use it.

Item #4. GEOGRAPHICAL INFORMATION SYSTEM (GIS) AGREEMENT WITH KENT COUNTY. County and municipal officials have been studying the needs for a Geographical Information System (GIS). This system would provide computerized mapping for a range of activities such as utilities, streets and zoning. The city staff is currently reviewing proposals to initiate such a system, focusing particularly on cemetery mapping needs.

In the interest to coordinate G.I.S. mapping on a county wide basis, it was recommended that the City contribute toward the hiring of a consultant in the amount of \$558 to perform a needs assessment. Councilmember Fonger questioned how many communities in the county are currently on the system. City Manager Pasquale responded that he can find out how many have submitted resolutions. Councilmember Hodges felt the City would be spending \$558 only to find out how much additional money is needed. It was the consensus of the Council that the City should get more information before a decision is made.

Item #5. RECOMMENDATION FROM THE PARKS AND RECREATION COMMISSION CONCERNING THE KING MEMORIAL POOL. At its regular meeting of April 11, 1992, the Parks and Recreation Commission reviewed the condition of the King Memorial Pool with YMCA Director Andy Johnson. It was determined that the cost to repair the pool could run between \$6,000 to \$10,000 for this year's operation. This would not guarantee approval of the Health Department. Further, costs to repair would remain each year. Thus, the Commission recommended that the pool be closed.

Instead, the Commissioners suggested that the Council consider paying half of the transportation costs (bussing) for swimming lessons to the Ionia pool not to exceed \$2,500. Johnson mentioned that the estimate of total bussing costs was \$6,540. This is based on a four day, eight week program, day and evening sessions. Furthermore, the Lowell YMCA Board agreed with the Parks and Recreation Commission's recommendation to not reopen the pool.

Councilmember Hodges moved to support the Y with a contribution of \$3250 or half of their estimate costs.

Motion died from lack of support. Councilmember Fonger reminded the Council that the City now has Stoney Lakeside Park which needs to be staffed and until the townships contribute this proposal should not be considered. Councilmember Thompson questioned the total number of city residents that were involved with the program last year. Johnson replied he felt it was approximately 33%. Councilmember Green mentioned that the YMCA can't give lessons in Stoney Lakeside Park. By closing the pool, the opportunity for kids to learn how to swim would be taken away.

IT WAS MOVED BY THOMPSON and seconded by GREEN to contribute to the transportation costs for City

residents wishing to take swimming lessons not exceeding \$6,540.

YEA: 5.  
NAY: 0.  
ABSENT: 0.  
MOTION CARRIED.

Councilmember Thompson questioned if the Council had made a decision regarding the disposition of the pool. Having an empty pool is a liability to the City. Councilmember Green informed the Council that this subject should be discussed at the next Parks and Recreation Commission meeting.

Item #6. DONATION TO LAW ENFORCEMENT EXPLORERS. In an effort to help control activities at Stoney Lakeside Park, the Parks and Recreation Commission recommended that the Law Enforcement Explorers be utilized to watch for park violation rules and report these to the Police. Also, the Explorers would be responsible for locking the restrooms each evening. The Explorers would watch the park from May 15 to September 15, on weekdays from 4 p.m. to 10 p.m. and weekends from 12 noon to 10 p.m. It was mentioned by Chief of Police Emmons that these are a group of very dependable young men and women. In the past, the Explorers have done an outstanding job with 4-H and the Showboat. The police have already experienced some problems at the park and the presence of the Explorers is important to keep control. Councilmember Green stated there will be at least two Explorers on duty at all times and they will also be responsible for closing the restrooms in the evenings.

IT WAS MOVED BY GREEN and seconded by Fonger that the City donate \$1,000 to the Explorers for the purchasing, cleaning and replacing of uniforms.

YEA: 5.  
NAY: 0.  
ABSENT: 0.  
MOTION CARRIED.

Item #7. MONTHLY REPORTS. No comments were received from materials presented.

Item #8. CITIZEN COMMENTS. None.

Item #9. COUNCIL COMMENTS. Councilmember Fonger questioned the status of the new equipment for filling in cracks in the blacktop. City Manager Pasquale responded it is part of the budget proposal to the Council.

