Remembering **Memorial Day**

The Lowell community held its annual Memorial Day service Monday commemorating those who gave their lives in war so a nation could enjoy its freedom. Lowell citizens gathered at Oakwood Cemetery for the service. Former U.S. Army chaplain Gary Hauck delivered the address. The Memorial Day ceremony was emceed by Dave Clark Jr. and VFW Post #8303 commander Gordon Marshall. The benediction was given by chaplain Ed Rash of the American Legion Post #152. Chicago style math curriculum adopted for K-12

By Thaddeus J. Kraus Lowell Ledger Editor

The most comprehensive math program available will now be the tool used at all levels to deliver the math curriculum in the Lowell Area School District.

The Lowell School Board adopted a K-12 University of Chicago School Math Project (UCSMP) curriculum to go into effect for the 1999-2000 school year.

While grades' seven

through 12 have been using UCSMP for the past four years, kindergarten through sixth grade have not.

"Although they've pretty much been there, those levels just haven't had the materials... K-6 teachers have had to pull materials together themselves," said Sue Beute, Lowell's elementary at-risk math teacher.

That will change next fall, as the district will purchase materials for implementation.

Monies will be used from the district's curriculum development account.

For those students ready to move on, UCSMP exposes students to more math than the curriculum requires. It also has a built-in study component for review, and reteaching for students who need extra time.

"University of Chicago School Math is in alignment with the National Council of Teachers of Mathematics,"

Beute explained. "Most K-6 teachers will be able to pick up and carry on."

Students will notice the biggest change in language and the built-in enrichment.

"We didn't have the enrichment. That's where students are exposed to math beyond the requirements of the curriculum, without expecting mastery," Beute said. "It will also link the home with mathematics, keeping the parents involved."

Aquarius lawn matter sprinkled with questions on property value and growth

By Jeffrey Redmond Contributing Writer

Lowell Charter Township Planning Commission has delayed a decision about Aquarius Lawn Sprinkling Inc. being issued a permit to undertake renovations. Randy Smith, of 3210 Kissing Rock Ave., had requested permission to raise a pole barn on his property.

At a public hearing at the Lowell Township Hall, concerned neighbors presented their opinions on this matter to the planning commission. Smith, a resident on the 17acre lot for the past eight years, presented a petition to the commission signed by 37 residents of Kissing Rock who are in favor of his business and new building. These included Arthur and Casimir Lacic of 3493 Kissing Rock Ave.

But other residents were

vocal in their disagreement. They were concerned about any more than the current half dozen vehicles and people, the machinery noise and the possible deterioration of property values.

Paula Blumm, of 3152 Kissing Rock, a local resident for eight years, believes that the Smith business has grown too large.

"It is not allowed under AGII zoning ordinances in a residential area and is not covered under special uses as it is not just a home occupation. AGII is not designed for light industrial operations, and we're also tired of the dogs barking and truck noise at 5 a.m.," Blumm state.

Gerald Kershaw, of 1246 Grand River Drive, expressed that lawn sprinklers are not an agricultural enterprise. Retired attorney John Forrester explained that such a business in that residential area cannot be given a special use permit by the planning commission.

Erik Teasley, of 3199

Kissing Rock, was concerned about further expansion by Smith. "Can he have 2,000 em-

ployees and a hundred trucks?" Teasley asked.

But Smith also had his supporters at the meeting. They explained that many others have businesses operating out of their own homes. Bruce Meyer, of 3234 Kissing Rock, pointed out that the other residents in the area have the same problems and situations to contend with, but that these are not as serious as elsewhere.

"Each neighbor has some kind of fault. We all have animals and trucks making noise with UPS, postal and other

CITY OF LOWELL **PUBLIC HEARING**

The Lowell City Council will conduct public hearings at its regularly scheduled meeting on Monday, June 7, 1999 at 7:30 p.m. at the Englehardt Public Library Community Room, 200 N. Monroe, Lowell, Michigan.

The purpose of said hearings will be to receive comments on the following:

City Operating Budget for 1999-2000. The document outlines proposed revenues and expenditures for the coming fiscal vear. The General Fund has a total of 2.115 million in proposed expenditures. After the hearing, the Council will consider adoption of the budget.