Also, Councilmember Fonger wondered what can be done to have the County put Main Street in first class condition. City Manager Pasquale responded the City would have to go directly to the State of Michigan. Councilmember Fonger said he wanted this pursued. Councilmember Hodges mentioned the need to include striping of designated four lanes on West Main St. to help clarify where the lanes are.

Councilmember Green wanted a copy of the last sidewalk study and possibly have it broken down into zones for an informational session at a future Council meeting.

Item #10. MANAGER'S REPORT. City Manager Pasquale reported on the following:

1. Gordon Marshall, Co-Chairman of the Veteran's Memorial Project informed the Council of the Memorial

Services scheduled for May 25, Memorial Day at the King Milling parking lot.

2. The minutes of the March Light and Power and Cable TV Boards were provided.

3. At its regular meeting of April 15, the Look Committee approved the following:

- a. \$13,726.81 to Horrock Nursery for the purchase and planting 104 trees as part of the Community Tree Program.
- b. \$300 contribution to Senior Party Night (not to be considered a yearly contribution).
- c. \$625 for indoor Library book drop.

4. Lee's Trenching has scheduled to complete the street work initiated last Fall (including the cemetery road) by next Friday (April 24) pending weather.

5. Well No. 4 is now on-line. The contractor (Gust Construction) is proceeding through the punch list of items to be completed on the wellhouse.

6. Alois Pfaller (192 S. Pleasant) has requested that a tree be removed in front of his property, which is in the public right of way. The Council will review this.

7. City Manager Pasquale mentioned that Ronald Traine had recently applied for a permit to sell ice cream from April 20 to October 1, 1992. It is the policy of the Council that for a period greater than one month the Council approve and set a fee for a peddlers license.

IT WAS MOVED BY THOMPSON and seconded by FONGER that a fee of \$50 dollars be charged and that the peddlers license application be approved for Ronald Traine to sell ice cream in the City from April 20 to October 1, 1992.

WORK SESSION: EXTENSION OF WATER TO LOWELL TOWNSHIP-DISCUSSION OF AGREEMENT TERMS. Tim McNamara, engineer from Fishbeck, Thompson, Carr and Huber, presented a report to the Council concerning project cost considerations for water improvements to service Lowell Township. He stated that in order to finance improvements a readiness to serve charge to city users would need to be increased to \$14.65, keeping a \$1.20 per thousand gallon commodity charge. The wholesale rate to the township was projected at 92¢ per thousand gallons for a commodity charge and \$5315 a month readiness to serve. If adjusted to match the City's \$1.20 per thousand gallons commodity charge, the readiness to serve would be lowered to \$4,050 per month.

The consensus of the Council was to have a staff review of the report and provide recommendations to the May 4 meeting.

IT WAS MOVED BY HODGES to adjourn the work session at 9:32 p.m. DATE APPROVED: May 4, 1992

HOROSCOPE

By C.G. Clark
TAURUS (April 20 - May 20)
You are trying too hard. Be yourself and don't lose heart about impressing "friends." It may be time to move on from a sorrowful relationship.
GEMINI (May 21 - June 20)
Get up and do something. It isn't healthy for you to mope around the house. You are happiest when you are completely busy.
CANCER (June 21 - July 22)
A friend may be suffering so get involved to try to understand the trouble. It is time to rid yourself of a bad habit.
LEO (July 23 - Aug. 22)
Don't take true love for granted. Your entire world could open up with possibilities if you would stop trying to control everything.
VIRGO (Aug. 23 - Sept. 22)
This is an appropriate time to present gifts to people you care about. Your thoughtfulness and caring will bring happiness to others.
LIBRA (Sept. 23 - Oct. 22)
There is a grave misunderstanding between you and a loved one, and you must be the one to straighten things out. Swallow your pride.
SCORPIO (Oct. 23 - Nov. 21)
Don't make promises you can't keep. Your creative talents are flowing and should be used wisely.
SAGITTARIUS (Nov. 22 - Dec. 21)
An impulsive action could cause a great deal of trouble for everyone around you. A legal or financial matter deserves your immediate attention.
CAPRICORN (Dec. 22 - Jan. 19)
You may be judging a friend or loved one too harshly. Sometimes it is best to let people be who they are. You'll be happier and so will they.
AQUARIUS (Jan. 20 - Feb. 18)
Listen to the advice of an old friend. Make changes in your attitude, and it will make the rest of your life go more smoothly.
PISCES (Feb. 19 - March 20)
A book may make a profound difference in your immediate future. Ignore the thoughtless words of a friend or family member.
ARIES (March 21 - April 19)
This may be a difficult period, but you will come through with flying colors. Surprise authority figures by going along with their plans.

White challenges Red Arrow girls to take the next step; Lowell 6-0 in O-K White, with no loss in sight: Leach & Colburn shine

As the Lowell's girls' golf team edges closer to its second consecutive O-K White Conference crown, its coach seems to be growing more comfortable with its top billing.
The Red Arrows have proven to coach Rick White that unless a major catastrophe occurs they will again be O-K White Champions.
Lowell's top three players

are shooting under 50. As a team Lowell is averaging 195. White that will win probably all of its conference games and most of its non-conference games, White is looking for the club to take the next step.
If these girls really want to be recognized, we need to take that next step," White said. "To do that, we must get our team score below 190."
If that is to be accomplished, White points to erasing scores of seven and eight on par fives and sixes on par threes.
Going unnoticed in all of Lowell's success is there third linkster, Megan Leach. With Erin Nausieda and Tracy Burrows grabbing the headlines, Leach has quietly shot her scores down to the mid 40's.
The fourth spot that White was concerned with prior to the start of the year, has been

capably filled by Connie Colburn.
But White wants more, he wants his Red Arrows to be recognized for their golf outside of the O-K White.
Lowell 197
C. Montcalm 243
Creston 298
On Tuesday at Deer Run, the visitors from Central Montcalm and Creston were overmatched.
Lowell's top three came home in numerical order.
Arrows' number one linkster, Nausieda fired a 46. Burrows, number two, shot a 47 and Leach, number three carded a 48.
Colburn came home with a 56.
Lowell 207
Rogers 229
EGR 252
When a team is 12-0 overall and 6-0 in the conference, adversity isn't something it has had to overcome.
The Red Arrows are 12-0, because despite the adversity, they still won by 22 strokes.
So, what was the adversity? Megan Leach who has been shooting in the mid to upper 40s all year, digressed and suffered through her worst round to date with a 67 at Deer Run.
With three scores in, Lowell led Rogers by just three strokes.
Lowell's fourth player, Connie Colburn came in with a 52, replacing Leach with the third score. Amy Estes followed with a 63 for the fourth score and a Lowell victory.
"The girls haven't been tested. They've been winning by over 20 strokes a match and I think they may have gotten a little bit complacent," Lowell coach Rick White said.
Nausieda and Burrows came in at 45 and 47 respectively.

Troubled season continues for Red Arrows; lose game and lead to FHC

Following games against O-K White foe Wyoming Rogers and non-conference foe Grand Rapids Christian, Lowell coach Bob Rodenhouse wasn't interested in talking.
Frustrated by his club's inconsistent play, Rodenhouse watched unhappily as his Red Arrows were beaten 11-1 by the Hawks and 17-4 by the Eagles.

"We looked terrible," Rodenhouse said. "We didn't do anything right."

The Red Arrows, who have shown signs of great hitting, good pitching and good defense, have yet to combine all three in a winning effort.
Against the Golden Hawks, a big inning once again bit the Red Arrows.
Trailing 1-0, Lowell watched as Rogers tallied six runs on three hits, a walk and an error. The big second inning increased Rogers lead to 7-0.

Hawk, Brandi Kogler, went the distance as she pitched five innings, allowing one run on two hits, while walking six and striking out four.
Lowell's only run came in the second. Nikki Gurney walked with one out, Krista Posthumus reached on an error, putting runners on second

Vickie Videan slides through the block to find home plate.

## Lowell doesn't say "uncle" against Rangers, Red Arrows comeback three time before claiming victory

Defensively, it may have been Lowell baseball team's worst week yet.

But good clubs tend to do alright anyway and play through their bad times.

Lowell, at this point in the season, one of the top clubs in the O-K White, overcame woeful fielding and split a pair of games with O-K White contender Forest Hills Central and state ranked Rogers.

"It's interesting to think what this team is capable of when it plays the sixth ranked team in the state (Rogers), followed by a league con-

tender (FHC) and commits 12 errors, gives up 14 unearned runs, but goes extra innings in both games and comes a way with a split," Lowell coach Kris Kropf says, with a shake of his head in disbelief.