Robert Rittenger (745 Foreman) petitioned to construct a 16'4" high motor home port at his residence. Under Section 4.08 H. of the Zoning Ordinance, no detached accessory building in a residential district shall exceed 14' in height, therefore a variance is required.

Jim and Kathy Maatman (126 N. Hudson) petitioned to construct a garage within 3' of the main building where 10' is required under Section 4.08 F.1. of the Zoning Ordinance, therefore a variance is required.

Copies of the proposed 1999-2000 Budget are available for public inspection during normal business hours (8 a.m. - 5 p.m. Monday thru Friday) at City Hall and at the Englehardt Public Library during scheduled hours Monday through Saturday.

Interested persons may submit comments prior to the meeting to the Lowell City Hall, 301 E. Main or appear in person.

Dear Ledger,

a great day.

The Pledge of Allegiance is not what you think. Actually it goes pretty closely like this "I think someone should be able to do what they want with their land (note the grammatical error)...," and then there is usually a "but..." It is a hardy soul indeed who does not qualify the American land use "pledge of allegiance," and I have a grudging respect for those who do not.

Zoning and land use restrictions can be a pain. Some members of the Lowell Charter Township Board, I have reason to believe, subscribe to the "little pledge of allegiance." Well, there is a contrary view. If you want some "radic-lib" stuff (as Spiro T. Agnew used to say before he got nailed on tax evasion), it is close at hand. Does society have a powerful say in how you use your land? Try the writings of that Marxist-

Leninist bloke named McKenna, an American no less! The problem is, he wrote the opinion in Hadacheck v. Sebastian (1915), U.S. Supreme Court, and it was Justice McKenna, thank you very much. This was the same group of justices who found child labor just fine. It is of no small import that the court's opinion was grounded in 200 years of Anglo-North American common law.

Okay, since America and local government in particular are supposed to be where we experiment, "the best government Dear Editor, is closest to the people," let us give it a go. When the Township Board submits a resolution to abolish zoning, I will rise to reaction: People like the developers of "Foxtail Ridge" - just across 36th from me - will have a collective heart attack. They have a sense about the Ross place, not fooled by the new roof on the barn. Could this be white trash? ("Scratch the Russian; from the palacios they seek to build for those in search of the

I am pleased to have the opportunity to share with you my thoughts concerning Nancy Hopkins, who is currently running for the Lowell School Board.

I have known Nancy for 12 years. During that time my respect for her has grown and grown. Her dedication to do whatever she can for her family and her community, as well as any commitment she takes on, is very thorough, and carefully and willingly done.

Nancy is a very intelligent woman, as well as a wonderfully caring person. She is a real "listener" and has the capacity to understand complex, sensitive issues and make responsible decisions with skill.

Please consider her seriously. I think we are lucky she is willing to run for such an important position in the Lowell

Planning commission gives preliminary approval on 10-site condo plan

By Jeffrey Redmond Contributing Writer

Lowell Charter Township Planning Commission has approved a preliminary site plan for a new condominium project. The Ada-based Sundry Development Corporation has been given approval for its Berrywood - Settlewood - Woodfern drives development proposals.

The land, when owned by Ed Kane, had been divided into four initial lots, and has now been approved for further subdivision into 10-site condo lots of one to two acres each. Theese are located in Section 5 of the township, in a forested

Sundry president Kevin Rude argued that the further divisions were necessary for the future construction of homes to be valued in the \$200-300,000 price range.

"We have attempted to find common goals. Believe it or not, 10 lots lessen the impact on the local environment," Rude

The planning commission was not unanimous in its decision to agree with this. Chairman Richard Bryan argddued for only eight lots to continue in his fight to minimize suburban

"I'm still opposed to it because more septic tanks will be put in initially that will contaminate our existing wells. I paid all of the expenses to open Woodfern myself, and there's enough there already," Schaaf explained.

Woodfern Drive will be made into a gravel cul-de-sac and remain a private road under the agreement terms. Other issues still to be worked out include running city water pipe lines along Berrywood Drive, and the exact locations of the property lines in the final surveys.

An acre of land is measured as 43,000 square feet, and two acres as 86,000 square feet. Sundry Corporation has promised to minimize the destruction of the natural woods and scenery by building on lots of these agreed upon sizes.