### Lowell 13 FHC 11

It wasn't stellar defensive play that won the game for Lowell.

Instead, it was heart and determination.

Central took a 4-2 lead in the third, Lowell tied the contest at 4-4 in the fourth.

Central grabbed a 7-4 lead in the bottom of the fourth, but came back and tied the score at 7-7 in the fifth.

Central took an 11-7 lead in the bottom of the fifth, but the never-say-die Arrows scored four times in the sixth to tie the score at 11-11.

"It was ugly, but we won," said a relieved Lowell coach Kris Kropf. "It was all this (as he points to his heart). The boys refused to lose."

Lowell won the game in the eighth inning on a lead-off double by Rich Depew, followed by an RBI single to

right field by Jason Essex, who later scored on a single by Kip Carpenter.

Despite the score, Kropf recognized Chris Miedema for his pitching effort. "Yes, he did give up eight singles, and six walks, but four singles and four walks followed two-out errors."

Miedema is now 2-0 in the league. The win moved Lowell to 6-3 overall and 2-1 in the conference.

Offensive highlights included a three-run homer by

and third with one out. Vickie Videan than singled home Gurney for Lowell's lonely run.

Tousignant pitched five innings for Lowell, giving up 11 runs on four hits, walking six and striking out three. The Red Arrow defense committed four errors behind her.

Leading 7-1, the Hawks tallied four runs in the fifth to complete the scoring.

### Christian 17 Lowell 4

For four innings it was a decent ballgame. The Eagles led 3-2 going into the fifth.

Christian scored four times on a Lowell error, three walks and one hit, extending its lead to 7-3.

Lowell answered in the bottom of the fifth inning with a pair of runs, including an RBI single off the bat of Jamie Martin. It was Lowell's only hit in the inning.

In the game, Lowell scored four runs on three hits while committing five errors.

Videan pitched seven innings allowing 17 runs on six hits, while walking 10 and striking out eight. Her record is now 2-6 overall and 0-2 in the league.

Christian scored three more runs in the sixth and then capped off the rout with a seven-run seventh inning.

### FHC 13 Lowell 12

Frustrating! Unbelievably frustrating! Lowell softball coach Bob

Rodenhouse could not say or feel much else following a 10 inning defeat at Forest Hills Central.

Defensively, Lowell is not making the correct play in key situations, which explains its 3-11-1 record overall and its 0-5 start in the O-K White.

"The girls are not able to get beyond an error. We don't play past it," Rodenhouse said.

The Ranger game was a key example. Leading 12-9, going to the Ranger half of the ninth, the Red Arrows started the inning defensively with a ground ball through the legs of the first baseman. Before the inning had ended, the Rangers tallied three hits and scored three runs to tie the contest.

With the score tied at 12-12, Lowell started FHC's 10th inning by dropping a pop fly in the infield. Three batters

later, the winning run scores with two outs from second base on a single to right field.

"We just can't get the job done defensively," Rodenhouse said. "It has been frustrating."

Lowell fell behind early, as Central erupted for eight first-inning runs. The Rangers scored their runs on seven hits and two walks.

"FHC hit the ball where we weren't. A lot of seeing eye hits," Rodenhouse said.

Lowell started its comeback in the second, scoring three runs on six hits. The big hit was a two-run double by Erica Hertzler.

Hertzler had a great day at the plate, recording four hits in four at-bats, scoring two runs and knocking in five runs.

The Red Arrows took the lead in the fifth on two Ranger errors to start the inning and

three hits. Again the big hit was a two-run double by Hertzler.

FHC tied the score in the bottom of the seventh, 9-9 on an error by Lowell's right fielder and two base-hits. Again, the error started the inning.

Lowell tallied 12 runs on 16 hits but committed a suicidal seven errors.

Central had 13 runs, 14 hits and four errors.

Stacy Tousignant absorbed the loss for the Red Arrows. She is now 1-3 overall and 0-3 in the league.

Got 'em! Lowell's Amy Stauffer delivers a strike to first, to get the runner.

Airman 1st Class April D. Wheelock has graduated from the command and control specialist course at Keesler Air Force Base, Biloxi, MS.

Graduates learned command post fundamentals, communications and manual and automatic reporting systems.

The airman is the daughter of Bruce D. and Marge A. Wheelock of Saranac.

She is a 1988 graduate of Saranac High School.

Wayne C. Rash, grandson of Ed and Norabelle Rash of Lowell, will be graduating from the California College of Podiatric Medicine.

Commencement exercises will be held May 24. He will receive the degree of Doctor of Podiatric Medicine.

Rash is the son of Darrel and Marge Rash of Forest Hills.

## FAMILY FARE

### Athletes of the Week

**Doug Beimers**  
Beimers placed second in the 300 hurdles against Forest Hills Central. Later in the week, he claimed a first in the 100 hurdles (16.19) and in the 300 hurdles (42.46). The Red Arrow has been an anchor for Lowell in the hurdles for the past two years.

**Heather Gowen**  
When you do the exceptional for so long, people tend to begin to see it as ordinary. That may be the case for heather Gowen in 1992. The senior has continued her incredible track career. The Red Arrow took three individual firsts against Sparta and Rogers and she was a winning member of the 800-meter relay in the meet against Sparta.

**Erin Nausieda**  
The Lowell lady linkster continued her assault on the O-K White Conference with medalist performances against Creston, Greenville, Rogers and East Grand Rapids. Nausieda is leading Lowell to its second consecutive O-K White Conference championship.

## Red Arrow girls on verge of a second O-K White conference crown

The two track coaches, Kathy Talus and Keith Boeve are separated by nearly two halls of classrooms, but their approach to track meets is as close as adjoining classrooms.

"I have the girls focus on doing better each meet. To show constant improvement, improve and then reach your goal," Talus explains.

The Lowell coach refuses to look ahead to an inevitable second straight O-K White Conference Championship. Or to a possible third regional championship in four years.

"I'll leave that up to the reporters," Talus said. "We can't afford to look pass anyone or to become complacent. That's when someone will catch us."

Talus did say she'd much rather be in first and the heavy favorite, then in second trying to catch a heavy favorite.

"I'll take being number one," she says.

After meets with Sparta and Rogers, her Red Arrow squad showed no signs of wanting anything less than number one.

### Lowell 78 Sparta 49

The Spartans led after the first events, 19-13, but trailed by 12 after eight events 36-24.

Talus gave special recog-

niton to Betsy Elzinga, Laura Kryger, Allison Kissinger and Jodi Hoffman for their work in contributing with second and third-place finishes.

"All four girls have worked hard and I was pleased to see them break through and score some team points," Talus said.

Elzinga was second in the 1000 dash, stopping the clock at 12.7. Kryger was second in the discus with a distance of 53.54. Kissinger was third in the intermediate hurdles with a time of 2:51.8. Jodi Hoffman took a third in the long jump.

Winning the long jump was Heather Gowen at 152-1/4. Chris McClure was second at 139.

Gowen was also first in the 200-meter run, breaking the string at 26.7 seconds. The senior won the 100-meter dash in a time of 12.7. She also had a winning leg in the 800-meter relay. Gowen, McClure, Courtney Arnett and Kortney Gowen ran home in 1:52.6.

Brandi Phillips continued to dominate in the discus and shot put events. Phillips won the shot with a distance of 31-4. She won the discus with a mark of 92-11.

The 400-meter relay team consisting of Kortney Gowen, Arnett, McClure and Elzinga raced home in a winning time of 55.6.

# Red Arrow netters struggle in matches; place fifth in Sparta Invitational

It didn't have the drama of the Forest Hills Central/East Grand Rapids conference showdown, but it proved to be as competitive.

Lowell and Rogers not two of the O-K White's stronger tennis teams were both chomping at the bit to compete for a win in the O-K White. Both the Red Arrows and Hawks know that on an annual basis there are only a few opportunities to gain a victory.

The two clubs split their four singles matches and Rogers then prevailed by taking two out of three doubles matches.

"I felt we could Rogers," Lowell tennis coach Terry Abel said. "We got some good performances from a number of our players, but it wasn't enough."

Rogers defeated Lowell 4-3.

In number one singles, Jason Graber defeated Sean Maranda 6-2, 6-2. "Graber continues to lead our team. He won easily today," Abel said.

Adrian Schuster, playing third singles, defeated Ben Major in straight sets 6-3, 6-1. "This was the first time all year he's played singles," Abel said. "He played well."