Life as they have known it will officially end for the largest Lowell High School graduating class.

Seniors, numbering 234, will receive their diplomas Sunday at the 121st Lowell High School commencement exercises at the Lowell Showboat Amphitheater. Because of the growing class sizes, it is believed that this is the final year graduation will be held at this community site. .071.

The Class of 1999 will be remempered for the leadership it received from diverse number of students and its success in a variety of areas.

"This senior class' leadership is evi- Night Long by AC DC denced by the volunteer time it put into getting the Showboat and amphitheater ready for graduation," said Lowell High School principal Scott Vashaw. "It is also evidenced in how successful it has been on many different fronts - FFA, band, choir, Model U.N., play/musical and athletics."

The Lowell High School principal

Amber O'Boyle is the daughter of Tim and Julie O'Boyle. Through her four years at Lowell High School, the senior maintained a 3.953 grade point average.

O'Boyle says she most likely will attend Calvin College. The graduate is undecided on her area of study and future Camp at MSU. Baker is also the recipient ocational goals.

During her four years at LHS, O'Boyle has earned a number of awards and scholarships. They are: academic letter, athletic letters, scholar athlete awards, scholastic art award, Vern Ehler's High School Art Competition and Michigan Art Education Assoc. Region 9. She has also won the Peter and Evelyn Speerstra Scholarship, Gumser Memorial Scholarship, Calvin College Faculty Honors Scholarship, State of Michigan Competitive Scholarship, Spring Arbor College Provost Award and Aquinas College Academic Leadership Scholarship.

The senior has also been involved in cross country, gymnastics, National Honor Society and Rotary Club.

"I have most enjoyed the people I've met during my four years in high school." O'Boyle explained. "If I were to start high

Reid and Schaefer selected teacher and paraprofessional of the year

Bushnell kindergarten teacher Beverly Reid and her classroom paraprofessional Jodi Schaefer were honored by the Arc of Kent County at the Yankee Clipper Library. Reid was recognized as the teacher of the year and Schaefer as the paraprofessional of the year.

In inclusive classroom situations, we honor both the teacher and parapro together since it is a team thing.

> The Arc of Kent County executive director Stacey O'Toole.

The Arc recognizes teachers and paraprofessionals in Kent County each year for inlcusive education, whereby children with special needs are integrated in regular education classrooms.

Reid has taught kindergarten for 25 years. Schaefer has been a paraprofessional for the past year and a half. Both were nominated by Deanne Cowden of Lowell.

"In inclusive classroom situations, we honor both the teacher and parapro together since it is a team thing," said The Arc of Kent County executive director, Stacey O'Toole.

Beverly Reid and Jodi Schaefer were recognized by the Arc of Kent County for their work in Reid's kindergarten classroom.

Rittenger's accessory building variance request denied by planning commission

By Thaddeus J. Kraus Lowell Ledger Editor

Admitting that the detached accessory building ordinance may need to be reviewed, the Lowell Planning Commission denied a recommendation for a proposed variance request by Robert Rittenger.

Rittenger proposed to construct a 16 foot, four inch high motor home port at his residence on 745 Foreman.

Under the zoning ordinance, no detached accessory building in a residential district shall exceed 14 feet in

inches higher than the maximodation of the motor home.

commission's decision was based on Rittenger not meeting all of the criteria set forth to permit a variance.

NOTICE OF LAST DAY OF REGISTRATION FOR SPECIAL TOWNSHIP PROPOSALS

COUNTY OF KENT, MICHIGAN

TO THE QUALIFIED ELECTORS OF THE TOWNSHIP OF GRATTAN:

PLEASE TAKE NOTICE that the following local propositions shall be submitted to the registered electors of the Township of Grattan at a special Township election to be held July 13, 1999:

PROPOSAL NO. 1 1.0 MILL FOR FIRE PROTECTION PURPOSES RENEWAL OF CURRENT AND PREVIOUSLY APPROVED MILLAGE

Shall the increase in the Township of Grattan tax rate limitation, currently .9828 mill (\$.9828 per \$1,000 of taxable value), be renewed and levied in the years 1999-2003, both inclusive, and shall an additional .0172 mill (\$.0172 per \$1,000 of taxable value) be levied to restore previous millage reductions under the "Headlee Amendment" since this millage was last approved, resulting in the levy of 1.0 mill (\$1.00 per \$1,000 of taxable value) subject to reduction as provided by law, on taxable property in the Township?