Chris Scoles, second singles, lost to Rogers Chad Chambers, 6-1, 7-5. Curt Coleman, fourth singles, was defeated 6-2, 6-3 by Thanh Dean.

Lowell's only doubles win came at the third seed where Carl Moore and Jerry Winsor defeated Keith Wagar and John Mixer in three sets 7-5, 4-6, 6-4.

Nathan Livingstone and Neil Nelson were straight set losers in number one doubles, 6-3, 6-3.

Levi Harper and Chris Elzinga lost in straight sets 6-0, 7-5.

"Winsor and Moore played together for the first time and won," Abel said.

**FHC 7 Lowell 0**

The best team in the O-K White over-powered one of the weaker teams in the O-K White.

Central beat East Grand Rapids and now Lowell knows why.

"The Rangers are a deep, veteran team with years of tennis tradition," Abel said. "Right now, we are not close to their level."

Graber lost at first singles, 6-1, 6-1. Scoles was upended at second singles 6-0, 6-0. Schuster went down at third singles 6-4, 6-1 and Elzinga lost at fourth singles 6-4, 6-0.

In doubles play, Livingstone and Nelson were defeated 6-1, 6-0; Harper and Coleman went down 6-1, 6-0, while Moore and Jim Price

were defeated 6-0, 6-0.

**W. Park 7 Lowell 0**

The Red Arrow netters took three of the seven matches against the Vikings to three sets, but came up short on wins.

Scoles played well at second singles before losing to Paul Deemer 3-6, 6-1, 3-6.

Elzinga, fourth singles, lost to Leandro Cepero, 4-6, 6-2, 5-7.

Graber was dominated at number one singles, 6-0, 6-0 by Park's Kevin Kubiela. Schuster was defeated by Scott Littlefield 6-2, 7-6.

Coleman and Winsor played strong before losing in doubles play 3-6, 6-2, 7-5.

Livingstone and Nelson were defeated in number one doubles, 6-3, 6-1. Moore and Harper fell in straight sets, 6-1, 6-4.

**Caledonia 6 Lowell 1**

The Red Arrows played a strong non-conference foe in Caledonia, earning just one win in seven matches.

"Caledonia is strong. Its upper classmen are experi-

## Girl's track, continued

In the 1600-meter run, Michelle Oliver took top honors with a time 6:05.4. Sara Lesky won the 800-meter run, stopping the clock at 2:40.5.

Tammy Allchin won the intermediate hurdles, coming home in an even 52 seconds.

**Lowell 82-1/2 Rogers 45-1/2**

The Red Arrow girls garnered firsts in all but three events as it continued to warm up for the conference meet.

"This is the first time we've had warm weather for a dual meet all year," Lowell coach Kathy Talus said.

The warm weather also helped Lowell heat up its times and distances. "The nice weather certainly helped," Talus said. "I'm happy where the girls are at this time of the season."

Lowell earned first in all but the 110 hurdles, the 800-meter run, and the 1600-meter relay.

# TOWN TALK

Based on the verdict handed out in the Rodney King case, should President Bush intercede, so that federal civil rights charges can be brought against the officers?

David Biggs

Yes, considering the injustice that was done. The wrong verdict was handed down. There was bias in the case. Because of the verdict 27 innocent people have been killed. Innocent people are paying for it.

Larry Pelon

No. The courts have spoken on the evidence presented. This country is run by a court system not a presidential system.

Pat Howard

I don't know enough of the facts that were presented, but from the video shown, the officers should be put away for a long time. The other men with King went quietly. Why, after they had King on the ground, didn't the officers handcuff him instead of beating the snot out of him.

Pam Grubham

I think there should be a retrial. The verdict was unjust.

## Tennis, continued

enced and the Scots' young players are club players," Abel said. "They have excellent athletes."

Lowell's only win came at number one doubles, where Lowell's Schuster and Kennedy did the same thing at number one doubles.

Livingstone and Nelson went three sets in second doubles action before losing 3-6, 6-2, 4-6.

Winsor and Moore lost 6-1, 6-1 in third doubles.

Graber fell to Jeff Vanblekum in number one singles 6-4, 6-1.

Scoles was defeated by Scott Minder 6-3, 6-3.

Coleman was shutout by Jason Crisman, 6-0, 6-0 and Elzinga lost to Scott Silek 6-0, 6-2.

Sparta Invitational Lowell placed fifth at the Spartan Invitational, accumulating 11 points.

"I was extremely pleased with our play. Everyone won at least one match and contributed to the team total," Abel said.

Graber won two matches and placed second. Schuster and Kennedy did the same thing at number one doubles.

Moore and Price, playing fourth doubles, also won two matches and placed second.

Scoles, Coleman, and Jon Smith all won one singles match.

In doubles play, Livingstone and Nelson, and Winsor and Harper both won a match.

"Graber continued to play well after making the jump from fourth singles last year," Abel said. "Schuster and

Kennedy are beginning to jell and getting better and better." Abel said Moore and Price continue to improve as a team and are playing well.

Carlene Hendrick

Yes, I think he should. It is not right what the officers did to King. Everyone saw the way they beat him. They shouldn't be able to get away with it.

Steve Haner

No, the President should not intervene. I think this is a City wide problem. It should have been dealt with locally, not nationally. I also think the officers overstepped their boundary.

Aaron Stencil, left, exchanges the baton with Shawn Smith.

Lowell pole vaulted past Sparta, 90-47.

## Lowell spans Spartans; eyes conference meet and Rangers

Sparta finished within one event of defeating Forest Hills Central, so Keith Boeve's annual meet anticipation and hesitation was heightened. However, his Red Arrows proved that nobody is going to get between them and a second shot at Conference leading Forest Hills Central. To have a realistic shot at catching the Rangers in the O-K White Conference meet, Lowell had to beat the rest of the league. It not only beat Sparta, it beat up on Sparta, 90-47.

"It was probably our best meet of the year," Boeve said. "The boys are confident and are looking forward to a second shot at Central." The Red Arrows lost to FHC in the dual meet 73-64, while it was never offered up as an excuse, it did that without one of its leading point-getters, Shawn Smith. "I anticipated a much closer meet. We did much better in the middle distance events against Sparta than I expected," Boeve explained. Another key factor Boeve

relishes in, was in just about every event a Red Arrow or two recorded personal bests. Lowell garnished 13 firsts in 17 events. Lowell swept in two events, the discus and the 3200 meter run. George Ponchaud led the charge in the 3200 run in a time of 10:58.95. Dave Stouffer was second at 11:10.12 and Jason Vander-Warf placed third in 11:12.93. Joe DeJong was first in the discus with a distance of 143-5. Junior Andy Antcliff was second at 142-6 and Noah Menerey was third with a mark of 110-7.

In the high jump, Lowell earned a first and second. James Manion cleared 5-10 and Ryan White was second at 5-8. In the 3200 relay, it was Ponchaud, Stouffer, Tom Mull and Kyle Boston coming home in 8:33.9. In the middle distance events, Lowell was three for four. John Saboo won the 400 in 52.9 seconds. Dave Stouffer won the 800 meter with a time of 2:08.3. The 1600-meter relay team of Aaron Stencil, Eric Shelby, Boston and Saboo came home two seconds better than its competitor at 3:43.44. Dave Stouffer posted an impressive win in the 1600-meter run, stopping the clock at 4:44.6. Shawn Smith was two-for-two in the sprints, picking up wins in the 100 and 200 meter dashes. Smith finished the 100 in 10.85 and the 200 in 23.9. Doug Beimers won the intermediate hurdles in 41.13. Aaron Stencil was victorious in the long jump with a distance of 195-1/2. Noah Menerey won the

shot put, reaching 45-10. Lowell 122 Rogers 15. It was the Red Arrow track meet. Other than the shot put, a spectator may not have realized the Hawks were hosting the event. Lowell won 16 of the 17 events. Rogers took one first and just three thirds. "The meet allowed me to experiment with kids in different events," Boeve said. Lowell's coach received good news in that Dave Stouffer was given the okay to run following x-rays on his foot (calcium deposits); Saboo's knee is better; and DeJong's collar bone is improving.