The purpose of this levy is to provide fire protection within the Township, including the operation of the Township Fire Department, and the acquisition and maintenance of fire and rescue vehicles and apparatus and real property and improvements used for fire protection purposes. It is estimated that a levy of 1.0 mill would provide revenue of \$86,086 in the first calendar year, of which \$1,481 would result from the additional .0172 mill.

PROPOSAL NO. 2 0.5 MILL FOR ACQUISITUION OF FIRE DEPARTMENT **VEHICLES, APPARATUS AND EQUIPMENT**

Shall the Township of Grattan tax rate limitation be increased by .5 mill (\$.50 per \$1,000 of taxable value), and shall said increase be levied on taxable property in the Township for the years 1999-2003, both inclusive?

The purpose of this levy is solely to acquire fire and rescue vehicles, apparatus and equipment used for fire department purposes. It is estimated that this levy would provide revenue of \$43,043 in the first calendar year.

NOTICE IS HEREBY GIVEN THAT THE LAST DAY TO REGISTER TO VOTE IN SAID ELECTION IS JUNE 14, 1999.

In addition to the regular hours of the Township office, the Township Clerk will be at the Township office, located at 12050 Old Belding Road, Belding, Michigan, on June 14, 1999, to accept registrations.

Students asked to make the smart choice when confronted with drugs and alcohol

By Thaddeus J. Kraus Lowell Ledger Editor

For the 202 Cherry Creek Elementary D.A.R.E (Drug Abuse Resistance Education) graduates who spent part of a day in Judge Sara Smolenski's 63rd District Court, they saw people who did not mean to hurt anybody, but made bad decisions, facing the repercussions from a bad decision.

"I would rather see you now (at a D.A.R.E. graduation) than at 17 in my courtroom," Smolenski told the fifth-graders Thursday during her address to them at the

Lowell baseball team sets record for most wins in a season

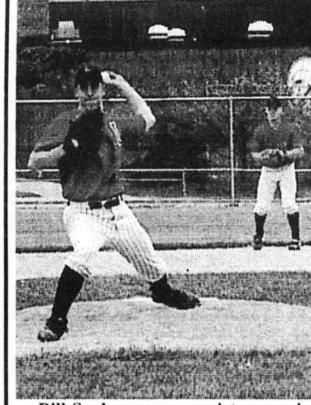

By Thaddeus J. Kraus Lowell Ledger Editor

Lowell High School's baseball team set the record for most wins in a season by a Red Arrow club with four consecutive nonconference wins.

Lowell opened the week with a 10-5 victory over Ottawa Hills.

It then traveled to Ionia and swept the Bulldogs 11-1 and 4-3.

Born from that has been a lasting and competitive nonconference softball rivalry

"This series between Lowell and Rockford goes way back," explained Konkle, Rockford girls softball coach. Over the last handful of years, Konkle's Rams have gotten the better of the Red Arrows.

"It's been a while since we've beaten Rockford. It's nice to get a win against a quality program like theirs," Lowell girls softball coach Bob Rodenhouse said, following his club's 6-3 win over the Rams (24-8) in the championship game of the Mandy Tichelaar Memorial Softball Tournament.

It is the first time Lowell has won the tournament since its inception following the tragic death of the Lowell softball player three/four years ago.

Andrea Rickert held Rockford hitters to three runs on seven hits while walking three and striking out eight Ram

Soccer season ends with district loss to Wayland

By Thaddeus J. Kraus Lowell Ledger Editor

In soccer's second season, anyone can be beaten.

"It just matters who shows up ready to play," Lowell girls soccer coach Ryan Conlan said.

The Red Arrows looked to have their game face on in the opening 10 minutes, but wasn't able to maintain it in their 3-0 district loss to Wayland

"The girls were excited to be playing a district game, but the focus needed in a game like this was not there," Conlan said. "We're young and inexperienced and don't understand what it means to