Nine Lowell freestyle wrestlers placed at the Regional Tournament, which was held at Caledonia High School, April 25. Group I: Ryan Gannon, third; J. J. Wilder, third; Nathan Clark, fourth. Group II: Nick Lillie, fourth. Group III: Bill Stouffer, first; Steve VanLaan, second. Group IV: Chad Lake, first; Matt Osmolinski, second; Dan Spicer, fourth. Cadet winners at Comstock Park on April 17 were as follows: Richi Stauffer, first; Doug Weeks, second; Wade O'Boyle, second; Sean Smith, third. "The boys did a fine job and should be congratulated for their effort," said freestyle spokesman Cindy Clark.

# Knights of Columbus warms up for Showboat City Classic

## GRATTAN TOWNSHIP NOTICE TOWNSHIP BOARD REGULAR MEETING

A REGULAR MEETING OF THE GRATTAN TOWNSHIP BOARD WILL BE HELD AT THE GRATTAN TOWNSHIP HALL 11676 OLD BELDING ROAD IN GRATTAN ON MONDAY, MAY 11, 1992 AT 7:30 P.M.

**AGENDA:**

- 1) PUD ORDINANCE ADOPTION
- 2) JUNK CONTROL ORDINANCE
- 3) APPOINTING RECREATION PLAN COMMITTEE
- 4) ANY OTHER BUSINESS THAT COMES BEFORE THE BOARD

COPIES OF ORDINANCES CAN BE EXAMINED AT THE TOWN HALL

The Lowell Knights of Columbus are expecting growth from its biggest annual money raiser over the last five years.

The Fifth Annual Showboat City Classic has grown and it co-chairman, Brent Noskey intends to see that it grows some more in 1992.

Last year the Showboat Hoop Classic raised \$1,500 for the Msgr. Hugh Michael Beahan Council 7719 Christian organization.

Noskey is shooting for an extra 25-30 teams for this year's tournament, which will take place June 12-13-14 at Bushnell School on its playground and parking lot.

"The last two years we've had 112 teams," Noskey said. "I'm gunning for 140 teams in 1992," he said. To do this Noskey is taking a more aggressive approach.

The teams, both girls and boys, will be broken down into divisions according to

ability and age.

This year's tournament is being sponsored by Family Fare (major sponsor) along with Little Caesars.

"We are very appreciative of Family Fare's major sponsorship and with the support of Little Caesars," Noskey

said. Lowell Showboat Hoops is still in need of court sponsors.

Proceeds from the event will be donated back into the community of Lowell.

For those interested in volunteering some of their time in helping with the tourney,

they should call Brent Noskey at 897-4982.

"The Knights of Columbus is happy with the small tourney atmosphere its established," Noskey said.

All applications to participate in the Hoops Showboat Classic must be in by May 22.

## Lowell High School granted North Central Accreditation

Lowell High School has been granted accreditation by the North Central Association for the 1991-92 school year. The school has been a member of the North Central Association since 1923, and has been accredited continuously since that time. "This should be a matter of pride to the students and the parents of the school, since accreditation gives assurance that the school meets those precondi-

tions for effective education established by the Association," said LHS principal, Jim DeWeerd.

The North Central Association is the largest of the country's regional accrediting agencies. It is a voluntary membership league of over 7,000 schools and 900 col-

leges and universities within a nineteen state region. The association works with schools to improve their educational goals through evaluation, accreditation, and schools to improve their educational goals through evaluation, accreditation, and school improvement plans.

Stick cinnamon, used as a spice, is the rolled inner bark of a small East Indian tree.

**A RED CARPET LEASE OFFERS MORE.**

**LEASING MAKES SENSE.**

With a 24 month Red Carpet Lease, you only pay for what you use - only that portion of the vehicle's value that you use during the period of your lease. So now you can drive a better equipped new vehicle every two years.

**NO RESALE HASSLE.**

Leasing can free you from the hassle of trying to sell a used car or truck. When it's time for a new vehicle, there's no uncertainty about your vehicle's value, no advertising or the inconvenience of talking to numerous prospective buyers.

**3-YEAR/36,000 MILE WARRANTY.**

Your leased vehicle carries the same 3 year/36,000 mile bumper-to-bumper warranty\* as a financed vehicle - reducing or eliminating unexpected expenses.

**LOWER DOWN PAYMENT.**

Leasing allows you to drive a new vehicle without a big down payment and frees up your credit for other purposes.

**\$180**  
per month  
for 24 months

Monthly lease payment	\$179.35**
Refundable security deposit	\$200
Down payment	\$787.00
Total cash due at lease inception	\$1,166.35*
